

**PETITION**

# 115

Hearing Date: JUNE 24, 2010  
File Number: NPA - 2009-0012.03 TRACT 3  
Address of  
Rezoning request: 4020 Airport Blvd.

To Austin City Council

We, the undersigned owners of property affected by the requested zoning change described in the referenced file, do hereby protest against any change of the Land Development Code which would zone the property to any other than LO-NP.

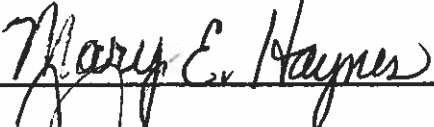

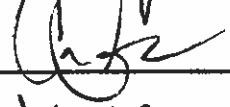

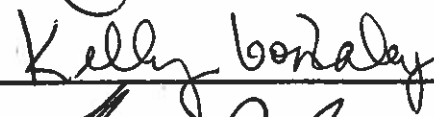

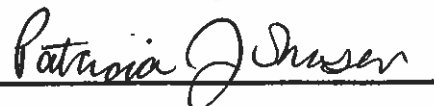

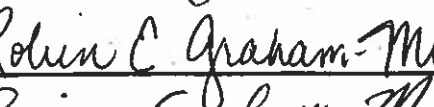

**Reasons for protest:**

We are a neighborhood of 1 story homes. VMU would allow multi-stories which would overshadow our homes just as "Mc-Mansions" have done in our older neighborhoods. This narrow tract of land is immediately adjacent to many of our back yards.

The height of VMU buildings will make our homes and yards viewable from their higher stories, resulting in significant loss of our privacy. In addition, the higher density will increase noise, congestion, and glaring lights, and possibly, animal and sanitation problems from large outdoor garbage containers.

The land is a narrow strip with a creek and water drainage issues. Allowing more density and relaxed restrictions will cause added drainage problems.

(PLEASE USE BLACK INK WHEN SIGNING PETITION)
