RESOLUTION

WHEREAS, over 400 neighborhood associations are listed with the Department of Planning and Development; and

WHEREAS, the list contains numerous duplications and inactive associations; and

WHEREAS, the list has not been updated on a regular basis; and

WHEREAS, different departments have kept different lists for notification purposes;
NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

That the City Manager be directed to develop and maintain a central list of neighborhood associations, community groups, and stakeholders to ensure that sufficient notice is provided in accordance with all applicable state statutes, rules and regulations; and

That the list shall be updated annually; neighborhood associations that have overlapping boundaries should have written agreements on file with the City that designate what each association is to be notified for; neighborhood associations that do not reregister with the City should be deleted from the list provided three attempts are made to contact them; and

That the failure to register does not impair an individual's ability to exercise their common rights before the City Council or boards and commissions.
