TO: Mayor and Council

FROM: Greg Guernsey, Director  
Planning and Development Review Department

DATE: June 24, 2010

SUBJECT: Effective Date of Building Code Amendments – Items 142 - 147

Typically, after adoption of our various building codes, we allow 90 days in order for the design and construction community to be able to become familiar with the new requirements. In order to maintain consistency with the proposed adoption of the newest codes, staff recommends that the effective date of the ordinances for the building code amendments, (Items 142-147) be set for October 1, 2010.
