Benefits/Qualitative Information

The TDHCA Board of Directors approved an award of tax credits for this project at its July 30, 2015 meeting, and AHFC's total loan amount would represent 7.4% of the total project cost. This apartment complex will be affordable to Low, and Very-Low income individuals and families; 8 units will be affordable to households with incomes at or below 30% Median Family Income (MFI), 32 units for incomes at or below 50% MFI, and 38 for incomes at or below 60% MFI. The 8 units at or below 30% MFI level will be Permanent Supportive Housing units, which offer additional services to individuals and families. 45 units will also be made accessible for persons with mobility disabilities, and at least 2 units will be made accessible for persons with hearing and sight disabilities. Additional services planned for LaMadrid include computer proficiency for adults and STEM (Science, Technology, Engineering, and Math) activities for children during the summer.
