

## **Hays County ESD #9 Review of Potential Impact to City of Austin**

### **Impact to City of Austin: None**

- The proposed HC ESD #9 does not overlap with COA full-purpose, but according to the GIS layer, it does overlap slightly with our 5 mile ETJ (in Hays County).
- This will not cause a problem for AFD or A/TCEMS since neither will be responding to these areas until they are annexed into full-purpose.

### **Background:**

- Over 100 qualified Hays County voters are seeking the creation of an overlapping ESD to provide EMS services in a portion of Hays County.
- Newly created district will provide 'emergency medical services' which none of the existing jurisdictions currently provide.
- Newly created district will NOT provide any services currently provided by the existing jurisdictions.
- Area is approximately half of Hays County and includes portions of:
  - Hays County (HC) ESD #3
  - Hays County (HC) ESD #6
  - Hays County / Caldwell ESD #1 (*not to be confused with HC ESD #1, which is Dripping Springs*)
  - City of San Marcos
  - City of Kyle
  - City of Wimberley
  - City of Creedmoor
  - City of Neiderwald
  - City of Uhland
  - City of Mountain City
  - ETJ of San Marcos
  - ETJ of Kyle
  - ETJ of Wimberley
  - ETJ of Neiderwald
  - ETJ of Mountain City
  - ETJ of Dripping Springs
- As per Hays County website, the HC ESD's provide the following services:
  - ESD #1 (Northern Hays County, Dripping Springs; EMS)
  - ESD #2 (Northeastern Hays County, Buda; EMS)
  - ESD #3 (South Hays County, San Marcos; Fire & First Response)
  - ESD #4 (Wimberley/Woodcreek; Fire & Rescue)
  - ESD #5 (not yet available)
  - ESD #6 (North Hays County, Dripping Springs; Fire only)
  - ESD #7 (Wimberley; EMS only)
  - ESD #8 (Buda; Fire, Rescue & EMS)
