On August 19, 2010, the Planning and Development Review Department approved an Outdoor Music Venue Permit (OMV) for a venue known as Irie Bean Coffee Bar at 2310 S. Lamar Blvd.

Mr. Rafael Robinson has appealed the hours that were agreed to with the Zilker Neighborhood Association prior to the issuance of the OMV permit. These hours are the same hours that are on the permits for other venues on Barton Springs Road.

Staff recommends denial of the appeal based on the applicant's agreement with the Zilker Neighborhood Association for these hours.
