The Department has revisited the need for the additional Commander position approved at the meeting of January 14, 2010 and is now asking Council to eliminate the position at this rank and create one additional Lieutenant position. The department has determined that we have a need for an additional Lieutenant in the Emergency Planning and Communications Division.

This action does not increase the total authorized strength of the Police Department.

The civil service classifications of the Police Department and the number of positions in each classification will be established as follows: Assistant Chief 5, Commander 19, Police Lieutenant 68, Police Sergeant 172, Police Corporal/Police Detective 353, and Police Officer 1004.
