

- Allocations Committee Meeting Minutes from Tuesday, January 24
- Meeting was called to order by the chair at 6:18pm
- Committee members in attendance: David Barstow, Amber Alvarez, and Victor Martinez.
- Reviewed the AA report: the committee raised their concerns. The chair will submit information requests to staff regarding these concerns.
- The committee discussed and agreed to wording regarding the Council's recommendation to the city to fund HIV/AIDS services with general funds:
- The Capital Area HIV Planning Council recommends the City funds the creation of an inventory of funding sources (both governmental and private) and service providers for HIV and AIDS in Central Texas.
- The Capital Area HIV Planning Council recommends the City uses the National HIV/AIDS Strategy to inform and provide guidance in deciding which services to fund. We recommend particular emphasis is placed on the first goal of said strategy, which is reducing the number of HIV infections.
- Meeting was adjourned at 7:06pm
