**Additional Backup Information**

In order to modify or alter the existing speed limit of a street, Texas laws require that a traffic engineering investigation be performed. Traffic Conditions, pedestrian routes, and proximity to Holy Family Catholic and St. Dominic Savio Schools were evaluated on Neenah Avenue by the Austin Transportation Department to determine if modifications were appropriate to improve the safety for the students attending these schools. Based on this investigation, the Austin Transportation Department recommends adding the following to City Code Section 12-4-64(D) (Table of Speed Limits):

**Add:** Neenah Avenue from 260 feet east of Solera Drive to 770 feet east of Solera Drive. (20 MPH)
