Recommendation for Council Action

Austin City Council	Item ID	38437	Agenda Number	9.
---------------------	---------	-------	---------------	----

Meeting Date:	12/11/2014	Department:	Austin Energy
---------------	------------	-------------	---------------

Subject

Approve an ordinance amending the electric rate schedules of Ordinance No. 20140908-003 to add an expiration date of May 31, 2017 for all terms and conditions of electric service contracts with the State of Texas other than applicability of the fuel adjustment clause.

Amount and Source of Funding

Fiscal Note

There is no unanticipated fiscal impact. A fiscal note is not required.

Purchasing Language:	
Prior Council Action:	September 8, 2014 - Approved Ordinance No. 20140908-003, the Fiscal Year 2014-2015 City of Austin Fee Schedule.

Additional Backup Information

The requested action will extend Austin Energy's contracts with the State of Texas, including the University of Texas, under the Large Primary Service Special Contract Rider (II) until May 31, 2017, except that the applicability of the closed Fuel Adjustment Clause will continue to expire May 31, 2015. This action will not affect contracts with any other electric customers, and all long-term contracts with non-governmental electric customers shall continue to expire automatically no later than May 31, 2015.
