ZONING CHANGE REVIEW SHEET

CASE: C14-2015-0104 – Lenox Oaks

Z.A.P./P.C. DATE:
December 8, 2015
January 12, 2016
January 26, 2016

ADDRESS: Tracts 1&2: 444-456 Bastrop Hwy Southbound
Tract 3: 500 Bastrop Hwy Southbound
Tract 4: 434 Bastrop Hwy Southbound
Tract 5: 6705-6709 Ponca Street

DISTRICT AREA: 3

OWNER/APPLICANT: Tracts 1&2: 422 Bastrop Hwy, Ltd./Jimmy Nassour
Tract 3: 500 Bastrop Hwy, Ltd./Jimmy Nassour
Tract 4&5: Chase Equities, Inc./Jimmy Nassour

AGENT: Smith, Robertson, Elliott & Douglas, LLP/David Hartman

ZONING FROM: CS-NP, SF-3-NP, GO-NP, SF-2-NP TO: CS-MU-NP
acres AREA: 23.091

SUMMARY STAFF RECOMMENDATION:
Recommend CS-CO-NP, CS-MU-CO-NP, LR-MU-CO-NP, GO-MU-CO-NP, MF-2-CO-NP

The property is located along the South bound frontage of Bastrop Highway/US Highway 183 within the Montopolis Neighborhood Planning Area. It extends southwestward into the neighborhood and is bounded on the northwest by Civitan Park, Allison Elementary and single family residences, the Burdett Prairie Cemetery and Montopolis Practice Fields to the southwest, City of Austin Watershed Protection lands to the south and southeast, and vacant commercially zoned property to the east. A portion of the property is included in the Airport Overlay (AO-3) which prohibits residential use.

The applicant is proposing to develop the tract with a mixture of retail fast-food restaurants and approximately 356 multi-family residential units. The residential units will be a mixture of 1 (258), 2 (88) & 3 (10) bedroom units. The staff recommendation is intended to allow a transition of intensity from Bastrop Highway/US Highway 183 into the neighborhood. Residential use will be prohibited within the AO-3 portion of the property along Bastrop Highway/US Highway 183.

To address Austin Transportation Department (ATD) connectivity comments, the applicant is offering to provide a 12 foot bike/pedestrian access path to connect future improvements planned for Hwy 183 to city owned watershed protection property which includes the Montopolis Tributary Trail Network adopted as part of the Urban Trail Plan. In addition, ATD is recommending right-of-way dedication for the extension of Ponca Street through the property roughly west to east.
The following uses will be prohibited and included in a conditional overlay along with other provisions below:

Adult-oriented businesses
Agricultural sales and services
Bail bonds
Building maintenance services
Campground
Construction sales and services
Drop-off Recycling Facility
Kennels
Laundry services
Pawn shop services
Residential treatment
Scrap/Salvage
Vehicle Storage

-Dedication of a 12’ pedestrian/bicycle trail along the southern boundary to connect to the proposed future bikeway along HWY 183 to the east with the adjacent property owned by the City of Austin to enable connection with the proposed Montopolis Tributary trail to the south.
-Dedication of right-of-way for the extension of Ponca Street.
-Vegetative buffer along the north boundary adjacent to existing single family residences on Valdez Street.
-75’ vegetative buffer along the south property line adjacent to the cemetery.

PLANNING COMMISSION RECOMMENDATION:
DECEMBER 8, 2015 – POSTPONED TO JANUARY 12, 2016 AT THE REQUEST OF THE MONTOPOLIS NEIGHBORHOOD ASSOCIATION.
JANUARY 12, 2016 – POSTPONED TO JANUARY 26, 2016 BY STAFF FOR TRANSPORTATION ISSUES.
THIS CASE IS FORWARDED TO COUNCIL WITH NO RECOMMENDATION DUE TO A LACK OF AN AFFIRMATIVE VOTE.

DEPARTMENT COMMENTS: Staff recommends an alternative to the requested zoning category. Instead of a blanket CS-MU-NP, staff prefers the current step-back approach from Bastrop Highway into the Montopolis Neighborhood with the addition of mixed-use and an increase in density from SF-2-to MF-2. The Airport
Overlay (AO-3) prohibits residential use for much of the property fronting US Highway 183. The portion remaining CS-NP is within the Airport Overlay.

**ISSUES:**
This request requires a Neighborhood Plan Amendment (2015-0005.04). During the Neighborhood Plan Amendment public meeting residents of the existing mobile home community (Cactus Rose Mobile Home Park), who will be displaced with the redevelopment of these tracts, expressed concerns about their options for relocating, costs to move their homes, ability for their homes to withstand the move and their general treatment by the Cactus Rose operator. In response to these concerns, the applicant has proposed providing financial assistance for relocation to the residents.

Residents of the Montopolis neighborhood have concerns regarding new development taking access to Ponca street. City of Austin Transportation staff has requested that right-of-way be dedicated for the extension of Ponca street as well as a trail connection to the future bike lanes proposed in the TXSOT HWY 183 expansion. There are also discussions with AISD regarding traffic flow around Allison Elementary School. Currently, Ponca Street is one-way in front of the school (westbound).

During the Planning Commission hearing, Commissioners voiced concerns about the relocation proposal not being completed. There was considerable discussion and a motion to designate the area south of the proposed Ponca extension to MH providing a location for the Cactus Rose mobile homes. However that did not pass. There were also general concerns about ensuring long-term affordability in the project.

Service Station Repairs
Vehicle Storage

-Dedication of a 12' pedestrian/bicycle trail along the southern boundary to connect to the proposed future bikeway along HWY 183 to the east with the adjacent property owned by the City of Austin to enable connection with the proposed Montopolis Tributary trail to the south.
-Dedication of right-of-way for the extension of Ponca Street.
-Vegetative buffer along the north boundary adjacent to existing single family residences on Valdez Street.
-75' vegetative buffer along the south property line adjacent to the cemetery.
**BASIS FOR RECOMMENDATION**

Staff supports the addition of mixed use to the existing commercial districts because of the tracts’ location along US Highway 183 and adjacent civic uses (parkland and elementary school) and a step down of intensity into the neighborhood. The proposed low density multi-family (MF-2) is suitable adjacent to single family residences.

**EXISTING CONDITIONS**

*Site Characteristics*

The 23 acre site consists of five tracts. Currently these tracts consist of a Mobile home/RV park, seven single family homes and two duplexes for a total of 50 units. Approximately half of the property is undeveloped. An Austin Energy easement containing transmission lines runs diagonally through the back half.

**Montopolis Neighborhood Plan**

Please see associated Neighborhood Plan Amendment Case (NPA-2015-0005.03).

**NPZ Environmental Review - Mike McDougal 512-974-6380**

1. The site is not located over the Edwards Aquifer Recharge Zone. The site is in the Carson Creek Watershed, which is classified as a Suburban Watershed and the site is in the Colorado River Watershed, which is classified as an Urban Watershed. The site is in the Desired Development Zone.

2. In the suburban watershed portion of the property, development or redevelopment on this site will be subject to the following impervious cover limits:

<table>
<thead>
<tr>
<th>Development Classification</th>
<th>% of Gross Site Area</th>
<th>% of Gross Site Area with Transfers</th>
</tr>
</thead>
<tbody>
<tr>
<td>Single-Family</td>
<td>50%</td>
<td>60%</td>
</tr>
<tr>
<td>(minimum lot size 5750 sq. ft.)</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Other Single-Family or Duplex</td>
<td>55%</td>
<td>60%</td>
</tr>
<tr>
<td>Multifamily</td>
<td>60%</td>
<td>70%</td>
</tr>
<tr>
<td>Commercial</td>
<td>80%</td>
<td>90%</td>
</tr>
</tbody>
</table>

Zoning district impervious cover limits apply in the urban watershed classification.

3. According to floodplain maps there is no floodplain within or adjacent to the project location.

4. Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

5. Trees will likely be impacted with a proposed development associated with this rezoning case. Please be aware that an approved rezoning status does not eliminate a proposed development’s requirements to meet the intent of the tree ordinances. If further explanation or specificity is needed, please contact the City Arborist at 512-974-1876. At this time, site specific information is unavailable.
regarding other vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

6. At this time, no information has been provided as to whether this property has any preexisting approvals that preempt current water quality or Code requirements.

7. In the suburban watershed portion of the property, development or redevelopment requires water quality control with increased capture volume and control of the 2 year storm on site. In the urban watershed portion of the property, the site is required to provide on-site water quality controls (or payment in lieu of) for all development and/or redevelopment when 8,000 s.f. cumulative is exceeded and on site control for the two-year storm.

**DSD Transportation Review – Amanda Couch – 512-974-2881**

TR1. If the requested zoning is recommended for this site, 25 feet of right-of-way should be dedicated from the centerline of Ponca St. in accordance with the Transportation Criteria Manual, in order to accommodate traffic anticipated to be generated by this site. LDC, 25-6-55; TCM, Tables 1-7, 1-12.

TR2. Additional right-of-way maybe required at the time of subdivision and/or site plan for SH 183.

TR3. A traffic impact analysis is required and has been received. Additional right-of-way, participation in roadway improvements, or limitations on development intensity may be recommended based on review of the TIA. [LDC, Sec. 25-6-142]. Comments will be provided in a separate memo.

TR4. Nadia Barrera, Urban Trails, Public Works Department and Nathan Wilkes, Bicycle Program, Austin Transportation Department may provide additional comments regarding bicycle and pedestrian connectivity per the Council Resolution No. 20130620-056.

TR5. According to the Austin 2009 Bicycle Plan Update approved by Austin City Council in June, 2009, a bicycle facility is not identified on SH 183 or Ponca St.

TR6. Complete Streets review (Ord. # 2014-0612-119). The following recommendations are made as a condition on zoning:

a. Ponca St be extended and stubbed out to the opposing eastern property line. This will support future connectivity to the east.

b. Provide a north/ south pedestrian and bike access easement to connect the proposed 183 Tollway Trail to the north and the Montopolis Tributary Trail Network to the south.

TR7. Existing Street Characteristics:
### Water and Wastewater
The landowner intends to serve the site with City of Austin water and wastewater utilities. The landowner, at own expense, will be responsible for providing any water and wastewater utility improvements, offsite main extensions, utility relocations and or abandonments required by the land use. The water and wastewater utility plan must be reviewed and approved by the Austin Water Utility for compliance with City criteria and suitability for operation and maintenance. Depending on the development plans submitted, water and or wastewater service extension requests may be required. All water and wastewater construction must be inspected by the City of Austin. The landowner must pay the City inspection fee with the utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water and wastewater utility tap permit.

### Storm Water Detention
At the time a final subdivision plat, subdivision construction plans, or site plan is submitted, the developer must demonstrate that the proposed development will not result in additional identifiable flooding of other property. Any increase in storm water runoff will be mitigated through on-site storm water detention ponds, or participation in the City of Austin Regional Storm water Management Program if available.

### NPZ Site Plan Review - Rosemary Avila  512-974-2784

**SP1.** Site plans will be required for any new development other than single-family or duplex residential.

**SP2.** Any new development is subject to Subchapter E. Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted.

**SP3.** Any development which occurs in an SF-6 or less restrictive zoning district which is located 540-feet or less from property in an SF-5 or more restrictive zoning district will be subject to compatibility development regulations.

SP4. The site is subject to compatibility standards. Along the west and south property lines, the following standards apply:

· No structure may be built within 25 feet of the property line.
· No structure in excess of two stories or 30 feet in height may be constructed within 50 feet of the property line.
· No structure in excess of three stories or 40 feet in height may be constructed within 100 feet of the property line.
· No parking or driveways are allowed within 25 feet of the property line.
· A landscape area at least 25 feet wide is required along the property line. In addition, a fence, berm, or dense vegetation must be provided to screen adjoining properties from views of parking, mechanical equipment, storage, and refuse collection.

Additional design regulations will be enforced at the time a site plan is submitted.

SP5. This property is within both the Controlled Compatible Land Use Area and the Airport Overlay Zone, AO-3, defined by Chapter 241 of the Local Government Code. Airport hazards as defined in Federal Aviation Regulations Part 77, as adopted by the City in Section 25-13-23, are prohibited. Noise level reduction measures may be required for certain new structures. For more information, contact Joe Medici, Noise Abatement Officer at (512) 530-6652.

SUBJECT: Traffic Impact Analysis for Lenox Oaks (Nassour Tract)
Zoning Case No. C14-2015-0104

Section 25-6-113 of the Land Development Code requires that a traffic impact analysis be conducted for a project proposed with a zoning application if the project is anticipated to generate more than 2,000 daily trips. The project site is located in south central Austin, bounded by US Hwy 183 and Ponca Street. The anticipated build out year for this development is 2020.

Roadways

US Highway 183 near the vicinity of the site is a six lane divided major arterial roadway with a posted speed limit of 55 mph.

Thompson Lane is a two lane local street in the vicinity of the site with connection to US Hwy 183. The speed limit is 25 mph.

Montopolis Drive is a four lane major arterial roadway with a posted speed limit of 35 mph in the vicinity of its intersection with Ponca Street. Sidewalks are along both sides of Montopolis Drive approaching its intersection with Ponca Street.

Ponca Street is a local two lane street with a posted speed limit of 25 mph and a school zone speed limit of 20 mph in the immediate vicinity of Allison Elementary School. There are sidewalks provided along one side. Ponca Street operates as one-way between Vargas Road and Valdez Street in front of Allison Elementary School.

Vargas Road is a local two lane street with a posted speed limit of 25 mph and a school zone speed limit of 20 mph in the immediate vicinity of Allison Elementary School. There is on street parking and sidewalks along both sides of Vargas Street. The roadway is shown on the City of Austin Bicycle Map as “medium comfort.”

Valdez Street and Felix Avenue are two lane local streets in the vicinity of the site. The posted speed limit is 25 mph.

Lenox Oaks (Nassour Tract) TIA
C14 - 2015-0104
Trip Generation and Traffic Analysis

Based on the ITE publication Trip Generation, 9th Edition, the 360 apartment dwelling units (land use code 220) proposed, in combination with the approximately 4500 square feet of fast food restaurant (land use code 934), and the approximately 10,000 SF of shopping center (land use 820) will generate an estimated 6,508 additional vehicle trips per day (vpd). Table 1 below provides the unadjusted trip generation for the apartments and retail development proposed.

<table>
<thead>
<tr>
<th>Land Use</th>
<th>Size</th>
<th>Trip Generation</th>
</tr>
</thead>
<tbody>
<tr>
<td>Multi-family/Apartments</td>
<td>360 du</td>
<td>2305</td>
</tr>
<tr>
<td>Shopping Center</td>
<td>10,000 SF</td>
<td>1520</td>
</tr>
<tr>
<td>Fast food restaurant w/ drive-thru</td>
<td>4,500 SF</td>
<td>2233</td>
</tr>
<tr>
<td>Total trips</td>
<td></td>
<td>6058*</td>
</tr>
</tbody>
</table>

* This estimated number of trips is adjusted to 4,417 estimated daily trips after approved reductions and trip credits for existing development are taken into account.

Site traffic is expected to use US Highway 183, Montopolis Drive and West Vargas Road to access the site. The trip distribution percentages assign the majority of the generated trips to US Highway 183. Table 2 represents the expected distribution of the site generated trips:

<table>
<thead>
<tr>
<th>Street Name</th>

<td>3%</td>
</tr>
</tbody>
</table>

Recommendations

1. Applicant is to dedicate and construct the extension of Ponca Street to stub out at the eastern property line to facilitate connectivity to the site and for future connection.

2. Applicant to provide complete sidewalk connection along both sides of Ponca Street for improved pedestrian access to and from the site, including ADA compliant ramps and crosswalks for intersections. Sidewalk improvements shall be built to City of Austin Standards. Exact locations and limits shall be determined at the time of site plan and shall be reviewed by the Austin Transportation Department.

3. Applicant to obtain approval from TxDOT for the proposed point of access along frontage of US 183.

4. Applicant to provide for a north/ south pedestrian and bicycle trail to connect the proposed 183 Tollway Trail to the north and the Montopolis Tributary Trail Network to the south. The trail shall be built to City of Austin standards and shall be recorded in a public access easement. Exact locations and dimensions shall be determined at the time of site plan and shall be reviewed by the Urban Trails Division.
5. A cost estimate for all of the recommended improvements must be sealed by a licensed professional engineer. This development will be required to mitigate all identified impact due to increased traffic accessing the site and the applicant must post its pro-rata share of the recommended improvements, unless the improvement is fully funded. A table identifying the participation of the applicant will be established in the final version of the TIA.

6. Applicant to provide a revised TIA to incorporate the above recommendations.

7. Development of this property should not vary from the approved uses, nor exceed the approved intensities and estimated traffic generation assumptions within the TIA document, including land uses, trip generation, trip distribution, traffic controls and other identified conditions.

If you have any questions or require additional information, please contact me (512) 974 - 2208.

EDUCATIONAL IMPACT STATEMENT

PROJECT NAME: Lenox Oaks
ADDRESS/LOCATION: 434-500 Bastrop Hwy., 6705 – 6709 Ponca St.
CASE #: C14-2015-0104

□ NEW SINGLE FAMILY □ DEMOLITION OF MULTIFAMILY
□ NEW MULTIFAMILY □ TAX CREDIT

# SF UNITS: STUDENTS PER UNIT ASSUMPTION
Elementary School: _______ Middle School: _______ High School: _______

# MF UNITS: STUDENTS PER UNIT ASSUMPTION
Elementary School: 0.124 Middle School: 0.035 High School: 0.071

IMPACT ON SCHOOLS

The proposed multifamily development is located within both Austin ISD and Del Valle ISD. This Educational Impact Statement reflects the total number of apartments (356) due to the proximity of the proposed development to Allison Elementary School and the District’s policy to allow out-of-district transfers into schools with availability.

The district-wide student yield factor (across all grade levels) is 0.23 per apartment. Using this district-wide average, the multifamily development is projected to add approximately 82 students across all grade levels to the projected student population. It is estimated that of the 82 students, 44 will be assigned to Allison Elementary School, 13 to Martin Middle School, and 25 at Eastside Memorial High School.

The percent of permanent capacity by enrollment for SY 2019-20, including the additional students projected with this development, would be within the target range of 75-115% for Allison (92%), assuming the mobility rates remain the same. The projected additional students at Martin MS and Eastside Memorial HS would help to offset the anticipated decline in student enrollment (due to demographic shifts in the area). This would result in a percent of permanent of permanent capacity by enrollment of 57% at Martin MS and 43% at Eastside Memorial HS for SY2019-20, assuming the mobility rates remain the same. All of these schools will be able to accommodate the projected additional student population from the proposed development.

TRANSPORTATION IMPACT

The transportation impact analysis is based on the number of multifamily units (116) located only within the Austin ISD because the district does not provide transportation for out-of-district transfers. Based on 116 multifamily units, it is estimated that 14 students will be assigned to Allison ES, 4 to Martin MS, and 8 to Eastside Memorial HS. Allison ES is located within 2 miles of the proposed development; therefore students would not qualify for transportation unless a hazardous route condition was identified. Students within the proposed
development attending Martin MS and Eastside Memorial HS will qualify for transportation due to the distance from the proposed development to the schools. Existing buses should be able to accommodate the additional students.

SAFETY IMPACT

There are no known safety impacts at this time.

*The 5-Year Projected Enrollment (with and without the proposed development) is an estimate calculated with the assumption that the stated mobility rates (transfers in and out of the school) remain the same over the 5-year period. These estimates are for the sole purpose of the Educational Impact Statement and should not be used for any other purposes.*
TO: Mayor Steve Adler, Mayor Pro Tem Tovo and Council Members Houston, Garza, Renteria, Cortez, Kitchen, Zimmerman, Pool, Troxclair and Gallo

From: Montopolis Neighborhood Plan Contact Team- Susana Almanza, President

Date: February 8th, 2016

Subject: Opposition to ZONING CASE: C14-2015-01012015-005 & PLAN AMENDMENT CASE: NPA-2015-005.04. Property addresses: 6705, 6707, 6709 Ponca Street; 434 Bastrop Hwy SB; 444, 446, 448, 450, 452, 454, 456 Bastrop Hwy SB; 500 Bastrop Hwy SB (23.091 acres)

The Montopolis Neighborhood Contact Team realizes that the Lenox Oak proposed project is more than just a zoning case. This is a major case of displacement and gentrification! This case is also an environmental justice case, because low-income and people of color will be displaced by high scale housing development. The commercial zoning characterizing this part of Montopolis was an environmental injustice. The area has been occupied since the 1970s by families. Their homes were allowed to exist in zoned Commercial Service and General Office instead of changing the zoning to Mobile Homes and/or single family zoning designation.

The Montopolis Neighborhood Plan Contact Team recommends that this zoning case be reviewed by the Environmental Board. The Contact Team is concerned with the environmental impact on the larger Montopolis community. This level of intensive land development would involve massive devegetation and the installation of large amounts of impervious cover on lots where the current impervious cover percentage is zero to 10%. This project would pose significant environmental burdens for the existing population, in terms of both air quality and the exacerbation of flooding, as well as other environmental concerns. Moreover, the existing stormwater infrastructure cannot accommodate the present, much less future levels of development. Montopolis has witness flooding during several rain storms. In October 2015, Vargas Road was shut down due to massive flooding.

We are also concerned about the impact on the Burditt Prairie cemetery. The new proposed development would be adjacent to Burditt Prairie cemetery.

The Montopolis community is concerned with the high volume traffic this development will bring to the small streets in Montopolis and the negative impact on Allison Elementary School. Traffic will exit through Ponca Street and/or Valdez and then all traffic to proceeds to Vargas Road or Montopolis Drive. These two street currently service the entire Montopolis community. Parents dropping off or picking up their children at Allison Elementary will have to deal with the high volume of traffic coming from the development of 356 apartment units and retail development. Also, there are no traffic signals on Vargas Road.

The Contact Team also recommends that this zoning case be reviewed by the Community Development Commission. Over 50 families will be displaced by this proposed project. The current site is home to some of the most affordable housing in the entire city of Austin. The current Lenox Oaks project offers zero percent of affordable housing.

The Montopolis Neighborhood Contact Team opposes the zoning change and changing the FLUM of our neighborhood plan. We want to keep our current single family zoning on this site. The contact Team opposes any loss of Single Family 2 & 3 zoning.
PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application’s hearing to a later date, or may evaluate the City staff’s recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin’s land development process, visit our website: www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission’s name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

INFORMACIÓN DE AUDIENCIA PÚBLICA

Esta petición de zonificación / rezonificación será repasada y acción será tomada de acuerdo a dos audiencias públicas: ante la Comisión de Usos Urbanos y el cabildo municipal. Aunque solicitantes y/o sus agentes se les requiere atender la audiencia pública, usted no está bajo requisito de atender. De todos modos, si usted atiende la audiencia pública, tendrá la oportunidad de hablar a FAVOR o EN CONTRA al propuesto desarrollo urbano o cambio de zonificación. Usted también puede contactar a una organización de protección al medio ambiente u organización de vecinos que haya expresado interés en la aplicación teniendo implicaciones a su propiedad.

Durante la audiencia pública, la comisión podría postergar o continuar audiencia del caso en una fecha futura, o puede evaluar la recomendación de los oficiales municipales y las del público al mismo tiempo mandando su recomendación al cabildo municipal. Si la comisión anuncia una fecha y hora específica para postergar o continuar discusión, y no se extiende más de 60 días, no tendrá obligación de otra notificación pública.

El cabildo municipal, durante su audiencia pública, puede otorgar o negar una petición de zonificación, rezonificar el terreno a una clasificación de zonificación menos intensiva que lo que es pedido. En ningún caso se otorgara una clasificación de zonificación más intensiva de la petición.

Para otorgar un desarrollo de usos urbanos mixtos, el cabildo municipal puede agregar la designación USO MIXTO (MU) DISTRITO COMBINADO, Mixed-use (MU) Combining District, a ciertos usos urbanos de comercio. La designación MU- Distrito Combinado simplemente permite usos urbanos residenciales en adición a los usos ya permitidos el los siete distritos con zonificación para comercio. Como resultado, la designación MU- Distrito Combinado, otorga la combinación de oficinas, comercio, y usos urbanos residenciales en el mismo sitio.

Para más información acerca del proceso de desarrollo urbano de la ciudad de Austin, por favor visite nuestra página de la Internet: www.austintexas.gov/planning.

Comentarios escritos deberán ser sometidos a la comisión (o a la persona designada en la noticia oficial) antes o durante la audiencia pública. Sus comentarios deben incluir el nombre de la comisión, la fecha de la audiencia pública, y el número de caso de la persona designada en la noticia oficial.

Durante la audiencia pública, la comisión podría postergar o continuar audiencia del caso en una fecha futura, o puede evaluar la recomendación de los oficiales municipales y las del público al mismo tiempo mandando su recomendación al cabildo municipal. Si la comisión anuncia una fecha y hora específica para postergar o continuar discusión, y no se extiende más de 60 días, no tendrá obligación de otra notificación pública.

El cabildo municipal, durante su audiencia pública, puede otorgar o negar una petición de zonificación, rezonificar el terreno a una clasificación de zonificación menos intensiva que lo que es pedido. En ningún caso se otorgará una clasificación de zonificación más intensiva de la petición.

Para otorgar un desarrollo de usos urbanos mixtos, el cabildo municipal puede agregar la designación USO MIXTO (MU) DISTRITO COMBINADO, Mixed-use (MU) Combining District, a ciertos usos urbanos de comercio. La designación MU- Distrito Combinado simplemente permite usos urbanos residenciales en adición a los usos ya permitidos en los siete distritos con zonificación para comercio. Como resultado, la designación MU- Distrito Combinado, otorga la combinación de oficinas, comercio, y usos urbanos residenciales en el mismo sitio.

Para más información acerca del proceso de desarrollo urbano de la ciudad de Austin, por favor visite nuestra página de la Internet: www.austintexas.gov/planning.
INFORMACIÓN DE AUDIENCIA PÚBLICA

Esta petición de zonificación / rezonificación será repasada y acción será tomada de acuerdo a dos audiencias públicas: ante la Comisión de Usos Urbanos y el cabildo municipal. Aunque solicitantes y/o su(s) agente(s) se les requiere atender la audiencia pública, usted no está bajo requisito de atender. De todos modos, si usted atiende la audiencia pública, tendrá la oportunidad de hablar a FAVOR o EN CONTRA al propuesto desarrollo urbano o cambio de zonificación. Usted también puede contactar a una organización de protección al medio ambiente y organización de vecinos que haya expresado interés en la aplicación teniendo implicaciones a su propiedad.

Durante la audiencia pública, la comisión podrá postergar o continuar audiencia del caso en una fecha futura, o puede evaluar la recomendación de los oficiales municipales y las del público al mismo tiempo mandando su recomendación al cabildo municipal. Si la comisión anuncia una fecha y hora específica para postergar o continuar discusión, y no se extiende más de 60 días, no tendrá obligación de otra notificación pública.

El cabildo municipal, durante su audiencia pública, puede otorgar o negar una petición de zonificación, rezonificar el terreno a una clasificación de zonificación menos intensiva que la que es pedida. En ningún caso se otorgara una clasificación de zonificación más intensiva de la petición.

I am totally opposed to this case.

This case is going to leave my family (to include 6 children) without a place to live. This home is the only place we have to live. This also interrupts the education of the 5 of my school aged children; the baby is only 8 months old.

I ask you to please not take us from here.

If you pass this change of zoning, you will be affecting about 50 families.

Families that equal to about 200 – 300 people.

Will these families be helped in the relocating process in such a short amount of time?
The Montopolis Community Alliance  a neighborhood association
December 1, 2015

To All Interested Parties,

   The purpose of this letter is to notify any interested party that the majority of the members of the Montopolis Community Alliance are in full support of the:
   1) Zoning change requested for Zoning Case C14-2015-0104
   2) FLUM change NPA-2015-005.4_BWFLUM

If you have any additional comments or questions; please feel free to contact us.

Thank you for your consideration,

TO: Mayor Steve Adler, Mayor Pro Tem Tovo and Council Members Houston, Garza, Renteria, Cortez, Kitchen, Zimmerman, Pool, Troxclair and Gallo. Andrew Moore, Neighborhood Planning Department

From: Larch Terrace Neighborhood Association- Librado Almanza, President

Date: February 8th, 2016

Subject: Opposition to ZONING CASE: C14-2015-01012015-005 & PLAN AMENDMENT CASE: NPA-2015-005.04. Property addresses: 6705, 6707, 6709 Ponca Street; 434 Bastrop Hwy SB; 444, 446, 448, 450, 452, 454, 456 Bastrop Hwy SB; 500 Bastrop Hwy SB (23.091 acres)

The Larch Terrace Neighborhood Association opposes the Zoning and FLUM change for the Lenox Oaks Project, Case number C14-2015-01012015 and Neighborhood Plan Amendment 2015-005.04.

This zoning and FLUM request will negatively impact the Montopolis community and doesn't adhere to our Montopolis Neighborhood Plan adoption.

1. We oppose the loss of some of the most affordable housing in all of Austin. We oppose the gentrification and displacement of low-income and people of color from the Montopolis community. The Lenox Oaks Project offers no housing affordability. Over 50 families will be displaced by this zoning and FLUM request. We support keeping families together and in a community they love and call home.

2. We are concerned with the environmental impact on the larger Montopolis community. This level of intensive land development would involve massive devegetation and the installation of large amounts of impervious cover on lots where the current impervious cover percentage is zero to 10%. This project would pose significant environmental burdens for the existing population, in terms of both air quality and the exacerbation of flooding, as well as other environmental concerns. Moreover, the existing stormwater infrastructure cannot accommodate the present, much less future levels of development. Montopolis has witness flooding during several rain storms. In October 2015, Vargas Road was shut down due to massive flooding.

3. We are concerned with the high volume traffic this development will bring to the small streets in Montopolis and the negative impact on Allison Elementary School. Traffic will exit through Ponca Street and/or Valdez and then all traffic proceeds to Vargas Road or Montopolis Drive. These two street currently service the entire Montopolis community. Parents dropping off or picking up their children at Allison Elementary will have to deal with the high volume of traffic coming from the development of 356 apartment units and retail development. Also, there are no traffic signals on Vargas Road.

We ask that the City Council to support the residents at Cactus Rose Trailer Park. Please don't displace the families. Please oppose the zoning change and NPA.
The Vargas Neighborhood Association opposes the Zoning and FLUM change for the Lenox Oaks Project, Case number C14-2015-01012015 and Neighborhood Plan Amendment 2015-005.04.

This zoning and FLUM request will negatively impact the Montopolis community and doesn’t adhere to our Montopolis Neighborhood Plan adoption.

We ask that the City Council to support the residents at Cactus Rose Trailer Park. Please don’t displace the families. Please oppose the zoning change and NPA.
PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application’s hearing to a later date, or may evaluate the City staff’s recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin’s land development process, visit our website: www.austintexas.gov/planning.
INFORMACIÓN DE AUDIENCIA PÚBLICA

Esta petición de zonificación / rezonificación será repasada y acción será tomada de acuerdo a dos audiencias públicas: ante la Comisión de Usos Urbanos y el cabildo municipal. Aunque solicitantes y/o sus(ase) ente(s) se les requiere atender la audiencia pública, usted no está bajo requisito de atender. De todos modos, si usted atiende la audiencia pública, tendrá la oportunidad de hablar a FAVOR o EN CONTRA al propuesto desarrollo urbano o cambio de zonificación. Usted también puede contactar a una organización de protección al medio ambiente u organización de vecinos que haya expresado interés en la aplicación teniendo implicaciones a su propiedad.

Durante la audiencia pública, la comisión podrá postergar o continuar audiencia del caso en una fecha futura, o puede evaluar la recomendación de los oficiales municipales y las del público al mismo tiempo mandando su recomendación al cabildo municipal. Si la comisión anuncia una fecha y hora específica para postergar o continuar discusión, y no se extiende más de 60 días, no tendrá obligación de otra notificación pública.

El cabildo municipal, durante su audiencia pública, puede otorgar o negar una petición de zonificación, rezonificar el terreno a una clasificación de zonificación menos intensiva que lo que es pedida. En ningún caso se otorgará una clasificación de zonificación más intensiva de la petición.

Para otorgar un desarrollo de usos urbanos mixtos, el cabildo municipal puede agregar la designación USO MIXTO (MU) DISTRITO COMBINADO, Mixed-use (MU) Combining District, a ciertos usos urbanos de comercio. La designación MU- Distrito Combinado simplemente permite usos urbanos residenciales en adición a los usos ya permitidos los siete distritos con zonificación para comercio. Como resultado, la designación MU- Distrito Combinado, otorga la combinación de oficinas, comercio, y usos urbanos residenciales en el mismo sitio.

Para más información acerca del proceso de desarrollo urbano de la ciudad de Austin, por favor visite nuestra página de la Internet: www.austintexas.gov/planning.

Comentarios escritos deberán ser sometidos a la comisión (o a la persona designada en la noticia oficial) antes o durante la audiencia pública. Sus comentarios debo incluir el nombre de la comisión, la fecha de la audiencia pública, y el número de caso de la persona designada en la noticia oficial.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application’s hearing to a later date, or may evaluate the City staff’s recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

Comments: I object because this is affordable housing for seniors where do I go there is no help with relocation of my mobile home I feel this is a large mistake because where are all these people suppose to go there are low income families trying to survive in a city with high rent highest rent in Texas.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application’s hearing to a later date, or may evaluate the City staff’s recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin’s land development process, visit our website: www.austintexas.gov/planning.

PUBLIC HEARING INFORMATION

The proposed amendment will be reviewed and acted upon at two public hearings: first, before the Planning Commission and then before the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed amendment. You may also contact a registered neighborhood or environmental organization that that has expressed an interest in an application affecting your neighborhood.

During a public hearing, the board or commission may postpone or continue an application’s hearing to a later date, or may evaluate the City staff’s recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a plan amendment request, or approve an alternative to the amendment requested.

If you have any questions concerning this notice, please contact the City of Austin Planning and Zoning Department at the number shown on the first page. If you would like to express your support or opposition to this request, you may do so in several ways:

- by attending the Public Hearing and conveying your concerns at that meeting
- by submitting the Public Hearing Comment Form
- by writing to the city contact listed on the previous page

For additional information on Neighborhood Plans, visit the website:

www.austintexas.gov/department/neighborhood-planning.

Comments: I wish I could say that
I’ve heard favorable things about this
property sale. At the end of the day
people must be obligated to do the
right thing regardless of what capacity
they are working in. In my opinion
this applies to property owners also.
This document does not provide enough
space for me to continue but I welcome
the opportunity to speak to anyone about
this issue.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

Case #: NPA-2015-0005.04

Sandra Nataren
500 Bastrop Highway
512-910-1184

I am worried about the rezoning and changes that will occur. Please explain the changes.

I ask myself about the effects this will have on my children’s education and emotions regarding this change in zoning.

We are worried about all of the difficulties that all of the residents will be going through.

This situation should not be an experiment on the residents and thinking everyday what exactly is happening.
PUBLIC HEARING INFORMATION

This zoning/ rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application’s hearing to a later date, or may evaluate the City staff’s recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin’s land development process, visit our website: www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission’s name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

I have nowhere else to live and I do not want to lose my home. I want to stay here.

Is it possible that if I am moved that it would be a place that has a school bus and Capitol Metro bus nearby?

My comment is if there is a possibility of finding a new place to live within the city limits and for the moving fees & utility services to be paid or to buy a house for us because the homes we have are of great value to us & our children.

I do not want to move because I am near the schools that my children go to & near my daughter's doctor that she visits frequently. This is why I do not approve. This is a tranquil community and we are just fine where we are.
PUBLIC HEARING INFORMATION

The proposed amendment will be reviewed and acted upon at two public hearings: first, before the Planning Commission and then before the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed amendment. You may also contact a registered neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During a public hearing, the board or commission may postpone or continue an application’s hearing to a later date, or may evaluate the City staff’s recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a plan amendment request, or approve an alternative to the amendment requested.

If you have any questions concerning this notice, please contact the City of Austin Planning and Zoning Department at the number shown on the first page. If you would like to express your support or opposition to this request, you may do so in several ways:

- by attending the Public Hearing and conveying your concerns at that meeting
- by submitting the Public Hearing Comment Form
- by writing to the city contact listed on the previous page

For additional information on Neighborhood Plans, visit the website:

www.austintexas.gov/department/neighborhood-planning.

Comments:
I lived here for 53 years with my husband, my son and my grandson. I have worked hard and I have lived quietly for 53 years. My grandson lives with me and he’s nine and he’s at risk of a health problem with learning he goes to school and he’s in special education. And this took 2 years. Just to try and get him in the right place, and the right teachers. And I don’t want to move, also the hard work has pick him up at the house. Due to his condition, please let me stay. I have no family around to help my grandson. So please think twice before you change your mind.
INFORMACIÓN DE AUDIENCIA PÚBLICA

Esta petición de zonificación / rezonificación será repasada y acción será tomada de acuerdo a dos audiencias públicas: ante la Comisión de Usos Urbanos y el cabildo municipal. Aunque solicitantes y/o sus agentes se les requiere atender la audiencia pública, usted no está bajo requisito de atender. De todos modos, si usted atiende la audiencia pública, tendrá la oportunidad de hablar a FAVOR o EN CONTRA al propuesto desarrollo urbano o cambio de zonificación. Usted también puede contactar a una organización de protección al medio ambiente o organización de vecinos que haya expresado interés en la aplicación teniendo implicaciones a su propiedad.

Durante la audiencia pública, la comisión podrá postergar o continuar audiencia del caso en una fecha futura, o puede evaluar la recomendación de los oficiales municipales y las del público al mismo tiempo mandando su recomendación al cabildo municipal. Si la comisión anuncia una fecha y hora específica para postergar o continuar discusión, y no se extiende más de 60 días, no tendrá obligación de otra notificación pública.

El cabildo municipal, durante su audiencia pública, puede otorgar o negar una petición de zonificación, rezonificar el terreno a una clasificación de zonificación menos intensiva que lo que es pedida. En ningún caso se otorgara una clasificación de zonificación más intensiva de la petición.

Para otorgar un desarrollo de usos urbanos mixtos, el cabildo municipal puede agregar la designación USO MIXTO (MU) DISTRITO COMBINADO, Mixed-use (MU) Combining District, a ciertos usos urbanos de comercio. La designación MU- Distrito Combinado simplemente permite usos urbanos residenciales en adición a los usos ya permitidos en los siete distritos con zonificación para comercio. Como resultado, la designación MU- Distrito Combinado, otorga la combinación de oficinas, comercio, y usos urbanos residenciales en el mismo sitio.

Para más información acerca del proceso de desarrollo urbano de la ciudad de Austin, por favor visite nuestra página de la Internet: www.austintexas.gov/planning.

Comentarios escritos deberán ser sometidos a la comisión (o a la persona designada en la noticia oficial) antes o durante la audiencia pública. Sus comentarios deben incluir el nombre de la comisión, la fecha de la audiencia pública, y el número de caso de la persona designada en la noticia oficial.

However, if you do attend, you have the opportunity to speak for or against the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website:
www.austintexas.gov/planning.
PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application’s hearing to a later date, or may evaluate the City staff’s recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

PUBLIC HEARING INFORMATION

The proposed amendment will be reviewed and acted upon at two public hearings: first, before the Planning Commission and then before the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed amendment. You may also contact a registered neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During a public hearing, the board or commission may postpone or continue an application’s hearing to a later date, or may evaluate the City staff’s recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a plan amendment request, or approve an alternative to the amendment requested.

If you have any questions concerning this notice, please contact the City of Austin Planning and Zoning Department at the number shown on the first page. If you would like to express your support or opposition to this request, you may do so in several ways:

- by attending the Public Hearing and conveying your concerns at that meeting
- by submitting the Public Hearing Comment Form
- by writing to the city contact listed on the previous page

For additional information on Neighborhood Plans, visit the website:

Comments: I wish I could say that I’ve heard favorable things about this property sale. At the end of the day, people must be obligated to do the right thing regardless of what they’ve been working on. In my opinion, this applies to property owners also. The document does not provide enough space for me to continue but I welcome the opportunity to speak to anyone about this issue.

I am worried about the rezoning and changes that will occur. Please explain the changes.

I ask myself about the effects this will have on my children’s education and emotions regarding this change in zoning.

We are worried about all of the difficulties that all of the residents will be going through.

This situation should not be an experiment on the residents and thinking everyday what exactly is happening.

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application’s hearing to a later date, or may evaluate the City staff’s recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin’s land development process, visit our website: www.austintexas.gov/planning.

I would like for us to get moved to a nearby residence. Keeping us together and near the city, united.

Thank You
PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application’s hearing to a later date, or may evaluate the City staff’s recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

I do not want to move because I am near the schools that my children go to & near my daughter's doctor that she visits frequently. This is why I do not approve. This is a tranquil community and we are just fine where we are.
PUBLIC HEARING INFORMATION

The proposed amendment will be reviewed and acted upon at two public hearings: first, before the Planning Commission and then before the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed amendment. You may also contact a registered neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During a public hearing, the board or commission may postpone or continue an application’s hearing to a later date, or may evaluate the City staff’s recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a plan amendment request, or approve an alternative to the amendment requested.

If you have any questions concerning this notice, please contact the City of Austin Planning and Zoning Department at the number shown on the first page. If you would like to express your support or opposition to this request, you may do so in several ways:

- by attending the Public Hearing and conveying your concerns at that meeting
- by submitting the Public Hearing Comment Form
- by writing to the city contact listed on the previous page

For additional information on Neighborhood Plans, visit the website:

www.austintexas.gov/department/neighborhood-planning.
