Prior Council Action: October 18, 2007- Council reauthorized the Austin Downtown PID and extended the DAA management contract.

The Downtown Austin Public Improvement District (PID) encompasses an area of approximately 650 acres, from I-35 westward to San Antonio Street and from Martin Luther King, Jr. Boulevard to south of Lady Bird Lake. The PID was created by the City Council April 15, 1993 to provide constant and permanent funding to implement certain downtown initiatives. Since then, the City has maintained a contract with the Downtown Austin Alliance to manage the Downtown PID.

This action will approve the proposed Austin Downtown Public Improvement District assessment rate and proposed roll for 2011. Approval of the proposed roll is necessary so that notices may be sent to the property owners, giving them an opportunity to review the property valuations prior to the public hearing. All previously approved exemptions and exclusions from assessments are retained in this year's roll. State law requires Council approval of a proposed roll. Council requested that this assessment process be timed so that it coincides with the receipt of other tax bills.

A related item sets a public hearing on Thursday, December 9, 2010 to consider the 2011 assessments for the Austin Downtown PID. State law requires a public hearing by Council to consider the proposed assessments. Each property owner has a right to appear at the hearing. The Downtown Austin Alliance submitted a 2011-2012 budget for the PID in the amount of \$2,785,721. This amount includes \$2,485,174 in 2011 assessments (at a 96% collection rate), \$88,699 in collections from 2010; \$61,848 interest accrued in the PID Account and late payments; and a \$150,000 annual contribution from the City of Austin (\$75,000 Austin Convention Center Fund, and \$75,000 in the Water & Wastewater Utility Fund). Approval of the proposed PID budget and the ordinance adopting an assessment rate and proposed assessment roll are the first steps in the annual process of approving PID assessments.
