

NEIGHBORHOOD PLAN AMENDMENT REVIEW SHEET

NEIGHORHOOD PLAN: Upper Boggy Creek Neighborhood Plan

CASE#: NPA-2009-0012.03(PART)

PC DATE: February 9, 2010

ADDRESSES: 4020 Airport Boulevard and ABS 346 SUR 9 HAWKINS T ACR .05 (Tract 3)

SITE AREA: 1 tract on 2.90 acres

APPLICANT: City of Austin, Planning and Development Review Department (PDRD)

AGENT: City of Austin, Planning and Development Review Department (PDRD);
Jacob Browning, Neighborhood Planner

TYPE OF AMENDMENT:

Change in Future Land Use Designation

Tract #	Land Use Change	
	FROM	TO
3	Office	Mixed Use / Office

Base District Zoning Change

Related Zoning Case: C14-2009-0102

Adding the Vertical Mixed Uses Building (V) designation to the existing zoning

NEIGHBORHOOD PLAN ADOPTION DATE: August 1, 2002

PLANNING COMMISSION RECOMMENDATION: Approved Mixed Use on Tract 1 and for portions of Tracts 16 and 18; Approved Mixed Use/Office for Tracts 3 and 109; Approved the exclusion of Tract 2 from the VMU Overlay District. Motion made by Commissioner Clint Small, Commissioner Mandy Dealey seconded the motion on a vote of 8-0, with Commissioner Jay Reddy absent.

ISSUES: At first reading, the City Council voted to exclude Tract 3 from the Vertical Mixed Use Overlay District; therefore, the tract did not receive vertical mixed use building (V) zoning nor did it receive its Mixed Use/Office future land use designation. Since then, staff from the Planning and Development Review and Law Departments have arrived at the conclusion that a Future Land Use Map change to Mixed Use/Office is needed should the City Council approve "V" zoning on the property.

A restrictive covenant is in place for a portion of Tract 3 (4020 Airport Boulevard). The future land use change will not affect the regulations set forth in the restrictive covenant. The restrictive covenant is included as Attachment 8 in the back-up for case C14-2009-0102, the associated VMU zoning case to this neighborhood plan amendment.

BACKGROUND: The proposed plan amendment was initiated by the City of Austin's Planning and Development Review Department in conjunction with the Vertical Mixed Use (VMU) Opt-In/Opt-Out application process. The Upper Boggy Creek Neighborhood Planning Contact Team recommends applying the vertical mixed use building (V) zoning to several properties in the VMU Overlay District and to several that have been opted-into the Overlay District. However, the VMU zoning (V) can only be applied to those properties with future land use designations of Mixed Use or Mixed Use / Office. Tracts 1 - 3, 16, 18, and 109 have different future land use designations than required and are the subjects of this Neighborhood Plan Amendment to change their designations to allow the application of the V zoning. In total, the six tracts are 6.26 acres.

The Upper Boggy Creek Future Land Use Map (FLUM) designates two tracts (Tract 1 and Tract 2) as Commercial; two tracts (Tract 3 and Tract 109) as office; a portion of Tract 16 as single-family; and a portion of Tract 18 as multifamily. The Contact Team's recommendations for Tracts 1 - 3, 16, 18, and 109 are not consistent with the Upper Boggy Creek FLUM as these properties are not designated as Mixed Use or Mixed Use / Office, and therefore, a change in their future land use designation is necessary. Staff recommends a future land use designation change to Mixed Use for Tracts 1, 2, 16, and 18 and Mixed Use / Office for Tracts 3 and 109 so to stay consistent with the requirements of the VMU (V) zoning.

The Upper Boggy Creek Neighborhood Plan was completed under the City of Austin's Neighborhood Planning Program and was adopted as part of the Austin Tomorrow Comprehensive Plan on August 1, 2002. The boundaries of the planning area are: IH 35, 26th Street and Comal Street to the west, Airport Boulevard to the north and east, and Martin Luther King, Jr. Boulevard, Cedar Boulevard, Rogers Boulevard, Walnut Boulevard and Manor Road to the south.

CITY COUNCIL DATE & ACTION:

March 11, 2010: Ordinance No. 20100311-061 approving a future land use designation of Mixed Use for Tract 1 and portions of 16 and 18 and Mixed Use/Office for Tract 109 was approved on Council Member Morrison's motion, Council Member Spelman's second on a 5-1 vote. Mayor Pro Tem Martinez voted nay. Council Member Shade abstained.

PUBLIC HEARING INFORMATION

The proposed amendment will be reviewed and acted upon at two public hearings: first, before the Planning Commission and then before the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed amendment. You may also contact a registered neighborhood or environmental organization that that has expressed an interest in an application affecting your neighborhood.

During a public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its won recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a plan amendment request, or approve an alternative to the amendment requested.

If you have any questions concerning this notice, please contact the City of Austin Planning and Development Review Department at the number shown on the first page. If you would like to express your support or opposition to this request, you may do so in several ways:

- by attending the Public Hearing and conveying your concerns at that meeting
- by submitting the Public Hearing Comment Form
- by writing to the city contact listed on the previous page

For additional information on Neighborhood Plans, visit the website: www.ci.austin.tx.us/zoning/
