

Austin guide to... **CREEK CLEANUP**

Host a Creek Cleanup!

Are you tired of seeing your favorite creek littered with trash? In one day, would you like to make a huge impact on your local environment? If so, a Creek Cleanup might be just what you're looking for!

Hosting a Creek Cleanup is Easy!

Get everything you need for your group's service project from Keep Austin Beautiful (KAB) and Watershed Protection (WPD). All you need to get started is an enthusiastic leader who will help organize and promote the creek cleanup event.

What We Offer

- **Guidance with the planning of your cleanup**
- **Clean-up supplies; trash bags, gloves, pick up tools, poison ivy wash, and a first aid kit**
- **Trash collection**
- **Fun giveaways to thank volunteers for their participation**
- **Recognition of your accomplishments on the KAB and WPD social media**
- **Educational activities**

Make A Difference!

Picking up litter in and along creeks makes a difference in the community by:

- Improving water quality
- Preventing storm drains from becoming blocked
- Protecting animals from ingesting or getting tangled in litter
- Beautifying Austin

To host a Creek Cleanup, please contact:
