Subject: Postponement Request; SOS Alliance Appeal of Western Oaks Retail Center Site Plan Extension

Dear Mr. Zapalac:

On behalf of Save Our Springs Alliance, I am writing to request a two-week postponement of our appeal of the site plan extension for the Western Oaks Retail Center. I have not previously requested or been granted a postponement for this appeal.

The appeal is currently set to be heard at the City Council meeting of May 27th under agenda item #92. Unfortunately, I will be out of town that day and there is no one else at Save Our Springs Alliance who can handle the appeal for me.

Please contact me if you have any questions about this request, or if there are further steps that I need to take to help obtain a postponement of this appeal. I have copied Lynda Courtney (City of Austin) and Paul Linehan (applicant's representative) on this message so that they may be informed of my request.

Thank you for your assistance.

Sincerely,

/s/

Andrew Hawkins
