

MAYOR ADLER
ITEM 72
MOTION SHEET

Late Backup

The first RESOLVED clause is modified to read:

For consideration along with other priorities discussed during Council's budget or other work sessions, other Council actions, and other priorities expressed by Council members, the City Manager is directed to identify should consider ongoing funding in the amount of \$160,000 for childcare services for Passages Program participants and to as an item to be considered for incorporation this funding into in the budget recommendations that come forward for Council consideration in July 2017.

The second RESOLVED clause is modified to read:

The City Manager is also directed to investigate whether a budget surplus within the Budget Stabilization Fund can be used to extend funding for the Passages Program through January-October 31, 20187. If funds exist, the City Manager is directed to allocate the necessary amount of funds within the Budget Stabilization Fund for the extension of childcare services for Passages Program participants through January-October 31, 20187. Further, the City Manager is asked to consider what could be done to avoid situations where funding for ongoing programs expires during the budget adoption process.
