It shall be the duty of the Paying Agent/Registrar to obtain from the Registered Owner and record in the Registration Books the address of the Registered Owner to which payments with respect to the Obligations shall be mailed, as provided in this Ordinance. The City, or its designee, shall have the right to inspect the Registration Books during regular business hours of the Paying Agent/Registrar, but otherwise the Paying Agent/Registrar shall keep the Registration Books confidential and, unless otherwise required by law, shall not permit their inspection by any other entity. Registration of each Obligation may be transferred in the Registration Books only upon presentation and surrender of the Obligation to the Paying Agent/Registrar for transfer of registration and cancellation, together with proper written instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing the assignment of the Obligation, or any portion of the Obligation, in any Authorized Denomination, to the assignee or assignees, and the right of the assignee or assignees to have the Obligation or any portion of the Obligation registered in the name of the assignee or assignees. Upon the assignment and transfer of any Obligation, a new substitute certificate or certificates shall be issued in exchange for the Obligation in the manner provided in this Ordinance.

(b) The entity in whose name any Obligation shall be registered in the Registration Books at any time shall be treated as the absolute owner of the Obligation for all purposes of this Ordinance, whether the Obligation shall be overdue, and the City and the Paying Agent/Registrar shall not be affected by any notice to the contrary; and payment of, or on account of, the principal of, premium, if any, and interest on any Obligation shall be made only to the Registered Owner. All payments shall be valid and effectual to satisfy and discharge the liability on the Obligation to the extent of the sum or sums so paid.

Each Obligation issued and delivered pursuant to this Ordinance, may, upon surrender at the Designated Payment/Transfer Office, together with a written request duly executed by the Registered Owner or its assignee or assignees, or its or their duly authorized attorneys or representatives, with guarantee of signatures satisfactory to the Paying Agent/Registrar, at the option of the Registered Owner or its assignee or assignees, as appropriate, be exchanged for fully registered certificates, without interest coupons, in the form prescribed in the FORM OF CONTRACTUAL OBLIGATION, in any Authorized Denomination (subject to the requirement stated below that each substitute Obligation shall have a single stated maturity date), as requested in writing by the Registered Owner or its assignee or assignees, in an aggregate principal amount equal to the unre-

deemed principal amount of any Obligation or Obligations so surrendered, and payable to the appropriate Registered Owner, assignee, or assignees. Each substitute Obligation shall bear a letter and/or number to distinguish it from each other Obligation. The Paying Agent/Registrar shall exchange or replace Obligations as provided in this Ordinance, and each fully registered Obligation delivered in exchange for or replacement of any Obligation or portion of an Obligation as permitted or required by any provision of this Ordinance shall constitute one of the Obligations for all purposes of this Ordinance, and may again be exchanged or replaced. Any Obligation delivered in exchange for or replacement of another Obligation before the first scheduled interest payment date on the Obligations (as stated on the face of the Obligation) shall be dated the same date, but each substitute Obligation delivered on or after the first scheduled interest payment date shall be dated the interest payment date preceding the date on which the substitute Obligation is delivered, unless the substitute Obligation is delivered on an interest payment date, in which case it shall be dated as of the date of delivery; however, if at the time of delivery of any substitute Obligation the interest on the Obligation for which it is being exchanged has not been paid, then the substitute Obligation shall be dated the date to which interest has been paid in full. An authorized representative of the Paying Agent/Registrar shall, before the delivery of any substitute Obligation, date the substitute Obligation in the manner set forth above, and manually sign and date the Authentication Certificate, and no substitute Obligation shall be considered to be issued or outstanding unless the Authentication Certificate is executed. The Paying Agent/Registrar promptly shall cancel all Obligations surrendered for exchange or replacement. No additional ordinances, orders, or resolutions need be passed or adopted by the City Council or any other body or person to accomplish the exchange or replacement of any Obligation, and the Paying Agent/Registrar shall provide for the printing, execution, and delivery of the substitute Obligations in the manner prescribed in this Ordinance. Pursuant to Chapter 1206, Texas Government Code, the duty of exchange or replacement of any Obligation is imposed on the Paying Agent/Registrar, and, upon the execution of the Authentication Certificate, the exchanged or replaced certificate shall be valid, incontestable, and enforceable in the same manner and with the same effect as the Obligations which originally were delivered pursuant to this Ordinance, approved by the Attorney General, and registered by the Comptroller of Public Accounts.

(e) All Obligations issued in exchange or replacement of any other Obligation or portion of a Obligation, (i) shall be issued in fully registered form, without interest coupons, with the principal of and interest on the Obligations to be payable only to the Registered Owners, (ii) may be redeemed prior to their scheduled maturities, (iii) may be transferred and assigned, (iv) may be exchanged for other Obligations, (v) shall have the characteristics, (vi) shall be signed and sealed, and (vii) the principal of and interest on the Obligations shall be payable, all as provided, and in the manner required or indicated, in the FORM OF CONTRACTUAL OBLIGATION.

(f) The City shall pay the Paying Agent/Registrar's reasonable and customary fees and charges for making transfers of Obligations, but the Registered Owner of any Obligation requesting the transfer shall pay any taxes or other governmental charges required for the transfer. The Registered Owner of any Obligation requesting any exchange shall pay the Paying Agent/Registrar's

reasonable and standard or customary fees and charges for exchanging any Obligation or a portion of a Obligation, together with any required taxes or governmental charges, all as a condition precedent to the exercise of the privilege of exchange, except in the case of the exchange of an assigned and transferred Obligation or Obligations or any portion or portions in any Authorized Denomination, the fees and charges will be paid by the City. In addition, the City covenants with the Registered Owners of the Obligations that it will (i) pay the reasonable and standard or customary fees and charges of the Paying Agent/Registrar for its services with respect to the payment of the principal of and interest on the Obligations, when due, and (ii) pay the fees and charges of the Paying Agent/Registrar for services with respect to the transfer or registration of Obligations, and with respect to the exchange of Obligations solely to the extent stated above.

(g) The City covenants with the Registered Owners of the Obligations that at all times while the Obligations are outstanding the City will provide a competent and legally qualified bank, trust company, or other entity duly qualified and legally authorized to act as and perform the services of Paying Agent/Registrar for the Obligations under this Ordinance, and that the Paying Agent/Registrar will be one entity. The City reserves the right to, and may, at its option, change the Paying Agent/Registrar upon not less than 60 days written notice to the Paying Agent/Registrar. In the event that the entity at any time acting as Paying Agent/Registrar (or its successor by merger, acquisition, or other method) should resign or otherwise stop acting as such, the City covenants that it will promptly appoint a competent and legally qualified national or state banking institution organized and doing business under the laws of the United States of America or of any state, authorized under the laws to exercise trust powers, subject to supervision or examination by federal or state authority, and whose qualifications substantially are similar to the previous Paying Agent/Registrar to act as Paying Agent/Registrar under this Ordinance. Upon any change in the Paying Agent/Registrar, the previous Paying Agent/Registrar promptly shall transfer and deliver the Registration Books (or a copy of these Books), along with all other pertinent books and records relating to the Obligations, to the new Paying Agent/Registrar designated and appointed by the City. Upon any change in the Paying Agent/Registrar, the City promptly will cause a written notice to be sent by the new Paying Agent/Registrar to each Registered Owner of the Obligations, by United States mail, first-class postage prepaid, which notice also shall give the address of the new Paying Agent/Registrar. By accepting the position and performing as such, each Paying Agent/Registrar shall be considered to have agreed to the provisions of this Ordinance, and a certified copy of this Ordinance shall be delivered to each Paying Agent/Registrar.

PART 6. FORM OF CONTRACTUAL OBLIGATIONS. The form of the Contractual Obligations, including the form of the Authentication Certificate, the form of Assignment and the form of Registration Certificate of the Comptroller of Public Accounts of the State of Texas to be attached only to the Contractual Obligations initially issued and delivered pursuant to this Ordinance, shall be, respectively, substantially as set forth in Exhibit A to this Ordinance, with the appropriate variations, omissions, or insertions as are permitted or required by this Ordinance.

PART 7. LEVY OF TAX; INTEREST AND SINKING FUND. (a) The Interest and Sinking Fund is created and it shall be established and maintained at an official depository of the City. The Interest and Sinking Fund shall be kept separate and apart from all other funds and accounts of the City, and shall be used only for paying the interest on and principal of the

Obligations. All ad valorem taxes levied and collected for and on account of the Obligations shall be deposited, as collected, to the credit of the Interest and Sinking Fund. During each year while any Obligation is outstanding and unpaid, the City Council shall compute and ascertain the rate and amount of ad valorem tax, based on the latest approved tax rolls of the City, with full allowances being made for tax delinquencies and costs of tax collections, which will be sufficient to raise and produce the money required to pay the interest on the Obligations as the interest comes due, and to provide a sinking fund to pay the principal of the Obligations as the principal matures, but never less than 2% of the outstanding principal amount of the Obligations as a sinking fund each year. The rate and amount of ad valorem tax needed to fund this obligation is ordered to be levied against all taxable property in the City for each year while any Obligation is outstanding and unpaid, and the ad valorem tax shall be assessed and collected each year and deposited to the credit of the Interest and Sinking Fund. The ad valorem taxes necessary to pay the interest on and principal of the Obligations, as the interest comes due, and the principal matures, are pledged for this purpose, within the limit set by law. Money in the Interest and Sinking Fund, at the option of the City, may be invested in the securities or obligations as permitted under applicable law and the City's investment policy. Any securities or obligations in which money is invested shall be kept and held in trust for the benefit of the owners of the Obligations and shall be sold and the proceeds of sale shall be timely applied to the making of all payments required to be made from the Interest and Sinking Fund. Interest and income derived from the investment of money in the Interest and Sinking Fund shall be credited to the Interest and Sinking Fund.

(b) Chapter 1208, Texas Government Code, applies to the issuance of the Obligations and the pledge of ad valorem taxes made under PART 7(a) of this Ordinance, and the pledge is valid, effective, and perfected. If Texas law is amended at any time while any Obligation is outstanding and unpaid so that the pledge of ad valorem taxes made by the City under PART 7(a) of this Ordinance is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then to preserve to the Registered Owners of the Obligations the perfection of the security interest in the pledge, the City agrees to take measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code, and enable a filing to perfect the security interest in the pledge.

PART 8. DEFEASANCE OF CONTRACTUAL OBLIGATIONS. (a) Defeased Obligations. Any Obligation will be treated as a Defeased Obligation, except to the extent provided in subsection (d) of this PART, when payment of the principal of the Obligation, plus interest to the due date (whether the due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms of this Ordinance, or (ii) shall have been provided for on or before the due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with a Future Escrow Agreement for the payment of the Obligation (1) lawful money of the United States of America sufficient to make the payment or (2) Defeasance Securities, certified by an independent public accounting firm of national reputation to mature as to principal and interest in the amounts and at the times as will insure the availability, without reinvestment, of sufficient money to provide for the payment, and when proper arrangements have been made by the City with the Paying Agent/Registrar for the payment of its services until all Defeased Obligations shall have become due and payable. There shall be delivered to the Paying Agent/Registrar a certificate from a firm of certified public accountants certifying the sufficiency of

the deposit made pursuant to clause (ii) above. The Paying Agent/Registrar shall also receive an opinion of bond counsel acceptable to the City that reflects this payment does not adversely affect the exclusion under the Code of interest on the Defeased Obligations from the gross income of the holders for federal income taxation purposes. At the time as a Obligation shall be considered to be a Defeased Obligation, the Obligation and the interest on that Bond shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes levied and pledged as provided in this Ordinance, and the principal and interest shall be payable solely from the money or Defeasance Securities.

(b) Investment in Defeasance Securities. Any funds deposited with the Paying Agent/Registrar may at the written direction of the City be invested in Defeasance Securities, maturing in the amounts and times as set forth in this Ordinance, and all income from these Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Obligations and interest, with respect to which money has been deposited, shall be turned over to the City, or deposited as directed in writing by the City. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Obligations may contain provisions permitting the investment or reinvestment of the moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements described in subsections (a)(i) or (ii) of this PART. All income from the Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Obligations, with respect to which money has been so deposited, shall be remitted to the City or deposited as directed in writing by the City. The Paying Agent/Registrar shall not be liable for any loss pertaining to an investment executed in accordance with written instructions from the City.

(c) Paying Agent/Registrar Services. Until all Defeased Obligations shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for the Defeased Obligations as if they had not been defeased, and the City shall make proper arrangements to provide and pay for the services as required by this Ordinance.

(d) Selection of Obligations for Defeasance. In the event that the City elects to defease less than all of the principal amount of Obligations of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, the amount of Obligations by the random method as it considers fair and appropriate.

PART 9. DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED CONTRACTUAL OBLIGATIONS. (a) Replacement Obligations. In the event any outstanding Obligation is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Obligation, in replacement for the Obligation in the manner provided in this Ordinance.

(b) Application for Replacement Obligations. Application for replacement any damaged, mutilated, lost, stolen, or destroyed Obligation shall be made to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Obligation, the applicant for a replacement bond shall furnish to the City and to the Paying Agent/Registrar the security or indemnity as may be required by them to

save each of them harmless from any loss or damage with respect to the Obligation. Also, in every case of loss, theft, or destruction of an Obligation, the applicant shall furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of the Obligation. In every case of damage or mutilation of an Obligation, the applicant shall surrender to the Paying Agent/Registrar for cancellation the damaged or mutilated Obligation.

(c) No Default Occurred. Notwithstanding provisions 9 (a) and (b), in the event any Obligation shall have matured, and there is no continuing default in the payment of the principal of, premium, if any, or interest on the Obligation, the City may authorize its payment (without surrender except in the case of a damaged or mutilated Obligation) instead of issuing a replacement Obligation, provided security or indemnity is furnished as above provided in this PART.

(d) Charge for Issuing Replacement Obligations. Prior to the issuance of any replacement certificate, the Paying Agent/Registrar shall charge the owner of the Obligation with all legal, printing, and other expenses in connection with the replacement. Every replacement bond issued pursuant to the provisions of this Ordinance by virtue of the fact that any Obligation is damaged, mutilated, lost, stolen, or destroyed shall constitute a contractual obligation of the City whether the damaged, mutilated, lost, stolen, or destroyed Obligation shall be found, or be enforceable by anyone, and shall be entitled to all the benefits of this Ordinance equally and proportionately with any and all other Obligations duly issued under this Ordinance.

(e) Authority for Issuing Replacement Obligations. In accordance with Chapter 1206, Texas Government Code, this PART of this Ordinance shall constitute authority for the issuance of any replacement certificate without necessity of further action by the Issuer or any other body or person, and the duty of the replacement of the certificates is authorized and imposed on the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver the Obligations in the form and manner and with the effect, as provided in PART 5(a) of this Ordinance for Obligations issued in conversion and exchange of other Obligations.

PART 10. SUBMISSION OF PROCEEDINGS TO ATTORNEY GENERAL. The Mayor, or his designee, is authorized to have control of the Obligations and all necessary records and proceedings pertaining to the Obligations pending their delivery and their investigation, examination and approval by the Attorney General of the State of Texas, and their registration by the Comptroller of Public Accounts of the State of Texas. Upon registration of the Obligations, the Comptroller of Public Accounts (or a deputy designated in writing to act for the Comptroller) shall manually sign the Comptroller's Registration Certificate accompanying the Obligations, and the seal of the Comptroller shall be impressed, or placed in facsimile, on each certificate. After registration by the Comptroller, delivery of the Obligations shall be made to the Purchasers, under and subject to the general supervision and direction of the Mayor, against receipt by the City of all amounts due to the City under the terms of sale.

PART 11. FEDERAL TAX COVENANTS. The City covenants to take any action to assure, or refrain from any action which would adversely affect, the treatment of the Obligations as obligations described in section 103 of the Code, the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. The City covenants as follows:

(a) to take any action to assure that no more than 10 percent of the proceeds of the Obligations or the projects financed with the Obligations (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds are so used, that amounts, whether received by the City, with respect to such private business use, do not, under the terms of this Ordinance or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Obligations, in contravention of section 141(b)(2) of the Code;

(b) to take any action to assure that in the event that the "private business use" described in subsection (a) above exceeds 5 percent of the proceeds of the Obligations or the projects financed with the proceeds (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(c) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Obligations (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(d) to refrain from taking any action which would otherwise result in the Obligations being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(e) to refrain from taking any action that would result in the Obligations being "federally guaranteed" within the meaning of section 149(b) of the Code;

(f) to refrain from using any portion of the proceeds of the Obligations, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Obligations, other than investment property acquired with --

(1) proceeds of the Obligations invested for a reasonable temporary period until the proceeds are needed for the purpose for which the Obligations are issued,

(2) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(3) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Obligations;

(g) to otherwise restrict the use of the proceeds of the Obligations or amounts treated as proceeds of the Obligations, as may be necessary, so that the Obligations do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refundings); and

(h) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Obligations) an amount that is at least equal to 90 percent of the "Excess Earnings", within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Obligations have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

For purposes of clauses (a) and (b) above, the City understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of the issuance of the Obligations. It is the understanding of the City that the covenants contained in this Ordinance are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant to the Code. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Obligations, the City will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally-recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Obligations under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Obligations, the City agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally-recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Obligations under section 103 of the Code. In furtherance of the foregoing, the Mayor, the City Manager, any Assistant City Manager, the Chief Financial Officer of the City and the Deputy Chief Financial Officer of the City may execute any documents, certificates or other reports required by the Code and to make such elections, on behalf of the City, which may be permitted by the Code as are consistent with the purpose for the issuance of the Obligations.

In order to facilitate compliance with clause (h) above, a "Rebate Fund" is established and held by the City for the sole benefit of the United States of America, and such Rebate Fund shall not be subject to the claim of any other person, including without limitation the Registered Owners of the Obligations. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

PART 12. ADDITIONAL TAX COVENANTS REGARDING USE OF PROPERTY. (a) Allocation of, and Limitation on, Expenditures for the Property. The City covenants to account for the expenditure of proceeds from the sale of the Obligations and any investment earnings on these proceeds to be used for the acquisition of Property on its books and records by allocating proceeds to expenditures within 18 months of the later of the date that (a) the expenditure on Property is made or (b) each acquisition of Property is completed. The City shall not expend such proceeds or investment earnings more than 60 days after the later of (a) the fifth anniversary of the date of delivery of the Obligations or (b) the date the Obligations are retired, unless the City obtains an opinion of nationally-recognized bond counsel substantially to the effect that the expenditure will not adversely affect the tax-exempt status of the Obligations. The City shall not be obligated to comply with this covenant if it obtains an opinion of nationally-recognized bond counsel to the effect that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest. This Ordinance is intended to satisfy the official intent requirements set forth in section 1.150-2 of the Treasury Regulations.

(b) *Disposition of Property.* The City covenants that Property will not be sold or otherwise disposed in a transaction resulting in the receipt by the City of cash or other compensation, unless the City obtains an opinion of nationally-recognized bond counsel substantially to the effect that such sale or other disposition will not adversely affect the tax-exempt status of the Obligations. The portion of the property comprising personal property and disposed of in the ordinary course of business shall not be treated as a transaction resulting in the receipt of cash or other compensation. The City shall not be obligated to comply with this covenant if it obtains an opinion of nationally-recognized bond counsel to the effect that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

PART 13. DEFAULT AND REMEDIES. (a) Events of Default. Each of the following occurrences or events is an Event of Default:

(i) the failure to pay the principal of or interest on any Obligation when it becomes due and payable; or

PART 14. SALE OF CONTRACTUAL OBLIGATIONS. The sale of the Obligations to Robert W. Baird & Co., Inc. and associates (the "Purchasers"), at a price of par and accrued interest on the Obligations to the date of delivery, plus a premium of \$46,580.65, is approved. The Obligations were sold pursuant to the terms of a "Notice of Sale and Bidding Instructions", "Official Bid Form" and "Official Statement", the use of these documents, a true and correct copy of each document being attached to this Ordinance, is approved. Council finds, determines and declares that the Obligations were sold to the highest bidder at terms that were the most advantageous reasonably obtained. One Obligation in the principal amount maturing on each maturity date as set out in PART 4 of this Ordinance shall be delivered to the Purchasers, and the Purchasers shall have the right to exchange such certificates as provided in PART 5 of this Ordinance without cost. Council ratifies use of the "Preliminary Official Statement" prepared in connection with the sale of the Obligations. Any accrued interest and premium received in connection with the sale of the Obligations shall be deposited to the Interest and Sinking Fund.

PART 15. INTEREST EARNINGS ON CONTRACTUAL OBLIGATIONS. Interest earnings derived from the investment of proceeds from the sale of the Obligations shall be used

along with other proceeds for the purpose for which the Obligations are issued set forth in Schedule I of this Ordinance; if after completion of the purpose, any interest earnings remain on hand, the interest earnings shall be deposited in the Interest and Sinking Fund. It is further provided that any interest earnings on contractual obligation proceeds which are required to be rebated to the United States of America pursuant to PART 11 of this Ordinance to prevent the Obligations from being arbitrage bonds shall be so rebated and not considered as interest earnings for the purposes of this PART.

PART 16. OFFICIALS AUTHORIZED TO ACT ON BEHALF OF THE CITY. The Mayor, the City Clerk, the City Manager, any Assistant City Manager, the Chief Financial Officer of the City or the Deputy Chief Financial Officer of the City, and all other officers, employees, and agents of the City, and each of them, shall be authorized, empowered, and directed to do and perform all acts and things and to execute, acknowledge, and deliver in the name and under the seal and on behalf of the City all instruments as may be necessary or desirable in order to carry out the terms and provisions of this Ordinance, the Obligations, the offering documents prepared in connection with the sale of the Obligations, or the Paying Agent/Registrar Agreement. In case any officer whose signature appears on any Obligation shall stop being the officer before the delivery of the Obligation, the signature shall nevertheless be valid and sufficient for all purposes if he or she had remained in office until the delivery.

PART 17. CONTRACTUAL UNDERTAKING WITH REGISTERED OWNER. The Issuer, by the acceptance of each of the Obligations, contractually obligates and commits itself to utilize the net proceeds available from the issuance and delivery of the Obligations, after payment of costs of issuance related to the Obligations, for the acquisition or purchase of the Property in accordance with terms and provisions of this Ordinance.

PART 18. CONTINUING DISCLOSURE OBLIGATION.

(a) Annual Reports. (i) The City shall provide annually to the MSRB, within six months after the end of each fiscal year ending in or after 2010, financial information and operating data with respect to the City of the general type included in the final Official Statement authorized by PART 14 of this Ordinance, being the information described in Exhibit B. Any financial statements to be provided shall be (1) prepared in accordance with the accounting principles described in Exhibit B, or other accounting principles as the City may be required to employ from time to time pursuant to state law or regulation, and (2) audited, if the City commissions an audit of such statements and the audit is completed within the period during which they must be provided. If the audit of the financial statements is not complete within this period, then the City shall provide unaudited financial statements by the required time, and shall provide audited financial statements for the applicable fiscal year to the MSRB, when and if the audit report on the statements becomes available.

(ii) If the City changes its fiscal year, it will notify the MSRB of the change (and of the date of the new fiscal year end) before the next date the City would be required to provide financial

information and operating data pursuant to this PART. The financial information and operating data to be provided pursuant to this PART may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB) that has been provided to the MSRB or filed with the SEC. Filings shall be made electronically, in the format prescribed by the MSRB.

(b) Material Event Notices. The City shall notify the MSRB, in a timely manner, of any of the following events with respect to the Obligations, if the event is material within the meaning of the federal securities laws:

1. Principal and interest payment delinquencies;
2. Non-payment related defaults;
3. Unscheduled draws on debt service reserves reflecting financial difficulties;
4. Unscheduled draws on credit enhancements reflecting financial difficulties;
5. Substitution of credit or liquidity providers, or their failure to perform;
6. Adverse tax opinions or events affecting the tax-exempt status of the Obligations;
7. Modifications to rights of holders of the Obligations;
8. Obligation calls;
9. Defeasances;
10. Release, substitution, or sale of property securing repayment of the Obligations; and
11. Rating changes.

The City shall notify the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with subsection (a) of this PART by the time required by subsection (a).

(c) Limitations, Disclaimers, and Amendments. (i) The City shall be obligated to observe and perform the covenants named in this PART for only so long as the City remains an "obligated person" with respect to the Obligations within the meaning of the Rule, except that the City will give written notice of any deposit made in accordance with this Ordinance, or applicable law, that causes any Obligation no longer to be outstanding.

(ii) The provisions of this PART are for the sole benefit of the holders and beneficial owners of the Obligations, and nothing in this PART, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this PART and does not undertake to provide any other information that may be relevant or material to a complete presentation of the City's financial results, condition, or prospects or to update any information provided in accordance with this PART or otherwise, except as expressly provided in this Ordinance. The City does not make any representation or warranty

concerning the information or its usefulness to a decision to invest in or sell Obligations at any future date.

(iii) UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY OBLIGATION OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS PART, BUT EVERY RIGHT AND REMEDY OF ANY PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

(iv) No default by the City in observing or performing its obligations under this PART shall comprise a breach of or default under this Ordinance for purposes of any other provision of this Ordinance. Nothing in this PART is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

(v) Should the Rule be amended to obligate the City to make filings with or provide notices to entities other than the MSRB, the City agrees to undertake such obligation in accordance with the Rule as amended.

(vi) The provisions of this PART may be amended by the City from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this PART, as amended, would have permitted an underwriter to purchase or sell Obligations in the primary offering of the Obligations in compliance with the Rule, taking into account any amendments or interpretations of the Rule since the offering as well as the changed circumstances and (2) either (a) the holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ordinance that authorizes an amendment) of the outstanding Obligations consent to the amendment or (b) a person that is unaffiliated with the City (such as nationally-recognized bond counsel) determines that the amendment will not materially impair the interest of the holders and beneficial owners of the Obligations. If the City amends the provisions of this PART, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) of this PART an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The City may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that the provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Obligations in the primary offering of the Obligations.

PART 19. DTC REGISTRATION. The Obligations initially shall be issued and delivered in the manner that no physical distribution of the Obligations will be made to the public, and DTC initially will act as depository for the Obligations. DTC has represented that it is a limited purpose

trust company incorporated under the laws of the State of New York, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered under Section 17A of the Securities Exchange Act of 1934, as amended, and the City accepts, but in no way verifies, the representations. The Obligations initially authorized by this Ordinance intended to be held by DTC shall be delivered to and registered in the name of CEDE & CO., the nominee of DTC. It is expected that DTC will hold the Obligations on behalf of the Purchasers and their participants. So long as each Obligation is registered in the name of CEDE & CO., the Paying Agent/Registrar shall treat and deal with DTC the same in all respects as if it were the actual and beneficial owner. It is expected that DTC will maintain a book-entry system which will identify ownership of the Obligations in Authorized Denominations, with transfers of ownership being effected on the records of DTC and its participants pursuant to rules and regulations established by them, and that the Obligations initially deposited with DTC shall be immobilized and not be further exchanged for substitute Obligations except as set forth in this Ordinance. The City and the Paying Agent/Registrar are not responsible or liable for any functions of DTC, will not be responsible for paying any fees or charges with respect to its services, will not be responsible or liable for maintaining, supervising, or reviewing the records of DTC or its participants, or protecting any interests or rights of the beneficial owners of the Obligations. It shall be the duty of the DTC Participants, as defined in the Official Statement, to make all arrangements with DTC to establish this book-entry system, the beneficial ownership of the Obligations, and the method of paying the fees and charges of DTC. The City does not represent, nor does it in any way covenant that the initial book-entry system established with DTC will be maintained in the future. Notwithstanding the initial establishment of the foregoing book-entry system with DTC, if for any reason any of the originally delivered Obligations is duly filed with the Paying Agent/Registrar with proper request for transfer and substitution, as provided for in this Ordinance, substitute Obligations will be duly delivered as provided in this Ordinance, and there will be no assurance or representation that any book-entry system will be maintained for the Obligations. In connection with the initial establishment of the foregoing book-entry system with DTC, the City has executed a "Blanket Letter of Representations" prepared by DTC in order to implement the book-entry system described above.

PART 20. DEFEASANCE. (a) Defeased Obligations. Any Obligation will be treated as a Defeased Obligation, except to the extent provided in subsection (d) of this PART, when payment of the principal of the Obligation, plus interest to the due date (whether the due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms of this Ordinance, or (ii) shall have been provided for on or before the due date by irrevocably depositing with or making available to the Paying Agent/Registrar in accordance with a Future Escrow Agreement for the payment of the Obligation (1) lawful money of the United States of America sufficient to make the payment or (2) Defeasance Securities, certified by an independent public accounting firm of national reputation to mature as to principal and interest in the amounts and at the times as will insure the availability, without reinvestment, of sufficient money to provide for the payment, and when proper arrangements have been made by the City with the Paying Agent/Registrar for the payment of its services until all Defeased Obligations shall have become due and payable. There shall be delivered to the Paying Agent/Registrar a certificate from a firm of certified public accountants certifying the sufficiency of the deposit made pursuant to clause (ii) above. The Paying Agent/Registrar shall also receive an opinion of bond counsel acceptable to the City that reflects this payment does not adversely affect the exclusion under the Code of interest on

the Defeased Obligations from the gross income of the holders for federal income taxation purposes. At the time as a Obligation shall be considered to be a Defeased Obligation, the Obligation and the interest on that Bond shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes levied and pledged as provided in this Ordinance, and the principal and interest shall be payable solely from the money or Defeasance Securities.

(b) Investment in Defeasance Securities. Any funds deposited with the Paying Agent/Registrar may at the written direction of the City be invested in Defeasance Securities, maturing in the amounts and times as set forth in this Ordinance, and all income from these Defeasance Securities received by the Paying Agent/Registrar that is not required for the payment of the Obligations and interest, with respect to which money has been deposited, shall be turned over to the City, or deposited as directed in writing by the City. Any Future Escrow Agreement pursuant to which the money and/or Defeasance Securities are held for the payment of Defeased Obligations may contain provisions permitting the investment or reinvestment of the moneys in Defeasance Securities or the substitution of other Defeasance Securities upon the satisfaction of the requirements described in subsections (a)(i) or (ii) of this PART. All income from the Defeasance Securities received by the Paying Agent/Registrar which is not required for the payment of the Defeased Obligations, with respect to which money has been so deposited, shall be remitted to the City or deposited as directed in writing by the City. The Paying Agent/Registrar shall not be liable for any loss pertaining to an investment executed in accordance with written instructions from the City.

(c) Paying Agent/Registrar Services. Until all Defeased Obligations shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for the Defeased Obligations as if they had not been defeased, and the City shall make proper arrangements to provide and pay for the services as required by this Ordinance.

(d) Selection of Contractual Obligations for Defeasance. In the event that the City elects to defease less than all of the principal amount of Obligations of a maturity, the Paying Agent/Registrar shall select, or cause to be selected, the amount of Obligations by the random method as it considers fair and appropriate.

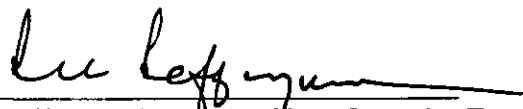

PART 21. RULES OF CONSTRUCTION. For all purposes of this Ordinance, unless the context requires otherwise, all references to designated PARTS and other subdivisions are to the PARTS and other subdivisions of this Ordinance. Except where the context otherwise requires, terms defined in this Ordinance to impart the singular number shall be considered to include the plural number and vice versa. The titles and headings of the PARTS and subsections of this Ordinance have been inserted for convenience of reference only and are not to be considered a part of this Ordinance and shall not in any way modify or restrict any of the Ordinance terms or provisions.

PART 22. CONFLICTING ORDINANCES REPEALED. All ordinances and resolutions or parts in conflict with this Ordinance are repealed.

PART 23. APPROPRIATION. The Issuer appropriates from current funds on hand, and directs the transfer to the Interest and Sinking Fund for the Obligations of, an amount of money sufficient, when added to the accrued interest received from the sale of the Obligations, to pay the principal and interest scheduled to come due on the Obligations on and before May 1, 2011.

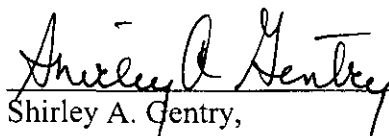

PART 24. IMMEDIATE EFFECT. In accordance with the provisions of V.T.C.A., Government Code, Section 1201.028, this Ordinance is effective immediately upon its adoption by the City Council.

ON THE MATURITY DATE specified above, THE CITY OF AUSTIN, TEXAS (the "Issuer"), in the Counties of Travis and Williamson, hereby promises to pay to the Registered Owner set forth above, or registered assigns (hereinafter called the "registered owner") the principal amount set forth above and to pay interest thereon from the Date of Delivery specified above, on May 1, 2011 and semiannually on each November 1 and May 1 thereafter to the maturity date specified above, at the interest rate per annum specified above; except that if this Contractual Obligation is required to be authenticated and the date of its authentication is later than the first Record Date (hereinafter defined), such principal amount shall bear interest from the interest payment date next preceding the date of authentication, unless such date of authentication is after any Record Date but on or before the next following interest payment date, in which case such principal amount shall bear interest from such next following interest payment date; provided, however, that if on the date of authentication hereof the interest on the Contractual Obligation or Contractual Obligations, if any, for which this Contractual Obligation is being exchanged or converted from is due but has not been paid, then this Contractual Obligation shall bear interest from the date to which such interest has been paid in full.

IN CONSIDERATION of the registered owner's acceptance hereof, which acceptance shall constitute the registered owner's assent hereto and to the terms and conditions of the ordinance authorizing the issuance of the Contractual Obligations (the "Ordinance"), the Issuer hereby unilaterally contracts with such registered owner that it will utilize the net available proceeds of the Contractual Obligations, after payment of the costs of issuance related thereto, to acquire or purchase the "Property" in accordance with the terms and provisions of the Ordinance.

THE PRINCIPAL OF AND INTEREST ON this Contractual Obligation are payable in lawful money of the United States of America, without exchange or collection charges. The principal of this Contractual Obligation shall be paid to the registered owner hereof upon presentation and surrender of this Contractual Obligation at maturity, or upon the date fixed for its redemption prior to maturity, at the designated corporate trust office in Houston, Texas (the "Designated Payment/Transfer Office") of Bank of Texas, N.A., which is the "Paying Agent/Registrar" for this Contractual Obligation. The payment of interest on this Contractual Obligation shall be made by the Paying Agent/Registrar to the registered owner hereof on each interest payment date by check or draft, dated as of such interest payment date, drawn by the Paying Agent/Registrar on, and payable solely from, funds of the Issuer required by the Ordinance to be on deposit with the Paying Agent/Registrar for such purpose as hereinafter provided; and such check or draft shall be sent by the Paying Agent/Registrar by United States mail, first-class postage prepaid, on each such interest payment date, to the registered owner hereof, at its address as it appeared on the fifteenth day of the month next preceding each such date (the "Record Date") on the Registration Books kept by the Paying Agent/Registrar, as hereinafter described. In addition, interest may be paid by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the registered owner. In the event of a non-payment of interest on a scheduled payment date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the Issuer. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each owner of a Contractual Obligation appearing on the Registration Books at the close of business on the last business day next preceding the date of mailing of such notice.

ANY ACCRUED INTEREST due at maturity shall be paid to the registered owner upon presentation and surrender of this Contractual Obligation for payment at the Designated Payment/Transfer Office. The Issuer covenants with the registered owner of this Contractual Obligation that on or before each principal payment date, interest payment date, and accrued interest payment date for this Contractual Obligation it will make available to the Paying Agent/Registrar, from the "Interest and Sinking Fund" created by the Ordinance, the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Contractual Obligations, when due.

IF THE DATE for the payment of this Contractual Obligation shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due. Notwithstanding the foregoing, during any period in which ownership of the Contractual Obligations is determined only by a book entry at a securities depository for the Contractual Obligations, any payment to the securities depository, or its nominee or registered assigns, shall be made in accordance with existing arrangements between the Issuer and the securities depository.

THIS CONTRACTUAL OBLIGATION is one of a Series of Contractual Obligations, dated the dated date specified above, authorized in accordance with the Constitution and laws of the State of Texas in the principal amount of \$16,450,000, FOR THE PURPOSE OF PAYING ALL OR A PORTION OF THE ISSUER'S CONTRACTUAL OBLIGATIONS TO BE INCURRED IN CONNECTION WITH THE ACQUISITION, PURCHASE OR FINANCING OF PERSONAL PROPERTY, IN ACCORDANCE WITH THE PROVISIONS OF THE PUBLIC PROPERTY FINANCE ACT, SEC. 271.001, ET SEQ., LOCAL GOVERNMENT CODE. ALL CONTRACTUAL OBLIGATIONS OF THIS SERIES are issuable solely as fully registered Contractual Obligations, without interest coupons, in the denomination of any integral multiple of \$5,000 (an "Authorized Denomination"). As provided in the Ordinance, this Contractual Obligation may, at the request of the registered owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate principal amount of fully registered Contractual Obligations, without interest coupons, payable to the appropriate registered owner, assignee or assignees, as the case may be, in any Authorized Denomination as requested in writing by the appropriate registered owner, assignee or assignees, as the case may be, upon surrender of this Contractual Obligation to the Paying Agent/Registrar for cancellation, all in accordance with the form and procedures set forth in the Ordinance. Among other requirements for such assignment and transfer, this Contractual Obligation must be presented and surrendered to the Paying Agent/Registrar, together with the proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Paying Agent/Registrar, evidencing assignment of this Contractual Obligation or any portion or portions hereof in any integral multiple of \$5,000 to the assignee or assignees in whose name or names this Contractual Obligation or any such portion or portions hereof is or are to be registered. The form of Assignment printed or endorsed on this Contractual Obligation may be executed by the registered owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Paying Agent/Registrar may be used to evidence the assignment of this Contractual Obligation or any portion or portions hereof from time to time by the registered owner. In the case of the assignment, transfer, conversion or exchange of a Contractual Obligation or Contractual Obligations or any portion or portions thereof, the reasonable standard or customary fees and charges of the Paying Agent/Registrar will be paid by the Issuer. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Paying Agent/Registrar shall not be required to make any such transfer, conversion or exchange during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or interest payment date.

IN THE EVENT any Paying Agent/Registrar for the Contractual Obligations is changed by the Issuer, resigns, or otherwise ceases to act as such, the Issuer has covenanted in the Ordinance that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the registered owners of the Contractual Obligations.

IT IS HEREBY certified, recited and covenanted that this Contractual Obligation has been duly and validly authorized, issued and delivered; that all acts, conditions and things required or proper to be performed, exist and be done precedent to or in the authorization, issuance and delivery

of this Contractual Obligation have been performed, existed and been done in accordance with law; that this Contractual Obligation is a limited tax obligation of the Issuer; and that annual ad valorem taxes sufficient to provide for the payment of the interest on and principal of this Contractual Obligation, as such interest comes due and such principal matures, have been levied and ordered to be levied against all taxable property in the Issuer, within the limit prescribed by law.

BY ACCEPTANCE of this Contractual Obligation, the registered owner assents to the terms and provisions of the Ordinance, a copy of which is on file in the official records of the Issuer, and the Contractual Obligation, agrees to be bound by such terms and provisions, and agrees that the terms and provisions of this Contractual Obligation and the Ordinance constitute a contract between each registered owner hereof and the Issuer.

IN WITNESS WHEREOF, the Issuer has caused this Contractual Obligation to be signed with the manual or facsimile signature of the Mayor of the Issuer and countersigned with the manual or facsimile signature of the City Clerk of the Issuer, and has caused the official seal of the Issuer to be duly impressed, or placed in facsimile, on this Contractual Obligation.
