367 If an Authorized Representative determines that it is possible and desirable to
368 provide for a book-entry only system of Commercial Paper Note registration with DTC,
369 the Authorized Representative, acting for and on behalf of the City, is authorized to
370 approve, execute, and deliver a Letter of Representations to DTC and to enter into any
371 other agreement and execute any instrument as is necessary to implement a book-entry
372 only system, with approval to be conclusively evidenced by the execution by the
373 Authorized Representative of the agreement or instrument. Under the initial book-entry
374 only system with DTC, no physical Commercial Paper Note certificates will be delivered
375 to DTC. The execution and delivery to the Issuing and Paying Agent, as custodian for
376 DTC, of a master note (Master Note) with respect to the Commercial Paper Notes, is
377 approved. The ownership of the Commercial Paper Notes held in the book-entry-only
378 system shall be registered in the name of Cede & Co., as nominee of DTC, which will
379 serve as the initial securities depository for the Commercial Paper Notes. Ownership of
380 beneficial interests in the Commercial Paper Notes shall be shown by book-entry on the
381 system maintained and operated by DTC and DTC Participants, and transfers of
382 ownership of beneficial interests shall be made only by DTC and the DTC Participants by
383 book-entry. The City and the Issuing and Paying Agent have no responsibility for DTC's
384 book-entry system. DTC will be required to maintain records of the positions of the DTC
385 Participants in the Commercial Paper Notes, and the DTC Participants and persons acting
386 through the DTC Participants will be required to maintain records of the purchasers of
387 beneficial interests in the Commercial Paper Notes. During any period when a book-
388 entry only system is in effect, except as provided above, the Commercial Paper Notes
389 shall not be transferable or exchangeable, except for transfer to another securities
390 depository or to another nominee of a securities depository.

391 With respect to Commercial Paper Notes registered in the name of DTC or its
392 nominee, neither the City nor the Issuing and Paying Agent shall have any responsibility
393 or obligation to any DTC Participant or to any person on whose behalf a DTC Participant
394 holds an interest in the Commercial Paper Notes. Without limiting the immediately
395 preceding sentence, neither the City nor the Issuing and Paying Agent shall have any
396 responsibility or obligation with respect to (i) the accuracy of the records of DTC or any
397 DTC Participant with respect to any ownership interest in the Commercial Paper Notes,
398 (ii) the delivery to any DTC Participant or any other person, other than a registered owner
399 of the Commercial Paper Notes, as shown on the Registration Books, of any notice with
400 respect to the Commercial Paper Notes, and (iii) the payment to any DTC Participant or
401 any other person, other than a registered owner of the Commercial Paper Notes, as shown
402 in the Registration Books, of any amount with respect to principal of or interest on the
403 Commercial Paper Notes.

404 Whenever, during the term of the Commercial Paper Notes, the beneficial ownership
405 thereof is determined by a book entry at DTC, the requirements in the Ordinance of

holding, registering, delivering, exchanging, or transferring the Commercial Paper Notes shall be deemed modified to require the appropriate person or entity to meet the requirements of DTC as to holding, registering, delivering, exchanging, or transferring the book-entry to produce the same effect.

The City or DTC each may determine to discontinue the book-entry only system and, unless a new book-entry only system is put in place, physical certificates in the form set forth in **Section 10** shall be provided to the beneficial owners of the Commercial Paper Notes.

If at any time, DTC ceases to hold the Commercial Paper Notes, all references to DTC in the Ordinance shall be of no further force or effect.

Whenever the beneficial ownership of the Commercial Paper Notes is determined by a book-entry at DTC, delivery of Commercial Paper Notes for payment at maturity shall be made pursuant to DTC's payment procedures as are in effect from time to time and the DTC Participants shall transmit payment to beneficial owners whose Commercial Paper Notes have matured. The City and each of the Issuing and Paying Agent, the Bank and the Dealer are not responsible for transfer of payment to the DTC Participants or beneficial owners.

SECTION 4. COMMERCIAL PAPER NOTES. Commercial Paper Notes are authorized to be issued and sold and delivered from time to time in principal amounts as determined by an Authorized Representative in Authorized Denominations, numbered in ascending consecutive numerical order in the order of their issuance and to mature and become due and payable on the dates as an Authorized Representative shall determine at the time of sale; provided, however, that no Commercial Paper Note shall (i) mature after the Maximum Maturity Date or after the fifth Business Day prior to the Stated Expiration Date (as defined in the Letter of Credit), (ii) have a term in excess of two hundred seventy (270) calendar days or (iii) be issued in a manner that would cause the City to violate the covenants set forth in **Section 7**. The rules of the New York Clearinghouse shall apply. The instructions shall also contain provisions representing that all action on the part of the City necessary for the valid issuance of the Commercial Paper Notes then to be issued has been taken, that all provisions of Texas law necessary for the valid issuance of the Commercial Paper Notes have been complied with, and that the Commercial Paper Notes in the hands of the Holders will be valid and enforceable obligations of the City according to their terms, subject to the exercise of judicial discretion in accordance with general principles of equity and bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights to the extent constitutionally applicable. The instructions shall also certify that:

(i) no Event of Default under **Section 31** has occurred and is continuing as of the date of the instructions and that the Issuing and Paying Agent has not received a No Issuance Notice (as defined in the Agreement) and if a Restricted Issuance Notice (as defined in the Agreement) has been received, Commercial Paper Notes will not be issued in excess of maturing Notes;

(ii) the City has been advised by Bond Counsel that the projects to be financed with the proceeds of the Commercial Paper Notes will constitute Eligible Projects or that the obligations to be refunded were issued in connection with Eligible Projects;

517 amount of interest accrued or to accrue on the Commercial Paper Notes shall not exceed
518 the Commitment.

If Commercial Paper Notes are issued in book-entry only form pursuant to **Section 3**, they shall be issued in the form of the Master Note approved by council pursuant to the Ordinance, to which there shall be attached the form of Commercial Paper Note as prescribed above, and council declares that the provisions of the Commercial Paper Note are incorporated into and shall be a part of the Master Note. Council declares that the Ordinance and the form of Commercial Paper Note shall constitute the "underlying records" referred to in the Master Note. Notwithstanding the provisions of **Section 11**, the Master Note may be executed on behalf of the City with the manual signature of the City Manager or the Chief Financial Officer of the City.

SECTION 11: EXECUTION - AUTHENTICATION. Under authority granted by Section 1371.055, Texas Government Code, the Commercial Paper Notes shall be executed on behalf of the City by the Mayor, and attested by the City Clerk under its seal reproduced or impressed thereon, all as provided in **Section 10** (or in case of the Master Note, executed on behalf of the City by the City Manager or the Chief Financial Officer of the City). The signatures appearing on the Commercial Paper Notes (including the Master Note) may be manual or facsimile. Commercial Paper Notes bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the date of passage of the Ordinance are duly executed on behalf of the City, regardless of whether any individual ceases to hold office at the time of the initial sale and delivery of Commercial Paper Notes or at the time Commercial Paper Notes are delivered in future sales, exchanges and transfers, all as authorized and provided in Section 1371.055 and Chapter 1206, Texas Government Code.

No Commercial Paper Note shall be entitled to any right or benefit under the Ordinance, or be valid or obligatory for any purpose, unless there appears on the Commercial Paper Note a certificate of authentication executed by the Paying Agent/Registrar by manual signature, or, in the case of the Master Note, the Paying Agent/Registrar has executed the Master Note, and the execution of any Commercial Paper Note by the Paying Agent/Registrar is the only evidence necessary for the Commercial Paper Note to be duly certified or registered and delivered.

SECTION 12: NOTES MUTILATED, LOST, DESTROYED OR STOLEN. If any Commercial Paper Note shall become mutilated, the City, at the expense of the

683 Holder of the Commercial Paper Note, shall execute and deliver a new Note of like tenor
684 and number in exchange and substitution for the Note so mutilated, but only upon
685 surrender to the City of the Note so mutilated. If any Note shall be lost, destroyed or
686 stolen, evidence of the loss, destruction or theft may be submitted to the City and, if
687 evidence is satisfactory to it and indemnity satisfactory to it shall be given, the City, at
688 the expense of the owner, shall execute and deliver a new Note of like tenor in lieu of and
689 in substitution for the lost, destroyed or stolen Note. Neither the City nor the Paying
690 Agent/Registrar shall be required to treat both the original Note and any duplicate Note as
691 being outstanding for the purpose of determining the principal amount of Notes which
692 may be issued hereunder, but both the original and the duplicate Note shall be treated as
693 one and the same.

694 **SECTION 13: NEGOTIABILITY, REGISTRATION AND**
695 **EXCHANGEABILITY.** The obligations issued under the Ordinance shall be, and shall
696 have all of the qualities and incidents of, a negotiable instrument under the laws of the
697 State of Texas, and each successive Holder, in accepting any obligation, agrees that the
698 obligations shall be and have all of the qualities and incidents of a negotiable instrument
699 under the laws of the State of Texas.

700 The Registration Books relating to the registration, payment and transfer or
701 exchange of the Commercial Paper Notes shall at all times be kept and maintained by the
702 City at the Designated Office of the Registrar, and the Registrar shall obtain, record and
703 maintain in the Registration Books the name and address of each registered owner of the
704 Commercial Paper Notes, except for Commercial Paper Notes registered to bearer, issued
705 under the Ordinance, and the Registrar shall provide the information to the City as
706 described in **Section 3**. Any Commercial Paper Note may, in accordance with its terms
707 and the terms of the Ordinance, be transferred or exchanged for Commercial Paper Notes
708 of like tenor and character and in Authorized Denominations upon the Registration Books
709 by the Holder in person or by its duly authorized agent, upon surrender of the
710 Commercial Paper Note to the Registrar for cancellation, accompanied by a written
711 instrument of transfer or request for exchange duly executed by the Holder or by its duly
712 authorized agent, in form satisfactory to the Registrar.

713
714 Upon surrender for transfer of any Commercial Paper Note at the Designated
715 Office of the Registrar, the Registrar shall register and deliver, in the name of each
716 designated transferee (or to bearer, as appropriate), one or more new Commercial Paper
717 Notes executed on behalf of, and furnished by, the City of like tenor and character and in
718 Authorized Denominations and having the same maturity, bearing interest at the same
719 rate or rates and of a like aggregate principal amount as the Commercial Paper Note or
720 Commercial Paper Notes surrendered for transfer.

Commercial Paper Notes may be exchanged for other Commercial Paper Notes of like tenor and character and of Authorized Denominations and having the same maturity, bearing the same rate or rates of interest and of like aggregate principal amount as the Commercial Paper Notes surrendered for exchange, upon surrender of the Commercial Paper Notes to be exchanged at the Designated Office of the Registrar. Whenever any Commercial Paper Notes is surrendered for exchange, the Registrar shall register and deliver new Commercial Paper Notes of like tenor and character as the Commercial Paper Notes exchanged, executed on behalf of, and furnished by, the City to the Holder requesting the exchange.

The City and the Registrar may charge the Noteholder a sum sufficient to reimburse them for any expenses incurred in making any exchange or transfer after the first exchange or transfer. The Registrar or the City may also require payment from the Holder of a sum sufficient to cover any tax, fee or other governmental charge that may be imposed in relation thereto. These charges and expenses shall be paid before a new Commercial Paper Note shall be delivered.

New Commercial Paper Notes delivered upon any transfer or exchange shall be valid obligations of the City, evidencing the same debt as the Commercial Paper Notes surrendered, shall be secured by the Ordinance and shall be entitled to all of the security and benefits of the Ordinance to the same extent as the Commercial Paper Notes surrendered.

The City reserves the right to change the registration and transferability provisions of the Commercial Paper Notes at any time on or prior to the delivery of Commercial Paper Notes in order to comply with applicable laws and regulations of the United States in effect at the time of their issuance.

SECTION 14: CANCELLATION. All Commercial Paper Notes which at maturity are surrendered to the Paying Agent/Registrar for the collection of the principal and interest due and payable or are surrendered for transfer or exchange pursuant to the provisions of the Ordinance shall, upon payment or issuance of new Commercial Paper Notes, be cancelled by the Paying Agent/Registrar, and the Paying Agent/Registrar shall transmit to the City a certificate identifying the Commercial Paper Notes that have been duly cancelled and destroyed.

SECTION 15: FISCAL AND OTHER AGENTS. The City may from time to time appoint and provide for the payment of additional fiscal, paying or other agents and trustees as council determines are necessary or appropriate in connection with the Notes.

760 **SECTION 16: TAXABLE NOTE PAYMENT FUND.** The creation,
761 establishment and maintenance of a separate and special fund designated as the "**City of**
762 **Austin, Texas Combined Utility Systems Taxable Commercial Paper Note Payment**
763 **Fund**" (Taxable Note Payment Fund) with the Issuing and Paying Agent is confirmed.
764 Moneys on deposit in the Taxable Note Payment Fund shall be used to pay principal of
765 and interest on Commercial Paper Notes as the same shall become due and payable as
766 provided in the Ordinance and to repay any Drawings made pursuant to the Letter of
767 Credit. Amounts remaining in the Taxable Note Payment Fund not then necessary for the
768 payment of Commercial Paper Notes or Drawings may be transferred to the Taxable Note
769 Construction Account (created pursuant to **Section 17**) at the request of an Authorized
770 Representative.

771 The establishment and maintenance of a separate account within the Taxable Note
772 Payment Fund designated as the "Drawing Payment Account" for the receipt and
773 disbursement of all proceeds of Drawings made by the Bank under and pursuant to the
774 Letter of Credit is confirmed. All Drawings for the payment of the Notes shall be
775 deposited to the credit of the Drawing Payment Account, and the Drawings shall be used
776 only to pay the maturing principal of and interest on the Notes as the same shall become
777 due and payable. Any amount drawn under the Letter of Credit which is in excess of the
778 amount of principal and interest needed to pay maturing Notes shall be returned on the
779 same Business Day to the Bank and shall be held in trust for the Bank until so returned.

780 Pending the expenditure of moneys in the Taxable Note Payment Fund for
781 authorized purposes, the moneys may be invested at the direction of the City Treasurer,
782 or his designee, in Eligible Investments. Any income received from the investment of
783 moneys in the Taxable Note Payment Fund shall be credited to the Taxable Note
784 Payment Fund.

785 **SECTION 17: TAXABLE NOTE CONSTRUCTION ACCOUNT.** The creation,
786 establishment and maintenance of a separate account designated as the "**City of Austin,**
787 **Texas Combined Utility Systems Taxable Commercial Paper Note Construction**
788 **Account**" (Taxable Note Construction Account) is confirmed. The Taxable Note
789 Construction Account shall be held by the City with the City's depository bank, currently
790 JPMorgan Chase Bank, N.A. The City shall account for moneys deposited into the
791 Taxable Note Construction Account from Commercial Paper Notes issued. Moneys
792 deposited in the Taxable Note Construction Account shall be expended to pay for Project
793 Costs, and to refund Priority Lien Obligations or Notes issued in connection with Eligible
794 Projects as permitted in the Ordinance, and shall not be used for any other purpose,
795 except as provided below, and pending their expenditure, moneys therein may be
796 invested at the direction of the City Treasurer of the City or his designee in Eligible
797 Investments. Any investment income received shall be deposited, as received, into the

Electric Fund or the Water and Sewer Fund established by ordinances authorizing the issuance of the Prior Lien Bonds and shall not be considered an amount held in the Taxable Note Construction Account.

Amounts on deposit in the Taxable Note Construction Account designated by an Authorized Representative as eligible to pay interest during construction and up to one year after construction is completed may be transferred from time to time at the direction of an Authorized Representative to the credit of the Taxable Note Payment Fund for use in accordance with the terms of **Section 16**. Any amounts remaining in the Taxable Note Construction Account after the payment of all Project Costs shall be paid into the Taxable Note Payment Fund and used either for the payment of the maturities of the Commercial Paper Notes coming due as may be selected by an Authorized Representative or for the payment of Drawings. In the event no Commercial Paper Notes are outstanding and there are no outstanding Drawings or other amount owing to the Bank under the Agreement, any amounts in the Taxable Note Construction Account not anticipated to be needed to pay Project Costs shall be transferred to the debt service fund established for the payment of the Bonds, when issued.

SECTION 18: TAXABLE NOTE CREDIT FACILITIES ACCOUNT. The creation, establishment and maintenance of a separate account on the books and records of the City known as the "Taxable Commercial Paper Note Credit Facilities Payment Account" (Taxable Note Credit Facilities Account) is confirmed. The Taxable Note Credit Facilities Account shall be maintained while the Commercial Paper Notes are outstanding and it may be a separate banking fund or an account within an existing banking fund maintained for the payment of the Priority Lien Obligations. Moneys deposited to the credit of the Taxable Note Credit Facilities Account shall be expended solely for the repayment of Drawings and Term Amortizations made under and pursuant to the Letter of Credit and the Agreement.

SECTION 19: PLEDGE; PAYMENTS. The Notes are obligations of the City payable from and secured solely by the pledged funds pursuant to the Ordinance. The City agrees to make payments into the Taxable Note Payment Fund at the times and in the amounts as are necessary to provide for the full payment of the principal of and the interest on the Notes when due and the repayment of Drawings and Term Amortizations made under and pursuant to the Agreement.

To provide security for the payment of the principal of and interest on the Notes and any other amounts due under the Agreement as the same shall become due and payable, the City grants a lien on and pledge of, subject only to the provisions of the Ordinance permitting the application of the sources listed for purposes and on the terms and conditions set forth in the Ordinance, (i) the proceeds from (a) the sale of Bonds issued

837 and to be used to pay outstanding Notes and (b) the sale of Commercial Paper Notes
838 issued pursuant to the Ordinance and to be used to refund outstanding Commercial Paper
839 Notes, (ii) Drawings to be used to pay maturing Notes in accordance with the Ordinance
840 and the Agreement, (iii) the amounts held in the Taxable Note Payment Fund until those
841 amounts are used for authorized purposes (provided, however, amounts in the Drawing
842 Payment Account shall be used only to pay the principal of and interest on the
843 Commercial Paper Notes in full), (iv) the Pledged Revenues of the Systems, however,
844 being (a) on a parity with the lien and pledge securing the payment of the Series A Notes
845 and the Series A Advances and the lien and pledge securing the repayment of Drawings
846 and Term Amortizations made under and pursuant to the Letter of Credit and the
847 Agreement, and (b) subordinate to the lien on and pledge securing the payment of
848 Priority Lien Obligations, and (v) the amounts remaining on deposit in the Taxable Note
849 Construction Account after the payment of all Project Costs. Council declares that the
850 principal of and interest on the Notes, the repayment of Drawings and Term
851 Amortizations and any other amounts due under the Agreement shall be and are hereby
852 equally and ratably secured by and payable from a lien on and pledge of the sources
853 hereinabove identified in clauses (i), (ii), (iii), (iv) and (v) subject and subordinate only to
854 the exceptions noted above.

855
856 To provide security for the payment of the principal of and interest on Drawings,
857 Term Amortizations and other amounts due under the Agreement as the same shall
858 become due and payable, the City grants a lien on and pledge of the Pledged Revenues,
859 subject only to the provisions of the Ordinance permitting the application of Pledged
860 Revenues for purposes and on the terms and conditions set forth in the Ordinance; this
861 lien on and pledge of the Pledged Revenues and the lien and pledge securing the Series A
862 Notes and Series A Advances is subordinate only to the lien on and pledge of the Pledged
863 Revenues securing the payment of Priority Lien Obligations and the debt service and
864 reserve funds relating to the Priority Lien Obligations, and being on a parity and of equal
865 dignity with the lien and pledge securing the payment of the Notes and the Series A
866 Notes. Unless Drawings and Term Amortizations are paid from the proceeds of
867 Commercial Paper Notes or Bonds issued for that purpose, or amounts available in the
868 Taxable Note Payment Fund or the Taxable Note Construction Account, payments are to
869 be made from Pledged Revenues on deposit in the Taxable Note Credit Facilities
870 Account noted in **Section 18**.

871
872 Chapter 1208, Texas Government Code, applies to the issuance of the Notes and the
873 pledge of the Pledged Revenues granted by the City, and the pledge is valid, effective and
874 perfected. If Texas law is amended at any time while the Commercial Paper Notes are
875 outstanding such that the pledge of the Pledged Revenues granted by the City is to be
876 subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then
877 to preserve to the Noteholders the perfection of the security interest in the pledge, the

City agrees to take measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code, and enable a filing to perfect the security interest in the pledge to occur.

SECTION 20: FUNDS SECURED. Moneys in all funds and accounts, to the extent not invested, shall be secured in the manner prescribed by law for securing moneys of the City.

SECTION 21: REIMBURSEMENT AGREEMENT, BANK NOTE AND LETTER OF CREDIT. The Reimbursement Agreement, the Bank Note and the Letter of Credit in the amount of \$53,698,631 (\$50,000,000 being the maximum amount available to be drawn for the payment of principal on maturing Notes and \$3,698,631 being the maximum amount available to be drawn for the payment of interest on maturing Notes), substantially in the forms attached to the Ordinance as **Exhibit A**, are approved, and shall be entered into with the Bank. Upon the approval by the City Attorney, evidenced by executing the Reimbursement Agreement and the Bank Note, the City Manager is authorized to execute and deliver the Reimbursement Agreement and the Bank Note and any other related documents, and the City Clerk or Deputy City Clerk is authorized to place the City seal on these instruments.

The City also reserves the right to provide for an alternate credit facility (in substitution of the Letter of Credit and the Reimbursement Agreement) in the form and substance of a Revolving Credit Agreement, provided the terms and provisions of the Revolving Credit Agreement with respect to credit or liquidity and the amount and repayment of loans have been approved by council, and the Issuing and Paying Agent has been (i) delivered an executed copy of the Revolving Credit Agreement and (ii) furnished written evidence from any two (2) nationally recognized credit rating agencies which have assigned a rating on the Notes to the effect that (a) the ratings maintained by the credit agencies on the Notes will not be revised downward or withdrawn as a result of the surrender of the Letter of Credit and the delivery of the proposed Revolving Credit Agreement or (b) if the ratings assigned the Notes are revised downward by reason of the substitution of a Revolving Credit Agreement for the Letter of Credit, the ratings assigned to the Notes by at least two nationally recognized rating agencies will be one of the three (3) highest rating categories for short term obligations; provided, however, in all cases the Letter of Credit shall not expire or terminate prior to the date all Notes issued and secured by the Letter of Credit have been fully paid and retired.

The City also reserves the right to provide a substitute letter of credit with a different credit provider, provided the terms and provisions of the substitute letter of credit and reimbursement agreement have been approved by council, and the Issuing and Paying Agent has been (i) delivered an executed counterpart of the substitute letter of

919 credit and reimbursement agreement, and (ii) furnished written evidence from any two
920 nationally recognized credit rating agencies which have assigned a rating on the Notes to
921 the effect that (a) the ratings maintained by the credit agencies on the Notes will not be
922 revised downward or withdrawn as a result of the surrender of the Letter of Credit and the
923 delivery of the substitute letter of credit or (b) if the ratings assigned the Notes is revised
924 downward by reason of the substituted letter of credit for the Letter of Credit, the ratings
925 assigned to the Notes by at least two (2) nationally recognized rating agencies will be one
926 of the three (3) highest rating categories for short term obligations; provided, however, in
927 all cases the Letter of Credit shall not expire or terminate prior to the date all Notes
928 issued and secured by the Letter of Credit have been fully paid and retired.

929
930 The City reserves the right to issue Commercial Paper Notes without credit or
931 liquidity support, as provided in **Section 22(b)**.

932 **SECTION 22: MAINTENANCE OF AVAILABLE CREDIT FACILITIES**
933 **REQUIREMENT.** (a) Except as provided in **Section 22(b)**, the City covenants that at
934 all times up to and including the Maximum Maturity Date, unless the Commercial Paper
935 Notes are no longer outstanding, it will maintain credit facilities with banks, assuming
936 that all then outstanding Commercial Paper Notes were to become due and payable
937 immediately, in amounts available for borrowing under the credit facilities sufficient at
938 that time to pay principal and interest of all Commercial Paper Notes. No Commercial
939 Paper Note shall be issued which, if after giving effect to its issuance and, if applicable,
940 the immediate application of its proceeds to retire other Commercial Paper Notes secured
941 by the credit facility, the aggregate principal amount of all Commercial Paper Notes
942 secured by the credit facility would exceed the amount of the Commitment under the
943 credit facility. The availability for borrowing of amounts under the credit facilities may
944 be subject to reasonable conditions precedent, including, but not limited to, bankruptcy of
945 the City. In furtherance of this covenant, the City agrees that it will not issue any
946 Commercial Paper Notes or make any borrowings which will result in a violation of the
947 covenant, will not amend the Agreement in a manner which will cause a violation of the
948 covenant and, if and to the extent necessary to maintain compliance with the covenant,
949 will arrange for new credit facilities on or before the expiration of the Agreement.

950
951 (b) The provisions of **Section 22(a)** notwithstanding, council may amend the
952 Ordinance, in accordance with the provisions of **Section 35**, to provide that Commercial
953 Paper Notes issued under authority of the Ordinance may be issued without support of
954 liquidity and/or credit facilities. To exercise the authority reserved by this **Section 22(b)**,
955 the City shall provide written notice to the Dealer, the Issuing and Paying Agent and the
956 Rating Agencies (as defined in the Issuing and Paying Agent Agreement) of council's
957 determination to amend the Ordinance to permit Commercial Paper Notes to be issued
958 without liquidity and/or credit support. This notice shall be provided no later than ninety

(90) days prior to the proposed date council is to consider for adoption an ordinance amending the Ordinance for the purpose described in this **Section 22(b)**. The City shall cause written notice to be provided to the Noteholders no less than fifteen (15) days prior to the date council enacts the amendatory ordinance. No amendatory ordinance shall be adopted if, on or before the date council considers the amendatory ordinance, the ratings to be assigned to the Commercial Paper Notes not being supported by a liquidity and/or credit facility are lower than A-1 or its equivalent. Commercial Paper Notes issued under the Ordinance with liquidity and/or credit facility support shall be retired in full either through the issuance of Bonds or with the proceeds of Commercial Paper Notes issued without the support of a liquidity and/or credit facility.

SECTION 23: ORDINANCE TO CONSTITUTE A CONTRACT; EQUAL SECURITY. In consideration of the acceptance of the Notes by those who shall hold the same from time to time, the Ordinance constitutes a contract between the City and the Holders from time to time of the Notes and the Bank and the pledge made in the Ordinance by the City and the covenants and agreements set forth in the Ordinance to be performed by the City shall be for the equal and proportionate benefit, security and protection of all Holders of the Notes and the Bank, without preference, priority or distinction as to security or otherwise of any of the Notes authorized by the Ordinance over any of the others by reason of time of issuance, sale or maturity or otherwise for any cause, except as expressly provided in or permitted by the Ordinance or, with respect to Drawings, the Agreement.

SECTION 24: APPLICATION OF PRIOR COVENANTS.
