WaterWise Rainscape Rebate Program
Chris Charles
Conservation Program Specialist
WaterWise Rainscape Rebate Program

- Homeowners and schools may receive up to $500 ($0.30/sq. foot -- 100 sq. foot min.) for installing landscape features such as rain gardens, berms, swales, terraces, and porous pavement that direct and retain rainwater on the property.
Eligibility

• Austin water residential/school customer or qualifying water provider

• Completion of application and materials

• Size of conversion area (100sqft min)

• Have not started work on the conversion (must be accepted into the program first)
Rainscape

- Must cover 100 square feet minimum
- Gravel and Rock areas not larger than 3 feet in width
- Meet HOA requirements
- Must install any plants from Mar 15 – May 15 (*for spring rebate*) and Sept 15 - Nov 15 (*for fall rebate*)
