The purpose of this project is to install dynamic message signs at ten (10) locations in Austin using funding associated with the American Recovery and Reinvestment Act (ARRA) program. The locations identified as part of this project are strategically located to provide drivers with information on traffic conditions, notices of special events, and alternate route information.

The contract allows for 120 calendar days for substantial completion of this project and an additional 60 days for final completion. There is a \$50,000 allowance included in the contract amount to address any unforeseen site conditions that may be encountered during the installation process.
