MBE / WBE:	This solicitation was reviewed for subcontracting opportunities in accordance with City Code Chapter 2-9D Minority Owned and Women Owned Business Enterprise Procurement Program. For the goods required for this solicitation, there were an insufficient number of certified M/WBEs and no subcontracting opportunities; therefore, no subcontracting goals				

were established.

#### Additional Backup Information

The contract will provide ready mix concrete for various Parks and Recreation Department (PARC) projects, such as curbs, sidewalks, retaining walls, and installation of park equipment. The contractor will furnish and deliver four different types of concrete to various sites at specific delivery times requested by the City.

The contract is necessary to ensure that ready mix concrete is readily available for PARC projects on the days and within the time windows needed. Without a contract, PARC will continue to make small one-time purchases for ready mix concrete, resulting in higher prices and delayed delivery.
