Item # 31 EAH Resolution

12/15/2016 City Council Meeting

---

## Motion Sheet

---

I move to amend the first "Be It Resolved" clause to read as follows:

The City Council authorizes the City Manager to provide funding, if necessary, to support administrative costs associated with a pilot program that will connect housing and jobs through local employers by matching income-qualified local employees with on-site affordable units and the employer paying the differential between employee income (approximately 40% MFI) and affordable units at the Grove (approximately 60% MFI). The funding may not exceed \$75,000.
