Registering as a Lobbyist

1. Am I required to register as a lobbyist?

City Code, §4-8-3 states that a person¹ must register as a lobbyist **if** the person/entity:

(1) receives, or is entitled to receive under an agreement under which the person is retained or employed, compensation or reimbursement (not including reimbursement for the person's own travel, food, or lodging expenses or the person's own membership dues), of \$2,000 or more in a calendar quarter from another person to lobby², regardless of whether the person receives any compensation³ or reimbursement for lobbying³ in addition to the person's remuneration for that employment; **and** (2) spends 26 hours⁴ or more for which the person is compensated or reimbursed during the calendar quarter lobbying; **or** (3) makes a total expenditure⁵ of \$500 or more in a calendar quarter (not including the person's own travel, food, or lodging expenses or the person's own membership dues), to lobby.

If you meet this requirement, you must register not later than the fifth working day after you meet the threshold requirements of §4-8-3 and annually thereafter until a Termination of Lobbyist Registration is filed.

To register as a lobbyist, you must fill out and submit the Lobbyist Contact Form through the [following link](https://cityofaustin.formstack.com/forms/lobbyist_contact_form) and then the City Clerk's Office will create an E-Filing account for you to log into the E-Filing System and file your new registration report and pay new registration fee.

2. What if I work for a business entity that has one or more employees who are subject to the registration requirement? Do I or my employer file?

City Code §4-8-4(B) allows a business entity with one or more employees who are subject to the registration requirement the option to either: (1) register as a business entity, which also requires registration and reporting by the entity's individual lobbyists; or (2) have each employee lobbyist register and report individually all information required to be reported by the entity.

- A.** If a business entity elects the option under subsection (B)(1), both the business entity and each employee lobbyist must register and file activity reports. Code §4-8-4(C). The business entity must: (1) register and identify its employee lobbyists; (2) pay the annual registration fee for the business entity and each of the employee lobbyists; and (3) completely report any activity of the entity that is not fully reported by its employee lobbyists. Additionally, each individual lobbyist of the business entity must also register and submit activity reports each quarter. **If this option is selected, the business entity must pay the registration fees and file a separate registration and quarterly activity report, and each employee lobbyist of the business entity must also file a separate registration and quarterly activity report upon registration and each quarter.**
- B.** If a business entity elects the option under subsection (B)(2), and each lobbyist employed by the business entity who is subject to the registration requirement registers and files activity reports as required by Chapter 4-8, the business entity need not also register and file reports if all of the activity required to be reported by the business entity is included in one or more of the reports filed by the lobbyists employed by the business entity. Code §4-8-4(D). **If this**

option is selected, each individual lobbyist must file a registration and quarterly activity report and pay the appropriate registration fee.

3. *When is my annual registration period?*

A registrant is required to continue to file activity reports until the registrant terminates the registration by filing a “Termination of Lobbyist Registration”, City Code, §4-8-5(C); see FAQ no. 15. According to City Code, §4-8-5, lobbyists and business entities are required to pay their registration fee on the anniversary of their registration date. A lobbyist or business entity will not be able to file their quarterly activity report until all outstanding registration fees have been paid.

Registration Dates	Annual Registration Payment Due
January 1 through March 31	April 1 – April 10
April 1 through June 30	July 1 – July 10
July 1 through September 30	October 1 – October 10
October 1 through December 31	January 1 – January 10

4. *What are the fees?*

- Annual Lobbyist Registration Fee: \$300
- Annual Lobby Registration Fee registrant whose only lobbying activity is lobbying on behalf of one or more 501(c)(3) nonprofit organizations: \$25.
- Annual Lobbyist Registration Fee for a business association making the election under §4-8-4(B)(1): \$100 for the business association, and \$50 for each employee-lobbyist of the business association.
- Lobbyist Late Filing Fee for each notice that the City Clerk sends to the late filer as required under §4-8-11: \$50.

5. *What is a Municipal Question?*

City Code, §4-8-2(10) defines “municipal question” as the proposal of, consideration of, approval of, or negotiations concerning municipal legislation, an administrative action, or another matter that is, or may in the future be, subject to an action or decision by a City Official.

(A) Municipal question includes, without limitation: (i) possible action, including a recommendation, on a proposed ordinance, resolution, or other action pending before the Council, a Council committee, or a City board or task force; (ii) a matter that is appealable to a City board or to the Council; (iii) a recommendation, report, regulation, policy, nomination, appointment, or sanction by or to the Council, a Council committee or a City board; (iv) the development of specifications for, or the award of, a

grant or contract for more than \$50,000; (v) rulemaking under Chapter 1-2 (Adoption of Rules); or (vi) licensing.

(B) Unless it is also included in (a), "municipal question" does not include: (i) the non-appealable, day-to-day decisions, routine application, administration, and execution of City programs and policies; or (ii) routine, non-appealable decisions on permitting, platting, and design approval matters in connection with a specific project or development; or (iii) a technical building decision on a specific project, whether appealable or not, under Chapter 25-12 (Technical Codes).

6. *What is compensation or reimbursement for lobbying?*

Compensation means money, or another thing of value, or a financial benefit received (or to be received) in return for, or in connection with services provided, or to be provided. Section 4-8-3(C) states that compensation or reimbursement for lobbying includes compensation or reimbursement that a person receives for preparing to lobby. For example, compensation for preparing to lobby includes, without limitation, compensation received for participation in a strategy session, the review and analysis of municipal legislation or an administrative matter, and research and communication related to a municipal question with the registrant's employer, client, or another person. A person who does not lobby is not required to register because of compensation received for only preparing to do so without directly communicating.

City Code, §4-8-3(D) states compensation or reimbursement for lobbying does not include compensation or reimbursement for: (1) requesting information, or inquiring only for informational purposes, without seeking to influence or persuade, about a municipal law, ordinance, regulation, rule, policy, practice, or procedure administered by the City; (2) preparing or submitting an application or other required written document, without seeking to influence or persuade, that only provides information required by law, ordinance, rule, regulation, order, or subpoena; (3) communicating for the purpose of sharing information to demonstrate compliance with an audit, inspection, City investigation, or existing laws, rules, and policies; (4) providing, without seeking to influence or persuade, information consisting of facts or data to a City Official that the City Official specifically requested regarding a municipal question, when the request was not solicited by or on behalf of the person providing the information; (5) communicating to a City attorney or a municipal judge concerning litigation or adjudicative proceedings to which the City is a party, or concerning adjudicative proceedings of the City; (6) providing testimony, making an appearance, or any other type of communication documented as part of a public record in a proceeding of an adjudicative or judicial nature, including before the Municipal Court, the Ethics Review Commission, and the Municipal Civil Service Commission; (7) providing only clerical assistance to another in connection with another person's lobbying or preparation for lobbying; (8) realizing financial gain as a result of a determination of a municipal question as to real property the person in question owns; (9) serving as a member of a City board, commission, or task force when the person's communications relate solely and directly to the person's public service on the City entity; (10) reimbursement for the person's own travel, food, lodging, or membership dues to communicate with a City Official on a municipal question.

7. Is every vendor with the city by definition a lobbyist?

Not unless the vendor meets the thresholds of §4-8-3.

8. How do I terminate my registration as a lobbyist or business entity?

If you no longer meet the lobbyist registration requirements found in §4-8-5, you must file a Termination of Lobbyist Registration. To notify the Clerk's Office of the termination, contact the City Clerk's Office to file your final quarterly activity report within the E-Filing System.

Note: If you have lobbyist activity to report for the current reporting period, you must also file the quarterly activity report with the notice of termination.

Reporting Requirements for Registered Lobbyists and Business Entities

9. What am I required to file?

An individual (or business entity as described above) must file a registration report and pay the registration fee not later than the fifth working day after the person first directly communicates with a City Official to lobby.

In addition, **Quarterly Activity Reports must be filed between the first and tenth day of January, April, July, and October** using the City of Austin's E-Filing System. Directions to access the E-Filing System located at <http://www.austintexas.gov/department/lobbyists>.

10. What review of the registration and quarterly activity reports will occur?

The City Auditor must conduct an annual audit of a statistically representative random sample of lobby registrants, but not less than five percent of registrants, to ensure that registrants' filings are in compliance. Not later than the 14th business day after finding an apparent violation, the Auditor must notify the City Clerk, the City Attorney, and the Ethics Review Commission.

11. How do I complete the Municipal Question portion of the registration report?

For each Municipal Question on which an individual lobbyist will lobby, a separate section should be completed. This requires a specific description of the Municipal Question. If the Municipal Question is regarding Real Property, include the address or legal description. For each Municipal Question identified, the filer must complete the subject matter section selecting each subject matter that applies to the identified Municipal Question.

12. If representing a coalition, do I need to report every individual member?

Pursuant to section §4-8-2(3), "Client means a person who compensates or reimburses another person to lobby."

13. What information will be posted on-line?

City Code, §4-8-9(B) requires the City Clerk to publish a downloadable, searchable database of lobbyist registration and activity information for the general public. Therefore, the content of the Lobbyist Registration Forms and Quarterly Activity Reports will be published online at the [City's Open Data Portal](#) and [Lobbyist Search Webpage](#). Registration and quarterly activity reports will also be made accessible to the public during normal business hours within the Clerk's Office.

14. When are the quarterly activity reports due?

Quarterly activity reports must be filed between the 1st and 10th day of January, April, July, and October. Each report covers lobbying activities that took place in the preceding quarter:

Quarter	Activity Start Date	Activity End Date	Report Due Date
Q1	January 1	March 31	April 1 – April 10
Q2	April 1	June 30	July 1 – July 10
Q3	July 1	September 30	October 1 – October 10
Q4	October 1	December 31	January 1 – January 10

Instructions on how to file your quarterly activity report and access the E-Filing System can be found here: <http://www.austintexas.gov/departments/lobbyists>.

15. If I have no activity to report for the reporting period, do I need to file a Quarterly Activity Report?

Yes. A quarterly activity report must be filed by the report due date even if you have no activity to report for both lobbyists and business entities. If you have no activity to report, you can file a Statement of No Activity (lobbyist) or No Additional Reportable Information Affidavit (business entity).

16. If I work for a nonprofit organization and lobbying is only a portion of the services provided, how do I report compensation?

Per § 4-8-6 (B) registered lobbyists must make a reasonable allocation between compensation for lobby activity and compensation for other activities. The quarterly activity report only requires the amount of compensation allocated to lobbying. See §4-8-3(D).
