

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website:

www.ci.austin.tx.us/development

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

Austin, Texas 78767-8810

Case Number: C14-2010-0097

I would like to contest this proposed zoning change for the following reasons:

1. Nothing has fundamentally changed since the last proposal to change the zoning of this house in 2008 (Case Number: C14-2008-0151) which was denied.
2. The house is a single-family residence that faces Highland Oaks Trail. See enclosed picture taken from Highland Oaks.
3. The Address and/or legal description was 11801 Highland Oaks from its construction in 1980's until the owners changed the legal address to 11777 Jollyville in 2008
4. If the front of the house is define by it street address then this lot fails the minimum setback for a Front yard of 25 feet for a LO zoning.
5. Changing the zoning of this home would increase traffic, noise and parking on Highland Oaks Trail near my current residence
6. A LO zoning would allow many uses with a possible building height of 3 stories which would disrupt this neighborhood.

Sincerely,

William Dees
11802 Highland Oaks Trail
Austin, Texas 78759

Comments:

This is a well established, thriving residential neighborhood with some houses dating back 50 years. Rezoning to LO will directly impact home values in a negative way. as well as diminish residential land value. This neighborhood combines original owners young families with small children, and first-time homebuyers. Residents desire to maintain the integrity of our neighborhood and its boundaries.

Comments: THIS RE-ZONING WAS ATTEMPTED & DROPPED LAST YEAR. STAFF SAID "NOT - ZAP SAID NO" - COUNCIL SAID NO. ARE WE GOING TO HAVE TO FIGHT THIS "ZOMBIE" EVERY YEAR. THIS EMAIL AND STAFF IS UNFAIR TO THE NEIGHBORHOOD. WHAT IS PARTICULARLY TRUING IS THE ASSUMPTION OF ZONING BEING GRANTED. THE OWNER PRE-DEVELOPED THIS HOME - COMPLETE WITH COMMERCIAL DOORS, PARKING LOT 2ND APPROACH AND EVEN A SIGN FOUNDATION WITH LIGHTING WHICH IS NOT ALLOWED BY THE CITY. THIS HOME IS SURROUNDED BY SINGLE FAMILY RESIDENCES - WHERE WOULD COMMERCIAL ENTER WITHOUT STAFF? THE OWNER SOMEHOW GOT THE ADDRESS CHANGED FROM "NIENAND COMES TO LULLVILLE" TO CHURCH. THE IMPRESSION IT'S COMMERCIAL - THE SIDE OF THE HOME IS ON JOLLYVUE AVE HAS NO ENTRANCE OR DO JOLLYVUE RD. DOES THE CITY BELIEVE THIS LEVEL OF CONFIDENCE? THE CURRENT OWNER IS THE MOTHER OF LAST YEARS APPLICANT. BECAUSE THIS PROPERTY WILL SET A BAD PRECEDENT THAT WILL ONLY RESULT IN FURTHER ENCROACHMENT. IF YOU USE THIS FORM TO COMMENT, IT MAY BE RETURNED TO YOU.

Comments: As residents of Highland Oaks Trail we almost 38

years, we have seen many changes in the area with the

expansion of the City of Austin. Our neighborhood has remained
a single family - oriented neighborhood with the benefit of the
integrity of the residents to keep it so. In the spirit of
2004 the zoning and planning commission and the city council
overwhelmingly voted to keep our neighborhood residential
(as the city's own Tollyville Road study intended). We
appreciate those decisions. It is our understanding that the
city council recently approved the zoning change to the same
entity that applied the rezoning in 2008-2009. We believe that
we see no justification for rezoning from single family
residence to any other designation.

Comments: We oppose rezoning a residential property to a commercial property. We feel there are plenty of commercial properties to place such a business. Traffic and parking on the residential streets are also an issue. Tollville is very busy and it does not need more businesses near the neighborhood streets.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website:

www.ci.austin.tx.us/development

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website:

www.ci.austin.tx.us/development

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Comments:

I strongly oppose the Chiropractor
Business because of several reasons.
Parking in our streets #1 -
Congestion on our streets, alley, etc.
More signs to cheapen the
neighborhood & decrease property
values, etc., etc.

Comments: Please help us save our neighborhood. I object to the rezoning. I don't want more traffic of Jollyville Rd, the stopping and starting, the additional noise, etc.

~~the~~ Protect our boundaries and keep our neighborhood safe, clean & quiet if this passes it will open up other homes to convert themselves to commercial and I do not want that. Thank you. feel free to call me.
