# Community Meeting Questionnaire

What elements of the Barton Springs Bathhouse do you enjoy the most?

~~I love~~ I enjoy the Rotunda being available to the public. I think it is important to maintain this access, we also think that the open green spaces in the dressing rooms are MY FAVORITE PART.

What are your concerns about this project?

we are concerned that we need to maintain the public access to the Rotunda. we are also concerned that the character of the building is at risk. we think it is important to maintain the green, open space.

Describe your vision for the future of the Barton Springs Bathhouse.

maintain the full size of the buildings, open up all ~~the~~ old entrances on male and female sides, open up females restroom and make equality between the sexes. maintain education.

What elements of the Barton Springs Bathhouse do you enjoy the most?

Really, all of it.
Pool, grounds, dressing rooms.

What are your concerns about this project?

Reduction in dressing room size. I remember when the original entrances were used and the dressing rooms were always busy, because all visitors had knowledge of their existence. If the original entrances will be reused, the use of the dressing rooms will be dramatical
--
