Councilman Alford offered the following resolution:

WHEREAS, Texas Public Service Company has presented to the City Council tentative maps or plans showing the proposed construction of its gas mains in the streets in the City of Austin hereafter named, and said maps or plans have been considered by the City Council; therefore

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

THAT Texas Public Service Company be and the same is hereby permitted to lay and construct its gas mains in and upon the following streets:

(1) A gas main in WOODROW STREET, beginning at a point 9 feet west of the east line of Woodrow Street and 13 feet south of the north line of East 34th Street;

Thence in a northerly direction with the centerline of a gas main, which centerline shall be 9 feet west of and parallel to the east line of Woodrow Street, for a distance of one-half block to an alley.

Said gas main described above shall have a cover of not less than 2½ feet.

(2) A gas main in EAST THIRTY-FOURTH STREET, beginning at a point 9 feet west of the east line of Woodrow Street and 13 feet south of the north line of East 34th Street;

Thence in a westerly direction with the centerline of a gas main, which centerline shall be 13 feet south of and parallel to the north line of said East 34th Street, to a point that is 37 feet west of the west line of Woodrow Street.

Said gas main described above shall have a cover of not less than 2½ feet.

(3) A gas main in WEST FORTY-FIRST STREET, beginning at a point 25 feet south of the north line of said West 41st Street and 130 feet east of the east line of Guadalupe Street;

Thence in a westerly direction with the centerline of a gas main, which centerline shall be 25 feet south of and parallel to the north line of said West 41st Street, for a distance of 60 feet.

Said gas main described above shall have a cover of not less than 2½ feet.

(4) A gas main in SPEEDWAY, beginning at a point 7½ feet west of the east line of Speedway and 109 feet north of the north line of 45th Street;

Said gas main described above shall have a cover of not less than 2½ feet.

The Texas Public Service Company is hereby put upon notice that the City of Austin does not guarantee that the space assigned above is clear from other underground utilities, but is based upon the best records we have at hand, and that the minimum depth stated does not have any reference to the fact that greater depths may not be required at special points. When the Texas Public Service Company requires definite information upon the ground as to elevations or working points from which to base the location of their assignments, they shall apply to the City Engineering Department not less than three (3) days before such information is required. The Texas Public Service Company is further put upon notice that they will be required to bear the expense of repairs or replacement of any underground utility damaged during the construction of lines named in this resolution.

AND THAT whenever pavement is out in the vicinity of a fire plug, water must be used at intervals during the course of backfilling of the ditches.

THAT the work and laying of said gas mains, including the excavation in the streets and the restoration and maintenance of said streets after said mains have been laid, shall be under the supervision and direction of the City Manager, and under all the pertinent terms and conditions of the certain franchise granted to said Company by the City of Austin.
