Provide copy of motion to City Clerk and indicate that you have done so; then move that the proposed amendments be incorporated into the draft resolution in backup.

- On page 2, in the third bullet, change the phrase “A local hiring goal...” to read:

A local (MSA) hiring goal

- At page 2, amend the first “Be It Further Resolved” clause to read:

The City Manager is directed to develop program guidelines for this process to ensure there is a fair system for compliance for participating developers and their construction contractors and subcontractors; to establish the funding and process for approving a qualified pool of third-party monitors selected through a competitive process; and to establish ~~[any reasonable exceptions to the workplace standards as may be appropriate for small scale projects.]~~ the scope, scale and type of projects to which the standards will apply. The City Manager is directed to present these program guidelines back to the City Council within 30 days for review and for any further direction.

- In what is currently the last BE IT FURTHER RESOLVED, change 30-day requirement for presenting the program guidelines to Council to 60 days.
