

RESTRICTIVE COVENANT TERMINATION REVIEW SHEET

CASE: C14-79-065(RCT) – Earl M. McClure

P.C. DATE: July 26, 2016
September 13, 2016

ADDRESS: 80 Red River Street

DISTRICT AREA: 9

OWNER/APPLICANT: The Villas On Town Lake
Owners Association, Inc. (Gary Johnson)

AGENT: Consort, Inc.
(Ben Turner)

EXISTING ZONING: CBD

AREA: 2.89 acres

SUMMARY STAFF RECOMMENDATION:

Staff recommends termination of the Restrictive Covenant.

PLANNING COMMISSION RECOMMENDATION:

July 26, 2016: *APPROVED A POSTPONEMENT REQUEST BY THE NEIGHBORHOOD AND APPLICANT TO SEPTEMBER 13, 2016*

(J. SHIEH; P. SEEGER – 2ND) (10-0) F. KAZI, A. PINEYRODEHOYOS, J. THOMPSON - ABSENT

September 13, 2016: *APPROVED TERMINATION OF THE RESTRICTIVE COVENANT (T. NUCKOLS; P. SEEGER – 2ND) (10-0) K. MCGRAW; J. SCHISSLER, J. VELA - ABSENT*

ISSUES: The Shore Condominium Association, Inc. has submitted a letter in opposition to the proposed termination of the Restrictive Covenant. Correspondence in favor of and in opposition to the request is also attached at the back of this report.

DEPARTMENT COMMENTS:

The subject tract is a legally platted lot on approximately 2.89 acres located at the intersection of Red River and Davis Streets. Development on the tract is the Villas On Town Lake Condominiums comprised of 6 buildings ranging from 2-3 stories that contain 58 dwelling units, a single-level (subgrade) parking facility, and a swimming pool. The property is gated with restricted pedestrian and vehicular access from the intersection of Red River and Davis Streets and also has pedestrian access directly to the Lady Bird Lake Trail to the south and the Waller Creek Greenbelt that runs along the western edge of the property.

In 1980, with case C14-79-065, the property was rezoned from family residence (SF-3) to multifamily residence medium density (MF-3) district zoning per Ordinance No. 80-0228-P (Exhibit C). The rezoning was accompanied by a restrictive covenant that prohibits density greater than 30 dwelling units per acre (Exhibit D). At the time,

development in the area was comprised of small scale businesses and a few blocks of predominantly single family residences, at a much lower density.

In 2005, the subject property, as well as the adjacent Shore Condominiums and seven other blocks of land between Red River and IH-35 were rezoned to the central business district (CBD) with Ordinance No. 20050407-051 (Exhibit E). CBD zoning was the product of a 2004 Council resolution and meetings with stakeholders resulting in goals for rezoning that included tree preservation and the unique historical character, a mixed-income residential component, a pedestrian friendly environment, the use of green building techniques and urban design criteria associated with performance-based economic incentive policies. Since that time, CBD zoning has resulted in significant redevelopment of this area, including apartments, condominiums, a hotel, restaurants and cocktail lounges, and the Rainey Street area is now a vibrant destination area.

With approval of nearly 89% of the property owners by vote on June 14, 2016, the property is under contract to be sold to new ownership. Termination of the restrictive covenant has been requested in preparation for redevelopment of the property with the existing CBD zoning district entitlements, including increased density.

The subject property is located within a *Regional Center* as defined by the Imagine Austin Comprehensive Plan (IACP) as well as the Waller Creek District of the Downtown Austin Plan (DAP). The IACP assigns Regional Centers with the greatest density and greatest variety of uses in the tallest buildings. More specifically, goals of the Waller Creek District of the DAP encourage development that is diverse and creative and that will provide a mix of uses and affordability in a way that will protect, enhance or transform Waller Creek into an urban greenway and bring vitality to the district by providing destination stops and connecting it to the surrounding districts and communities. Additionally, the property is within the Waterfront Overlay which promotes harmonious interaction and transition between urban development and the park land and shoreline of Lady Bird Lake. As such, any site plan for future development of the subject property will require review by the Small-Area Planning Joint Committee to ensure that the development meets the intent of the Waterfront Overlay.

Termination of the existing restrictive covenant appears to be congruent with the IACP and the DAP in that it will allow for redevelopment that will contribute to implementing the intent and goals to promote compact and dense development that will encourage a variety of uses in close proximity to each other and will support a more sustainable system of transportation. With this, Staff recommends termination of the Restrictive Covenant.

EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
<i>Site</i>	CBD	Condominiums
<i>North</i>	CBD-CURE	Undeveloped (cleared of previous development)
<i>South</i>	P	Lady Bird Lake Trail/Waller Beach at Town Lake Metro Park
<i>East</i>	CBD	Hotel Van Zandt and Shore Condominiums Tower (192 residences)
<i>West</i>	P	Waller Creek Greenbelt

ORDINANCE NO. 80 0228-P

AN ORDINANCE ORDERING A CHANGE IN USE AND HEIGHT AND AREA AND CHANGING THE USE AND HEIGHT AND AREA MAPS ACCOMPANYING CHAPTER 45 OF THE AUSTIN CITY CODE OF 1967 AS FOLLOWS:

TRACT 1A: A 2.2488 ACRE TRACT OF LAND, SAVE AND EXCEPT A 734.5 SQUARE FOOT TRACT OF LAND DESCRIBED IN TRACT 1B BELOW, FROM "A" RESIDENCE, FIRST HEIGHT AND AREA DISTRICT TO "B" RESIDENCE, FIRST HEIGHT AND AREA DISTRICT; AND,

TRACT 1B: A 734.5 SQUARE FOOT TRACT OF LAND WHICH IS ZONED "C" COMMERCIAL, FIRST HEIGHT AND AREA DISTRICT;

ALL OF ABOVE PROPERTY BEING LOCALLY KNOWN AS 80 RED RIVER STREET; SAID PROPERTY BEING LOCATED IN AUSTIN, TRAVIS COUNTY, TEXAS; SUSPENDING THE RULE REQUIRING THE READING OF ORDINANCES ON THREE SEPARATE DAYS; AND PROVIDING AN EFFECTIVE DATE.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. Chapter 45 of the Austin City Code of 1967 is hereby amended to change the USE and HEIGHT and AREA designations on the property described in File C14-79-065¹ to-wit:.

TRACT 1A: From "A" Residence, First Height and Area District to "B" Residence, First Height and Area District.

A 2.2488 acre tract of land, SAVE and EXCEPT a 734.5 square foot tract of land described in Tract 1B below, said tract of land being a portion of a 4.75 acre tract out of Outlot 72 and 73, Division E, in the City of Austin, Travis County, Texas, as described in a deed from Charles S. Fisher to Fannie Montgomery Davis as recorded in Volume 290, Pages 382-383, Travis County Deed Records, being also a portion of a 2.98 acre tract out of the said 4.75 acre tract, as described in a deed to A. E. Massengale, et ux, in Volume 1416, Page 442, Travis County Deed Records, said 2.2486 acre tract being a portion of a 2.8936 acre tract as described in a deed from Red River Investment Company, a Texas General Partnership to Earl M. McClure, Jr., et ux, in Volume 5688, Page 1326, Travis County Deed Records, said 2.2488 acre tract of land being more particularly described by metes and bounds as follows:

BEGINNING at an iron stake found at the southwest intersection of Red River Street and Davis Street, and in the north line of a 4.75 acre tract, a portion of Outlots 72 & 73, Division E, in the City of Austin, Travis County, Texas, as described in a deed from Charles S. Fisher to Fannie Montgomery Davis as recorded in Volume 290, Pages 382-383, Travis County Deed Records, said beginning iron stake being also the northeast corner of a 2.98 acre tract, a portion

of the said 4.75 acre tract, as described in a deed to A. E. Massengale, et ux, in Volume 1416, Page 442, Travis County Deed Records, and being also at the northeast corner of that portion of the said 2.98 acre tract conveyed by A. E. Massengale, et ux, to Red River Investment Company, as recorded in Volume 3064, Page 905, Travis County Deed Records, and being also the northeast corner of that 2.8936 acre tract as described in a deed from Red River Investment Company, a Texas General Partnership to Earl M. McClure, Jr., et ux, in Volume 5688, Page 1326, Travis County Deed Records, said beginning iron stake being also at the southeast corner of Lot 1, Block 4, of the Driskill and Rainey Subdivision as shown on a map of record in Plat Book 1, Page 22, Travis County Plat Records, and from which beginning iron stake the northeast corner of the said 4.75 acre tract bears S 71° 02' E 196 feet;

(1) THENCE with the east line of the said 2.98 acre tract and the Earl M. McClure, Jr. tract S 18° 39' W 373.03 feet to an iron stake in the south line of the said 4.75 acre tract for the southeast corner of the said 2.98 acre tract and the southeast corner of the Red River Investment Company tract and the Earl M. McClure, Jr. tract;

THENCE with the south line of the said 4.75 acre tract, the 2.98 acre tract, the Red River Investment Company tract, and the McClure tract, courses numbered 2-4 inclusive, as follows:

(2) N 39° 36' W 67.56 feet to an iron stake;

(3) N 50° 36' W 75.00 feet to an iron stake;

(4) N 77° 51' W 182.68 feet to a point at the southeast corner of a 0.645 of one acre tract, a portion of the said McClure 2.8936 acre tract, as conveyed by Earl M. McClure, Jr., et ux, to the City of Austin in Volume 6498, Page 1032, Travis County Deed Records;

THENCE with an east, southeast and a south line of the City of Austin 0.645 of one acre tract, courses numbered 5-7 inclusive as follows:

(5) N 18° 40' E 251.66 feet to a point;

(6) N 40° 53' E 26.08 feet to a point;

(7) N 80° 24' E 120.02 feet to a point in the north line of the said McClure 2.8936 acre tract and the south line of Lot 1, Block 4, of the said Driskill and Rainey Subdivision;

(8) THENCE with the north line of the said McClure 2.8936 acre tract, and the south line of said Lot 1, S 71° 02' E 193.03 feet to the PLACE OF BEGINNING, and,

C14-79-065(RCT) - EXHIBIT C, Pg4

TRACT 1B: To remain zoned "C" Commercial, First Height and Area District.

A 734.50 square foot tract of land being out of Outlot 72 and 73, Division E, in the City of Austin, Texas and being a portion of that certain tract conveyed to Earl M. McClure, Jr. and wife, Mary McClure, by deed of record in Volume 5688, Page 1323, of the Travis County, Texas Deed Records, and being more particularly described by metes and bounds as follows:

BEGINNING FOR REFERENCE at an iron pipe found at the southeast corner of the above described McClure tract, same being the southwest corner of the Printing Properties tract as described in Volume 5870, Page 1662 of the Travis County, Texas Deed Records;

THENCE with the east property line of the McClure tract and the west property line of the Printing Properties tract as found fenced and used upon the ground, N 18° 39' E for a distance of 44.50 feet to an iron stake set for the southeast corner of this tract and the PLACE OF BEGINNING hereof;

THENCE N 71° 21' W for a distance of 13.00 feet to an iron stake set for the southwest corner hereof;

THENCE N 18° 39' E for a distance of 50.00 feet to an iron stake set for the northwest corner hereof;

THENCE N 63° 39' E for a distance of 18.38 feet to an iron stake set in the east property line of the McClure tract and the west property line of the Printing Properties tract for the northeast corner hereof;

THENCE with the east property line of the McClure tract and the west property line of the Printing Properties tract as found, fenced and used upon the ground S 18° 39' W for a distance of 63.00 feet to the PLACE OF BEGINNING;

all of above property being locally known as 80 Red River Street, in the City of Austin, Travis County, Texas.

PART 2. It is hereby ordered that the USE and HEIGHT and AREA maps accompanying Chapter 45 of the Austin City Code of 1967 and made a part thereof shall be changed so as to record the change ordered in this ordinance.

C14-79-065(RCT) - EXHIBIT C, Pg 9

PART 3. The rule requiring that ordinances shall be read on three separate days is hereby suspended, and this ordinance shall become effective ten (10) days following the date of its passage.

THE STATE OF TEXAS ~~NO. 28-79-55~~ 5368 * 13.00
 COUNTY OF TRAVIS X RESTRICTIVE COVENANT

2-19-2761

WHEREAS, EARL M. McCLURE, JR., AND WIFE, MARY McCLURE, of Travis County, Texas, are the owners of the following property, to-wit:

See attached Exhibit "A"

WHEREAS, the City of Austin and EARL M. McCLURE, JR., AND WIFE, MARY McCLURE, have agreed that the above described property should be impressed with certain covenants and restrictions running with the land and desire to set forth such agreement in writing;

NOW, THEREFORE, EARL M. McCLURE, JR., AND WIFE, MARY McCLURE, for and in consideration of ONE AND NO/100 (\$1.00) DOLLARS, and other good and valuable consideration in hand to the undersigned paid by the City of Austin, the receipt of which is hereby acknowledged, does hereby agree with respect to said property described above, such agreement to be deemed and considered as a covenant running with the land, and which shall be binding on them, their successors and assigns, as follows, to-wit:

1. In the event apartments or other residential dwellings are constructed upon the property, they shall be constructed at a density of thirty (30) single family units or less per acre.

2. If any person, persons, corporation or entity of any other character shall violate or attempt to violate the foregoing agreement and covenant, it shall be lawful for the City of Austin, a municipal corporation, its successors and assigns, to prosecute proceedings at law, or in equity, against said person, or entity violating or attempting to violate such agreement or covenant and to prevent said person or entity from violating or attempting to violate such agreement or covenant.

3. If any part or provisions of this agreement or covenant herein contained shall be declared invalid, by judgment or Court order, the same shall in nowise affect any of the other provisions of this agreement, and such remaining portion of this agreement shall remain in full force and effect.

4. The failure at any time to enforce this agreement by the City of Austin, its successors and assigns, whether any violations hereof are known or not, shall not constitute a waiver or estoppel of the right to do so.

5. This agreement may be modified, amended or terminated only by joint action of both (a) a majority of the members of the City Council of the City of Austin, or such other governing body as may succeed the City Council of the City of Austin, and (b) by the owners of the above described property at the time of such modification, amendment or termination.

EXECUTED, this the 6th day of November, 1979.

RESOLUTION NO. 040212-35

WHEREAS, in June 1999, Council adopted a resolution directing the City Manager to work with residents, business owners, and property owners in the Rainey Street Area to facilitate discussions to develop land use objectives and priorities for the area; and

WHEREAS, in March 2000, the Rainey Street Neighborhood Association presented to the City the results of these discussions in the Rainey Street Neighborhood Redevelopment Strategy; and

WHEREAS, in 2003 the Downtown Commission facilitated a community dialogue regarding Rainey Street redevelopment options and prepared a detailed report outlining its recommendations; and

WHEREAS, the Downtown Commission report recommends a review and revision of the regulations applicable to the Rainey Street subdistrict of the waterfront overlay; and

WHEREAS, voters have approved funding for the development of the Mexican American Cultural Center in the Rainey Street Area; and

WHEREAS, the City has created a Mexican American Cultural Center Advisory Board to make recommendations on issues affecting the development and operations of the center; **NOW, THEREFORE,**

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

Council initiates the rezoning of properties in the Rainey Street Area, which is bounded on the west by Waller Creek, the south by Town Lake, the east by IH-35, and the north by Cesar Chavez Street. The City Manager is directed to develop zoning recommendations for presentation to Council. The City Manager is also directed to review the regulations applicable to the Rainey Street subdistrict of the waterfront overlay combining district and present recommended amendments to Council. The City Manager shall consider the recommendations of the Rainey Street Redevelopment Strategy, the Downtown Commission, and the development plans of the Mexican American Cultural Center when making recommendations on rezoning the Rainey Street Area property and revising the Rainey Street subdistrict regulations. The City Manager shall present recommendations on both items on or before June 10, 2004.

The City Manager shall also present the recommendations on zoning and the Rainey Street subdistrict regulations to the following boards and commissions: the Downtown Commission, the Design Commission, the Mexican American Cultural Center Advisory Board, the Parks and Recreation Advisory Board, and the Historic Landmark Commission. Each board and commission shall forward its recommendation to the Zoning and Platting Commission. The Zoning and Platting Commission shall present the zoning and the Rainey Street subdistrict regulations to Council. If Council determines that amendments to the Rainey Street subdistrict regulations are appropriate, Council will forward the amendments to the Planning Commission.

BE IT FUTHER RESOLVED:

Council directs the City Manager to conduct an analysis of the infrastructure within the Rainey Street Area and to provide a summary of the current development restrictions within the Rainey Street Area.

BE IT FURTHER RESOLVED:

Council requests that the above-named boards and commissions recommend a development incentive proposal for the Rainey Street Area that that promotes the following types of goals: 1. the preservation of trees and the unique and historic character of the area; 2. a strong mixed-income residential component within the development; 3. a pedestrian-friendly environment; 4. the use of green building techniques; and 5. the use of urban design criteria that are typically included in the City's performance-based economic incentive policies.

ADOPTED: February 12, 2004

ATTEST: 
Shirley A. Brown
City Clerk

ORDINANCE NO. 20050407-051

AN ORDINANCE REZONING AND CHANGING THE ZONING MAP FOR THE PROPERTY LOCATED WITHIN THE AREA SOUTHWEST OF THE INTERSECTION OF DAVIS STREET AND RED RIVER STREET AND WEST OF RAINEY STREET BETWEEN DAVIS STREET AND RED RIVER STREET, IN THE RAINEY STREET SUBDISTRICT OF THE WATERFRONT OVERLAY COMBINING DISTRICT, FROM FAMILY RESIDENCE (SF-3) DISTRICT, MULTIFAMILY RESIDENCE MEDIUM DENSITY (MF-3) DISTRICT AND GENERAL COMMERCIAL SERVICES (CS) DISTRICT TO CENTRAL BUSINESS DISTRICT (CBD).

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. The zoning map established by Section 25-2-191 of the City Code is amended to change the base district from family residence (SF-3) district, multifamily residence medium density (MF-3) district and general commercial services (CS) district to central business district (CBD) on the property described as Tract A in Zoning Case No. C14-04-0078, on file at the Neighborhood Planning and Zoning Department, as follows:

Approximately 6.39 acres of land, situated in Outlots 72 and 73, Division E, Driskill and Rainey Subdivision, the Red River Addition, and the Villas on Townlake Condominiums, in the City of Austin, Travis County, Texas, generally identified in the map attached as Exhibit "A", and

locally known as the property located within the area southwest of the intersection of Davis Street and Red River Street and west of Rainey Street between Davis Street and Red River Street, in the Rainey Street subdistrict of the waterfront overlay combining district in the City of Austin.

PART 2. This ordinance takes effect on April 18, 2005.

Planning Commission Public Hearing: Sept. 13, 2016

City Council Public Hearing: Sept. 22, 2016

ATTN: Wendy Rhoades

Dear Ms. Rhoades:

This case and these hearings are about removal of the restrictive covenant on the Villas property at 80 Red River. I sent in my form saying that I support removal of the covenant. I did not write a comment on the form, and I am unable to attend the public hearings, but I would like to submit this comment.

First, and most directly relevant under Texas law, the covenant is obsolete. The neighborhood has been completely transformed since the covenant was created. The Villas parcel was then surrounded by small, low-rise buildings, mostly single family residences. It is now surrounded by tall towers, restaurants, and bars.

Second, there was never any explicit reciprocity in this covenant. The Villas parcel was restricted, but its neighbors were not, which is what permitted transformation of the neighborhood.

Third, the implicit reciprocity has been fundamentally breached. The covenant was put in place to protect the surrounding low density and residential neighborhood. It applied only to the Villas parcel because everyone apparently assumed that the surrounding neighborhood would never be changed.

But it was changed. The people to be protected are no longer there; the uses to be protected are no longer there; and many of the buildings to be protected are no longer there. And the neighborhood that helped attract owners to the Villas is no longer there. It is a different kind of neighborhood now, attracting owners with a different set of preferences.

Finally, it is fundamentally unfair that every other parcel in the neighborhood can be redeveloped and that only the Villas parcel should be denied permission to redevelop. The owners in the Shores, who are objecting to further development only after their own tower is up, knew perfectly well that they were not buying lakefront property. And it was perfectly foreseeable that with the whole neighborhood being redeveloped, the Villas parcel would sooner or later be redeveloped too.

This obsolete covenant should be removed, and the property developed consistent with its zoning.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website:
www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

March 21, 2016

To Whom It May Concern:

In regards to the 1979 Restrictive Covenant (density agreement) between the City of Austin and the owners of the property as described in the Covenant (attached), the Board of Directors for the Villas on Town Lake Owners Association, Inc., has voted by unanimous written consent to support amending the 1979 density agreement with the City of Austin to remove the density restriction. The record of this vote is on file with Beck and Company Real Estate Services, the property manager for the Villas on Town Lake Condominiums.

Sincerely,

A handwritten signature in black ink, appearing to read "Gary L. Johnson". The signature is fluid and cursive, with a long horizontal stroke at the end.

Comments:

It is my belief as a resident since 1986 and once HOA president, this restrictive covenant was of no use and was not desired by the current HOA membership and should be terminated. The covenant is inhibiting the wishes of the HOA membership as expressed in our 90% vote to sell the property.

Wendy -- please see attached related to agenda item related to the Villas on Town Lake.

Obviously, Villas owners are strongly in favor of the removal of this deed restriction, and had been unaware of its existence until recently. We had assumed that the city's rezoning to CBD of the Rainey/Red River neighborhood a decade ago (which we also strongly supported and favored at the time) was the final/most recent word.

best wishes,
Michael A.

Comments:

Lifting this covenant will help this property to eventually be used in a better way that benefits the city and the new Waller Creek. I support the city terminating the covenant to clear the way for a more proper use of this land with a higher density. Thank you.

Wendy Rhoades & Associates, Inc.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website:
www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

Comments: The Villas was rezoned CBD IN 2005 along with the rest of the neighborhood. This density restriction was recently discovered. No one at the Shore knew about it - I was involved in legal negotiations with them for months (in 2011) some may have have view, but the developer is offering things to benefit the shore. Mrs. Fox Renshaw will result from the removal of this restriction. Thank you.

Comments:

This 37 year old restrictive covenant does not make sense with our rezoning to Central Business District in 2005, Rainey Density Bonus Program, the Downtown Austin Plan and the high rise development that surrounds 80 Red River.

Comments: I have received numerous public hearing notices related to development in my neighborhood since 2003. I have never voiced objection to any of them. This includes all of the notices related to the construction of the building now known as the Shore. I support the city's master plan encouraging dense development in the urban core.

Comments: *The termination of the restrictive Covenant falls in line with the City's downtown density goals and continues the trend of the Rainey Street District's modernization. The opportunity for Sutton Company to develop the entire Davis-to-Cesar Chavez section of Red River presents many benefits to the Waller Creek project, and this effort shouldn't be blocked due to short-sightedness of neighboring residents.*

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website: www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

Comments: *I am in favor of the removal of this covenant. Since the Bailey Street neighborhood was rezoned in 2005, an increasingly more dense, walkable neighborhood has grown around us. The covenant - approved in 1979 - is now antiquated & at odds w/ the rezoned area, and the city's master plan for the downtown corridor.*

Comments: We own 4 properties at the Villas
and want the covenant terminated because:

① It solely restricts residences, but not
other large buildings like hotels or offices,
so it's pointless

② It conflicts with CBD zoning and
there are no unique arguments to keep the
restriction in place - in other words the City
has already considered and ruled on this
matter

Comments: Since the 1979 covenant, our neighborhood has been rezoned as a Central Business District (CBO) in 2005. The proposed structure is in compliance with the Rainey Density Bonus Program which "encourages development, not penalizes" and follows suit of the multiple high rises that have gone up in this area. For Austin to remain as one of the top U.S. destinations, residential properties need to be available in the coming years and this property will help with growth, particularly economically.

Comments: The residential density restriction won't prevent a high rise on the property since the buyer owns the adjacent lots also & these allow any type of structure.

Also the City has considered and decided the matter of density for the CBD & Rainey Street REPEATEDLY. There are no new arguments for treating 80 Red River uniquely, and certainly no compelling reason to deprive 55 owners of selling at an enormous profit. Certainly the Share owners want the Share owners City stopping their sale one day

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website:
www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

Comments: I'm former President at The Shore HOA (served in some capacity since 2010) & former Treasurer & Communications Officer as well as co-founder of the Rainey Neighbors Association from 2011 to August 2016. I believe this development's "MU" compliments the spirit of the Downtown Austin Plan & the desire of the Rainey Neighbors Association to have "mixed-uses". Also residential uses ~~are~~ have less traffic impact than commercial!

Comments: The Villas on Town Lake is a long-established condo community that was never intended for a crowded multifamily site. The Rainey area neighborhood has a laid-back feel and vibe, and once the Villas are sold the additional vehicle and foot traffic will take away from the neighborhood. Lady Bird Lake allows residents to experience nature while in the city, and two massive residential buildings will have a huge negative impact.

If you use this form to comment, it may be returned to:

City of Austin
Planning & Zoning Department
Wendy Rhoades
P. O. Box 1088
Austin, TX 78767-8810

Dear City Officials,

I represent the Home Owners Association for The Shore Condominium Association, INC (Shore HOA) located at 603 Davis Street in the Rainey Neighborhood, District 9. We are writing to you to express our opposition to the removal of the restrictive covenant (see case number above) that's been in place for nearly thirty years on the site of the Town Lake Villas Townhomes (Villas.)

The owners of the Villas are seeking to have that covenant removed in order to proceed with a sale of the property to the Sutton Development Company. Sutton has informed us that they intend to proceed with the construction of TWO 48+ story mixed use towers on the site. If the covenant is not removed, they've said they will proceed with multiple office towers and a possible hotel on the site which do not require any changes to the restrictive covenant.

The Shore HOA does not oppose development, in general. However, this specific proposal combined with the removal of the covenant is not in the best interests of our owners or the citizens of Austin for several reasons:

1. Austin rightfully takes great pride in its river, the area surrounding the river and the preservation of green space in the downtown area. As they exist today, the Villas do not adversely impact any of these interests. However, the construction of such massive buildings as proposed by Sutton, at the confluence of Lady Bird Lake and Waller Creek, would permanently and irreparably harm this area of Austin.

The proposed tower(s) would destroy the views of Austin enjoyed by many residents and visitors, whether biking/hiking the Town Lake Trail or paddling on the river. It would block sunlight from adjacent properties and pool decks. It would lead to the removal of many trees and native plants that serve as homes to osprey, egrets, tanagers, cardinals, finch, chimney swifts and other species.

The Rainey Neighborhood has grown in popularity due to the uniqueness of its location, structures and mix of entertainment many of which are located in low rise homes similar to the Villas. If it is to become nothing more than a concrete canyon, the charm will be lost and visitors may go elsewhere.

Furthermore, the City has never authorized such a massive development on the edge of the river with virtually no set-back. If the proposal goes forward, it could establish a harmful precedent as it relates to future development along the riverfront.

2. The Rainey Neighborhood is accessed by only two streets with Red River being the most important. The other access is via Holly Street. As the neighborhood has grown, road congestion has become a serious problem, as it is in much of Austin. On busy weekend nights, it can take nearly half an hour to travel from Cesar Chavez to the Shore Condo, which is a distance of only three blocks.

While traffic congestion is frustrating to everyone, it's a serious safety concern for the Shore Condo residents and others in the Rainey neighborhood. In the event of a fire or medical emergency, seconds may mean the difference between life and death. It's frightening to think of what could happen while first responders are prevented from reaching their destination. With the narrow roads in the neighborhood, lights and sirens won't help emergency vehicles get through the traffic snarl. The addition of the development proposed by Sutton will only exacerbate an already untenable situation. We know you have been working to address this very issue and this pending development does nothing to help. The congestion and traffic issues are well documented by the Rainey Neighbors Association close work with Kathy Tovo.

3. Development should be part of a comprehensive plan. The Rainey Neighborhood currently combines a mix of residential properties that range from low-rise structures like the Villas and Millennium, to

moderate high-rises like the Sky House and Shore. But none of these properties infringe on one another. Rather they work in conjunction to maximize access to sunlight and views. The addition of properties proposed by Sutton would destroy that harmony and be out of balance with the rest of the neighborhood.

None of Austin's largest high-rises, such as the Austonian, Ashton, W, or Four Seasons residence were constructed on the banks of the river. But that's exactly what will occur if the restrictive covenant on the Villas property is removed. The Imagine Austin Plan as well as the Waller Creek District of the Downtown Austin Plan states goals of diversity, creativity and affordability by providing a mix of uses however building another high rise premium priced condominium in a congested area that already contains 3 such structures accomplishes none of these goals.

For the above stated reasons, the Shore HOA respectfully requests Planning and Zoning oppose the removal of the restrictive covenant currently in place on the Town Lake Villas property.

We appreciate your time and support in this matter,

Best Regards

Landon Turner, General Manager
Somerset Association Management
The Shore
603 Davis Street

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website:

www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

Subject: Plans for the Villas site
Attachments: IMG_1186.JPG; ATT00001.txt; IMG_1188.JPG; ATT00002.txt; FullSizeRender.jpg; ATT00003.txt; image1.JPG; ATT00004.txt

Ms. Rhoades,

Per our phone conversation, I'm sending pictures of the plans for the Villas redevelopment. The blue area is what the Sutton Company plans to build on the Villas site, and the green area is what The Sutton Company plans for the other sites it owns along Waller Creek.

As I mentioned on the phone, the plans misrepresent the roadways. In the third picture I used a sticky note to point out that what they labeled as "Red River Street" is actually a private drive owned by the Shore and Hotel Van Zandt. It is not large enough to accommodate traffic currently, much less when they are building and have built a high rise with around 1000 additional units.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak **FOR** or **AGAINST** the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the **MIXED USE (MU) COMBINING DISTRICT** to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

INFORMACIÓN DE AUDIENCIA PÚBLICA

Esta petición de zonificación / rezonificación será repasada y acción será tomada de acuerdo a dos audiencias públicas: ante la Comisión de Usos Urbanos y el cabildo municipal. Aunque solicitantes y/o su(s) agente(s) se les requiere atender la audiencia pública, usted no esta bajo requisito de atender. De todos modos, si usted atiende la audiencia pública, tendrá la oportunidad de hablar a FAVOR o EN CONTRA al propuesto desarrollo urbano o cambio de zonificación. Usted también puede contactar a una organización de protección al medio ambiente u organización de vecinos que haya expresado interés en la aplicación teniendo implicaciones a su propiedad.

Durante la audiencia pública, la comisión podría postergar o continuar audiencia del caso en una fecha futura, o puede evaluar la recomendación de los oficiales municipales y las del público al mismo tiempo mandando su recomendación al cabildo municipal. Si la comisión anuncia una fecha y hora específica para postergar o continuar discusión, y no se extiende más de 60 días, no tendrá obligación de otra notificación pública.

El cabildo municipal, durante su audiencia pública, puede otorgar o negar una petición de zonificación, rézonificar el terreno a una clasificación de zonificación menos intensiva que lo que es pedida. En ningún caso se otorgara una clasificación de zonificación más intensiva de la petición.

Para otorgar un desarrollo de usos urbanos mixtos, el cabildo municipal puede agregar la designación USO MIXTO (MU) DISTRITO COMBINADO, *Mixed-use (MU) Combining District*, a ciertos usos urbanos de comercio. La designación MU- Distrito Combinado simplemente permite usos urbanos residenciales en adición a los usos ya permitidos el los siete distritos con zonificación para comercio. Como resultado, la designación MU- Distrito Combinado, otorga la combinación de oficinas, comercio, y usos urbanos residenciales en el mismo sitio.

Para más información acerca del proceso de desarrollo urbano de la ciudad de Austin, por favor visite nuestra página de la Internet: www.austintexas.gov/planning.

Comentarios escritos deberán ser sometidos a la comisión (o a la persona designada en la noticia oficial) antes o durante la audiencia pública. Sus comentarios deben incluir el nombre de la comisión, la fecha de la audiencia pública, y el número de caso de la persona designada en la noticia oficial.

Comments:

Rainey district is already a traffic nightmare.

With two huge new ongoing projects traffic will become impossible.

A third major project will make life difficult and will create an emergency hazard.

Comments: I totally object to this request to terminate a critical and important restrictive covenant that limits the number of dwelling units that may be developed in this small piece of property that abuts the Waller Creek. There is an important reason established early on to limit development on this lot and it still remains not to mention even more critical,

Comments: THIS ZONING CHANGE, IF IMPLEMENTED, WOULD SEVERELY AFFECT AN AREA THAT HAS NARROW, TIGHT ACCESS ALREADY. THE VEHICLE & PEDESTRIAN TRAFFIC IS WELL OVER SAFETY. PEOPLE ARE ALREADY ~~WALKING~~ WALKING IN THE STREET. IT'S VERY DANGEROUS NOW, HOW WILL ANY EMERGENCY ACCESS OR ~~BE~~ POSSIBLE? PEOPLE WHOSE HOMES ARE HERE = NOW WOULD BE HORRIBLY EFFECTED IF THIS ZONING CHANGE GOES THROUGH.

Comments:

Many of us bought homes here w.H the belief the City would honor this Covenant. We believed our views and property values would not be compromised because of this Covenant.

When word gets around that the City will breach contracts to benefit the highest bidders, future investors will be discouraged. They will realize agreements are temporary in this city. They will invest elsewhere, someplace where contracts matter. If you use this form to comment, it may be returned to:

City of Austin
Planning & Zoning Department building will make sure Council members who allow this Covenant to be violated will not be

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website:
www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

Comments: Not only will it effect my property value and view from our pool it is abolishing one of the only pieces of charm left in my neighborhood. Having another gaudy high rise and endless construction will make our neighborhood unbearable. As a born and raised Austinite it disturbs me greatly to see my city constantly stripped of charming places like the Villas of Town Lake.

Comments: The folder information for this request indicates that NO TRAFFIC IMPACT ANALYSIS IS REQUIRED. RED RIVER STREET IS already a restricted access corridor that left turn onto RED RIVER from west bound lanes (change). Increasing the density of single family homes in combination with proposed commercial properties will create incredible traffic issues that will spill over to all adjacent streets.

Comments:

I object to the removal of this restrictive covenant based on the lack of ingress and egress options to and from the surrounding properties and homes. A valid and comprehensive Traffic Impact Assessment should be presented prior to development. This should include 2 end streets being resolved.

P. O. Box 1088
Austin, TX 78767-8810

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. ~~You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.~~

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date, or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request, or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website: www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

Comments:

There was a restrictive covenant already in place for 80 Red River St. when I purchased my home at 603 Davis St. several years ago. For multiple reasons I believe it is extremely important for this restrictive covenant to be upheld, and that terminating it would be in direct opposition to the needs of the many residents already living in this neighborhood. The area already seems extremely overcrowded as a result of the significant increase in businesses and population during the past few years, the infrastructure in the neighborhood has not seemed able to keep pace with the rapidly expanding population, and there are already horrendous traffic problems. Terminating the existing restrictive covenant likely would only serve to make these already significant problems even worse. Thank you for your thoughtful attention to this matter and for considering the needs of the many residents who already live in this neighborhood.
