

RESOLUTION NO. 20150402-014

WHEREAS, development review and permitting are essential elements of an effective and efficient land development process, affecting everything from small home or business renovations to large commercial development; and

WHEREAS, the working draft of the Analysis of the Planning and Development Review Department by Zucker Systems (Zucker Report) confirms persistent delays in development review and permitting, a complex land development code, inconsistent code applications, and other serious organizational and process challenges and inefficiencies; and

WHEREAS, the delays and inconsistencies of Austin's development review and permitting process increase the cost and delay of small business expansion, and other desirable development, and inhibit the city's ability to respond to growing demand for housing, thus contributing in part to Austin's current affordability crisis; and

WHEREAS, the draft Zucker Report recommends numerous short-term and long-term actions to improve Austin's development review and permitting process; and

WHEREAS, the Austin City Manager has already taken some steps to resolve Austin's development review and permitting issues, including commissioning the Zucker Report, initiating the Code NEXT process, initiating organizational changes to the Planning and Development Review Department, and making progress toward acceptance of online payments; and

WHEREAS, the City of Austin currently provides an expedited permitting process through the S.M.A.R.T. Housing program, and as the permitting process is

being reviewed, the City Council would like to explore expanding and improving permitting programs that provide community benefits; and

WHEREAS, the Austin City Council desires even higher priority and greater attention given to fixing the challenges presented; **NOW, THEREFORE,**

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:
