Additional Backup Information

The proposed ordinance will create temporary "Keep Out" and "Slow-No Wake" navigation control zones for boats on Lake Austin during the PGA World Golf Championships-Dell Match Play event to be held at the Austin Country Club between March 17, 2016 and March 28, 2016. The temporary navigation control zones will be marked by buoys, placed as shown on the attached exhibits, which will be acquired by the PGA and deployed by the Lower Colorado River Authority. The temporary navigation control zones will be enforced by the Austin Police Department. Violators will be charged with a Class C misdemeanor.
