Additional Backup Information					
<p>The Texas Department of State Health Services (TDSHS) allocates federal pass-through funds for the sexually transmitted diseases (STD/HIV) Grant to assist the City's Health and Human Services Department (HHSD) to provide clinical and preventive services to the community to reduce the incidence of STDs. Program objectives focus on the reduction and elimination of syphilis, and the prevention and reduction of the HIV, gonorrhea, chlamydia and other STDs within Travis County.</p> <p>HHSD was granted an additional \$90,260 for Fiscal Year 2015-2016 to fund one full-time employee, a Data to Care Program Coordinator, who will identify, locate, and link care for those individuals who have had no HIV-medical care services, or been out of care for a minimum of six months. In addition, this employee will support the front line supervisor in complex and adverse case management situations. The additional funding brings the grant award to \$440,260, and will help achieve the goal of improving quality of life and reduce the years of potential life lost due to preventable conditions.</p> <p>No performance measures will be affected.</p> <p>The General Fund will not be required to contribute additional funds beyond those currently budgeted to this grant or to the funding of this position. When the grant funds expire, the Health and Human Services Department's need for this position will be evaluated and the position may be eliminated.</p>
