

**COMMUNITY DEVELOPMENT COMMISSION
RECOMMENDATION 20141014-04a**

Date: October 14, 2014

Subject: Change to the Responsible Organization for the St. John Neighborhood to hold the Nomination/Election for a Representative to the Community Development Commission

Motioned By: Commissioner Paup
Seconded By: Commissioner Mueller

Recommendation: The Community Development Commission passed a motion to support the proposal presented to change the responsible organization for the St. John neighborhood from the St. John Advisory Board to the St. John Neighborhood Association.

Background: City Code § 2-1-127, Exhibit B on the Community Development Commission currently specifies that the nomination/election process for St. John Neighborhood representative be held by the St. John Advisory Board.

The St. John Advisory Board is no longer able to serve in this capacity.

The St. John Neighborhood Association meets all requirements to serve as the responsible organization for this area and is interested in serving in this capacity to ensure representation on the Community Development Commission.

Health and Human Services Department staff recommended changing the responsible organization from the St. John Advisory Board to the St. John Neighborhood Association so that a nomination/election process for the St. John seat may be held to fill the vacant seat for this area.

Date of Approval: October 14, 2014
