Additional Backup Information:

If approved, a Resolution from the Austin City Council will be included with Low Income Housing Tax Credit (LIHTC) Application Number 18312 to be submitted by Saigebrook Development, LLC, or an affiliated entity, to the Texas Department of Housing and Community Affairs (TDHCA) for the proposed Casa Madera Apartments. The property is located in District 3.

For developments proposed within a municipality, an LIHTC application can receive points in the

category of “Concerted Revitalization Area” if it includes a resolution from the local governing body designating the application as one that contributes more than any other LIHTC application to the City’s revitalization efforts. However, only one application can be designated per Concerted Revitalization Area.

For the Concerted Revitalization Area, the developer cites the development’s location within the East Congress Neighborhood Planning area as being in a revitalization area, and that this revitalization area is identified and addressed in the South Congress Combined Neighborhood Plan.

TDHCA staff will determine whether or not the project is in a “concerted revitalization area” as defined in the 2018 Qualified Allocation Plan and, therefore, whether or not the application will receive the associated points.

LIHTC applications are due to TDHCA on March 1, 2018.
