§

COUNTY OF TRAVIS

§

This Strategic Partnership Agreement (this "SPA") is between the **City of Austin, Texas**, a home-rule municipality located in Travis, Hays, and Williamson Counties, Texas ("the City") and **Cascades Municipal Utility District No. 1** (the "District"), a political subdivision of the State of Texas created under Chapter 8477, Subtitle F, Title 6, Texas Special District Local Laws Code (the "Enabling Legislation") and Chapters 49 and 54 of the Texas Water Code. Onion Associates, Ltd., a Texas limited partnership (the "Developer"), has joined in this SPA for the sole purpose of evidencing its consent to the City's annexation of its land, as contemplated by this SPA, and the provisions contained in **Exhibit C-1**. In this SPA, the City and, prior to the Conversion Date, as defined below, the District, and, after the Conversion Date, the Limited District are sometimes individually referred to as a "Party" and collectively referred to as the "Parties".

RECITALS

A. The District is a municipal utility district that has been created under the Enabling Legislation and currently contains 135.796 acres of land, as more fully described on the attached **Exhibit A** (the "Land"). The City has consented to the creation of the District by Ordinance No. 20140807-128 adopted August 7, 2014 (the "Consent Ordinance") and under the terms of the Consent Agreement between the City, the District and the Developer dated effective as of August 28, 2014 (the "Consent Agreement").

B. The Consent Agreement requires, among other things, that the District negotiate and enter into a strategic partnership agreement with the City setting forth the terms on which the District will continue to exist after the full-purpose annexation of the District by the City. The District desires to comply with that requirement through the approval and execution of this SPA.

C. The Enabling Legislation provides that (i) any agreement between the District and the City related to the City's consent to the creation of the District is valid and enforceable; and (ii) a strategic partnership agreement between the City and the District may provide for a term of any number of years and the term limitation contained in Section 43.0751(g)(2), Texas Local Government Code, does not apply to a limited district created under such a strategic partnership agreement.

D. The City and the District are authorized and desire to enter into this SPA to establish the terms and conditions upon which (i) the City will annex all of the land within the District for limited and full purposes, and (ii) following the full purpose annexation of all of the land within the District, the District will be converted to and operate as a limited district under Section 43.0751, Texas Local Government Code.

E. In accordance with Section 43.0751(d), Texas Local Government Code, the District has conducted two public hearings at which members of the public who wished to present testimony or evidence regarding this SPA were given the opportunity to do so, with the first public hearing being held at 10:00 a.m. on August 18, 2014, within the boundaries of the District at 11601 South

IH 35, and the second public hearing being held at 12 noon on August 25, 2014, at the offices of Armbrust & Brown, PLLC, 100 Congress Avenue, Suite 1300, Austin, Texas. Notice of the public hearings in the format required by Section 43.123(b) and Section 43.0751(d), Texas Local Government Code, was given on or after the 20th date before each public hearing. Following the public hearings, the Board of Directors of the District approved this SPA on August 25, 2014, in an open meeting held in accordance with Chapter 551, Government Code (the "Texas Open Meetings Act").

F. In accordance with Section 43.0751(d), Texas Local Government Code, the City has also conducted two public hearings at which members of the public who wished to present testimony or evidence regarding this SPA and the City's annexation of the Land were given the opportunity to do so, with the first public hearing being held at 4:00 pm on August 7, 2014, and the second public hearing being held at 4:00 pm on August 28, 2014, at Travis County Commissioner's Court, 700 Lavaca Street, Austin, TX. Notice of the public hearings in the format required by Sections 43.123(b), 43.0751(d), and 43.063(c), Texas Local Government Code, was given on or after the 20th date before each public hearing. Following the public hearings, the City Council of the City approved this SPA on August 28, 2014, in an open meeting held in accordance with the Texas Open Meetings Act.

NOW, THEREFORE, for and in consideration of the mutual agreements, covenants, and conditions contained in this SPA, and other good and valuable consideration, the City and the District agree as follows:

Upon the Conversion Date, the District will be converted to the Limited District, and will thereafter be known as Cascades Limited District No. 1. Section 5.02. Limited District Functions.

Following the Conversion Date, the Limited District will own, operate and maintain the Limited District Facilities and will have all powers necessary to do so, including all powers reasonably inferable to provide services related to the Limited District Facilities or to comply with the requirements of State law or this SPA which are applicable to the Limited District. The Limited District will not, however, have any powers which are not expressly set forth in this SPA, reasonably necessary to exercise the powers and provide the services set forth herein, or otherwise approved by the City. If the Limited District exercises or attempts, by formal Board action, to exercise any power not authorized by this SPA or otherwise approved by the City, the City will have the right to seek a writ of mandamus, prohibiting the Limited District from exercising or attempting to exercise any such power.

To the extent authorized by law, the Limited District will indemnify, defend, and hold harmless the City from any claims, demands, actions, and causes of action whatsoever arising out of or resulting from the Limited District's maintenance, operation, or ownership of the Limited District Facilities, the Limited District's performance of its functions described in this SPA, or the Limited District's maintenance, operations, or other activities on any property owned by the City. Nothing in this SPA will be deemed or construed to prohibit the Limited District from repairing or replacing any Limited District Facilities, or from modifying or upgrading any Limited District Facilities as may be required by applicable law or a regulation of any governmental entity with jurisdiction, or from accepting property contemplated to be conveyed to the District under the Consent Agreement or any Planned Unit Development approved by the City.

Section 5.08. Restrictive Covenants.

The Limited District may not, without the prior written approval of the City, impose any restrictive covenants on property owned by the Limited District, other than restrictive covenants required by the Consent Agreement or otherwise required or approved by the City. All restrictive covenants imposed by the Limited District on its property will be submitted to the PDRD Director and will be subject to his or her review and approval prior to execution and recordation, which approval will not be unreasonably withheld, conditioned, or delayed.

Section 5.09. Dissolution of the Limited District.

If, in any year, the Limited District fails to levy an operation and maintenance tax sufficient to perform its duties and functions as provided in this SPA, the Limited District may be unilaterally dissolved by the City, and no consent of the Limited District or any property owner in the Limited District will be required. ARTICLE VI.

DEFAULT AND REMEDIES FOR DEFAULT

Section 6.01. Notice of Default; Opportunity to Cure.

If a Party defaults in the performance of any obligation under this SPA, the nondefaulting Party may give written notice to the other Party, specifying the alleged event of default and extending to the defaulting Party 30 days from the date of the notice in order to cure the default complained of or, if the curative action cannot reasonably be completed within 30 days, 30 days to commence the curative action and a reasonable additional period to diligently pursue the curative action to completion.

Section 6.02. Dispute Resolution.

If any default is not cured within the curative period specified in Section 6.01, the Parties agree to use good faith, reasonable efforts to resolve any dispute among them by agreement, including engaging in mediation or other non-binding alternative dispute resolution methods, before initiating any lawsuit to enforce their respective rights under this SPA. The Parties will share the costs of any mediation or arbitration equally. The Parties further agree that the City is not obligated to resolve any dispute based on an arbitration decision under this SPA if the arbitration decision compromises the City's sovereign immunity.

Section 6.03. Other Legal or Equitable Remedies.

If the Parties are unable to resolve their dispute through mediation or arbitration, the nondefaulting Party will have the right to enforce the terms and provisions of this SPA by a suit seeking specific performance or such other legal or equitable relief as to which the nondefaulting Party may be entitled. Any remedy or relief described in this SPA will be cumulative of, and in addition to, any other remedies and relief available to such Party. The Parties acknowledge that the City's remedies will include the right, in the City's sole discretion, to terminate this Agreement and dissolve the Limited District.

Section 6.04. Reservation of Rights.

To the extent not inconsistent with this SPA, each Party reserves all rights, privileges and immunities under applicable law.

Section 6.05. Applicable Laws; Waiver of Sovereign Immunity Relating to Claims by the City.

Except as expressly set forth in this SPA, this SPA is not intended to waive or limit the applicability of laws, regulations and ordinances applicable to the District or the Limited District, nor does it waive the jurisdiction or sovereignty of any governmental body. Upon the issuance of bonds by the District, the District and the Limited District will be deemed to have waived sovereign immunity in connection with any suit by the City for the purpose of adjudicating a claim for breach of this SPA, as provided in the Enabling Legislation.

Section 6.06. Changes in Law Affecting the Rights of the City.

(a) The City may terminate this SPA, or seek any other remedy, on 30 days' written notice to the District or, after the Conversion Date, the Limited District, if, during the term of this SPA, the District or the Limited District directly sponsors, requests, lobbies for, or secures the adoption of state or federal legislation that impairs, undermines, restricts, eliminates, or otherwise adversely affects the rights of the City under this SPA.

(b) Notwithstanding Subsection (a), the District or Limited District's tender of comments or analyses with regard to proposed legislation or rules of a government agency affecting this SPA will not give rise to a right of the City to terminate this SPA pursuant to this Section.

ARTICLE VII.

This SPA may be executed in multiple counterparts. The District and the Developer each agree that, upon its execution of this SPA, it will be bound by this SPA; however, the obligations of the District and the Developer under this SPA are subject to the condition that the City execute this SPA and deliver a fully executed original to each of the District and the Developer on or before 5:00 p.m. on August 31, 2014, and to the approval of this SPA by the voters within the District as provided in Section 1.04.

Section 7.02. Entire Agreement.

There are no agreements, oral or written, between the Parties which are in conflict with this SPA. This SPA and the Consent Agreement, together with all attachments, constitute the entire agreement between the Parties with respect to the annexation of the District. Except as expressly provided by this SPA and the Consent Agreement, no representations or agreements other than those specifically included in this SPA and the Consent Agreement will be binding on the City, the Developer or the District.

EXHIBIT C

CITY OF AUSTIN ANNEXATION SERVICE PLAN

Case Name: Cascades MUD No. 1
Subject to the Strategic Partnership Agreement
Date: ____ day of _____, _____

INTRODUCTION

This Service Plan ("Plan") is made by the City of Austin, Texas ("City") in accordance with a Strategic Partnership Agreement ("SPA") between the City and Cascades Municipal Utility District No. 1 ("MUD") pursuant to Texas Local Government Code Section 43.0751. This Plan relates to the annexation to the City of land ("annexation area") known as the Cascades MUD No. 1 area. The MUD was created under Chapter 8477, Subtitle F, Title 6, Special District Local Laws Code, and Chapters 49 and 54 of the Texas Water Code. The annexation area is located in southeastern Travis County and is currently in the City's limited purpose jurisdiction.

The annexation area is described by metes and bounds in Exhibit A, which is attached to this Plan and to the annexation ordinance of which this Plan is a part. The annexation area is also shown on the map in Exhibit A.

EFFECTIVE TERM

This Plan shall be in effect for a ten-year period commencing on the effective date of the annexation, unless otherwise stated in this Plan. Renewal of this Plan shall be at the option of the City. Such option may be exercised by the adoption of an ordinance by the City Council, which refers to this Plan and specifically renews this Plan for a stated period of time.

INTENT

It is the intent of the City that services under this Plan shall provide full municipal services as described in Section 43.056 of the Texas Local Government Code.

The City reserves the right guaranteed to it by the Texas Local Government Code to amend this Plan if the City Council determines that changed conditions or subsequent occurrence or any other legally sufficient circumstances exist under the Local Government Code or other Texas laws to make this Plan unworkable or obsolete or unlawful.

SERVICE COMPONENTS

In General. This Plan includes three service components: (1) the Early Action Program, (2) Additional Services, and (3) a Capital Improvement Program.

As used in this Plan, providing services includes having services provided by any method or means by which the City extends municipal services to any other area of the City. This may include causing or allowing private utilities, governmental entities and other public service organizations to provide such services by contract, in whole or in part. It may also include separate agreements with associations or similar entities.

EARLY ACTION PROGRAM

The following services will be provided in the annexation area commencing on the effective date of the annexation, unless otherwise noted.

- a. Police Protection. The Austin Police Department ("APD") will provide protection and law enforcement services in the annexation area.
- b. Fire Protection. The Austin Fire Department ("AFD") will provide emergency and fire prevention services in the annexation area.
- c. Emergency Medical Service. The City of Austin/Travis County Emergency Medical Services ("EMS") Department will provide emergency medical services in the annexation area.
- d. Solid Waste Collection. The Austin Resource Recovery Department will provide services in the annexation area. Services will be provided by City personnel or by solid waste service providers under contract with the City.
- e. Maintenance of Water and Wastewater Facilities. Water and wastewater service will be provided to areas that are not within the certificated service area of another utility through existing City facilities located within or adjacent to the area, unless otherwise mutually agreed upon by the utilities. The facilities will be maintained and operated by Austin Water as governed by standard policies and procedures, and under the provisions of the attached City service extension policy as amended from time to time. Water and wastewater services to new development and subdivisions will be provided according to the standard policies and procedures of Austin Water, which may require the developer of a new subdivision or site plan to install water and wastewater lines. The extension of water and sewer service will be provided in accordance with the attached water and wastewater service extension policy as amended from time to time.
- f. Maintenance of Roads and Streets, Including Street Lighting. The Public Works Department will maintain public streets over which the City has jurisdiction.

The Transportation Department will also provide regulatory signage services in the annexation area.

Street lighting will be maintained in accordance with the City of Austin ordinances, Austin Energy criteria and state law. The City will maintain the street lights and pay for the electricity for any streetlights located within the public right-of-way that the MUD

maintained under the night watchman light program in place at the time of full purpose annexation.

- g. Maintenance of Parks, Playgrounds, and Swimming Pools. The Limited District Facilities and OA Amenities, as defined, in the SPA, including the Civic Reserve Community Center described in the Consent Agreement, will continue to be the assets and responsibilities of the Cascades Limited District No. 1 (the "Limited District") and Owners Association, respectively.

Recreational facilities and area amenities, including parks, pools, splash pads, community centers, and medians, that are privately owned, maintained, or operated will be unaffected by the annexation.

- h. Maintenance of Any Other Publicly-Owned Facility, Building, or Service. Should the City acquire any other facilities, buildings, or services necessary for municipal services located within the annexation area, an appropriate City department will provide maintenance services for them.

ADDITIONAL SERVICES

Certain services, in addition to the above services, will be provided within the annexation area if they are provided elsewhere in the city limits. They are as follows:

- a. Watershed Protection. The Watershed Protection Department will provide drainage services in accordance with and as limited by applicable codes, laws, ordinances and special agreements. Drainage planning and maintenance are fee-based services.
- b. Planning and Development Review. The Planning and Development Review Department will provide comprehensive planning, land development and building review and inspection services in accordance with and as limited by applicable codes, laws, ordinances and special agreements.
- c. Code Compliance. In order to attain compliance with City codes regarding land use regulations and the maintenance of structures, the City's Code Compliance Department will provide education, cooperation, enforcement and abatement relating to code violations
- d. Library. Upon annexation, residents may utilize all Austin Public Library facilities.
- e. Public Health, Social, and Environmental Health Services. The Austin/Travis County Health and Human Services Department will continue to work in partnership with the community to promote health, safety, and well being.
- f. Austin Energy. Austin Energy will continue to provide electric utility service to all areas which the City is authorized to serve by the Public Utility Commission of Texas.
- g. Anti-litter Services. The Austin Resource Recovery Department will provide anti-litter services in the annexed area. Anti-litter is a fee-based service.
- h. Other Services. All other City Departments with jurisdiction in the area will provide services according to City policy and procedure.

CAPITAL IMPROVEMENTS PROGRAM

The City will initiate the construction of capital improvements necessary for providing municipal services for the annexation area as necessary.

Each component of the Capital Improvement Program is subject to the City providing the related service directly. In the event that the related service is provided through a contract service provider, the capital improvement may not be constructed or acquired by the City but may be provided by the contract provider. The City may also lease buildings in lieu of construction of any necessary buildings.

The annexation area will be included with other territory in connection with planning for new or expanded facilities, functions, and services. No capital improvements are necessary at this time to provide the following services:

- Police Protection
- Fire Protection
- Emergency Medical Services
- Solid Waste Collection
- Water and Wastewater Facilities
- Roads and Streets
- Street Lighting
- Parks, Playgrounds and Swimming Pools
- Watershed Protection

SERVICES TO BE PROVIDED BY LIMITED DISTRICT

The Limited District created under the SPA will retain ownership of the Limited District Facilities, as more particularly described in the SPA. The Limited District shall be responsible for maintenance and any necessary capital improvements for all such Limited District Facilities. Maintenance services may be provided by Limited District personnel or by private service providers under contract with the Limited District.

SERVICES TO BE PROVIDED BY CITY IF LIMITED DISTRICT IS DISSOLVED

If the Limited District is dissolved or ceases to exist for any reason prior to the expiration of this Plan, title to all land and facilities owned by the Limited District shall vest in the City on the date of dissolution.

AMENDMENT: GOVERNING LAW

This Plan may not be amended or repealed except as provided by the Texas Local Government Code or other controlling law. Neither changes in the methods or means of implementing any part of the service programs nor changes in the responsibilities of the various departments of the City shall constitute amendments to this Plan, and the City reserves the right to make such changes. This Plan is subject to and shall be interpreted in accordance with the Constitution and laws of the United States of America and the State of Texas, the Texas Local Government Code, and the orders, rules and regulations of governmental bodies and officers having jurisdiction.

FORCE MAJEURE

In case of an emergency, such as force majeure as that term is defined in this Plan, in which the City is forced to temporarily divert its personnel and resources away from the annexation area for humanitarian purposes or protection of the general public, the City obligates itself to take all reasonable measures to restore services to the annexation area of the level described in this Plan as soon as possible. Force majeure shall include, but not be limited to, acts of God, acts of the public enemy, war, blockages, insurrection, riots, epidemics, landslides, lightning, earthquakes, fires, storms, floods, washouts, droughts, tornadoes, hurricanes, arrest and restraint of government, explosions, collisions and other inability of the City, whether similar to those enumerated or otherwise, which is not within the control of the City. Unavailability or shortage of funds shall not constitute force majeure for purposes of this Plan.

SUMMARY OF THE WATER AND WASTEWATER UTILITY SERVICE EXTENSION POLICY

The following information is a summary of Austin Water's Service Extension Policy, as set out in Chapters 25-1 through 25-5 and 25-9 of the Austin City Code, in conformance with the Texas Local Government Code requirement that the Plan have a summary of the service extension policy.

Water and wastewater service is only provided to lots that have been properly subdivided and platted or are a legal lot. For property that is required by subdivision regulations to construct water or wastewater facilities connecting to the City system, funding and construction of those facilities will remain the responsibility of the developer. If the specific undeveloped property does not have City water or wastewater service fronting the property, the owner may make an application for an extension of service to the Director of Austin Water for review. If the Director determines that adequate capacity is available, or will be, and if the project does not include City cost participation, and if the proposed facilities are a logical extension of the City's water and wastewater system and the requested extension otherwise meets the requirements of Chapter 25-9, the extension size, capacity, and routing may be approved by the Director for funding and construction by the developer.

If the City requires oversizing of the proposed facilities, with City Council approval, the City may reimburse the developer for the City's proportionate share of the cost of constructing certain facilities. The actual calculation of the cost participation amounts, including limits and the schedules for the payments, are included in the Land Development Code.

For lots served by an existing on-site well or septic system that have water or wastewater lines within 100 feet of the lot at the time of annexation, the owner will not be required to pay the impact fees if a tap permit is obtained by the property owner on or before the second anniversary of the date of annexation. For lots served by an existing well or septic system that do not have water or wastewater lines within 100 feet of the lot, the owner will not be required to pay the impact fees if a tap permit is obtained by the property owner on or before the second anniversary of the date of acceptance of the water or sewer line to within 100 feet of their lot. In either case the owner will still be required to pay other applicable connection fees.

As long as a property is using a septic system, the property owner remains responsible for the operation and maintenance of the septic system. If the septic system fails before the City sewer service is extended to the property, the property owner must repair the system. This policy is set by the City Council and can be amended in the future by ordinance.

Notwithstanding anything in the contrary herein, in case of any conflict between the provisions of Exhibit C-1 and this Service Plan, the provisions of Exhibit C-1 shall control.
