For the last decade the Austin metro area has boomed, resulting in skyrocketing housing costs and an increase in homelessness. In 2018, homelessness in the Austin area increased by 5 percent according to the results of the Ending Community Homelessness Coalition's annual census.

Please join us as we welcome Eva Thibaudeau-Graczyk, Chief Program Officer of the Houston Coalition for the Homeless, Alan Graham, the CEO and Founder of Mobile Loaves & Fishes and the Community First! Village, and Kerry O'Connor, the Director of the Innovation Office with the City of Austin, who will discuss projects and programs they have implemented to eliminate homelessness in both Austin and Houston.

This event is free and open to the public.
