**Section 6: Discussion of Anticipated Future Performance Issues and Key Result Areas**

- Identify goals and objectives to be met during the upcoming performance period.
- Identify key issues and result areas

- Once final, review Council strategic priorities and related indicators and propose audits for the FY19 audit plan that assess the City’s alignment with and progress related to these priorities.
- Review other audit office’s practices and develop performance measure(s) to capture audit impact.
- Focus on developing office capacity for project management through formal and informal training and mentoring.
- Complete implementation of TeamCentral, a Citywide system for tracking and reporting on the status of audit recommendations.
- Monitor newly identified measures for four office “pillars” to determine effectiveness and identify any needed adjustments.
- Continue to focus on external outreach by participating in Citywide and district events in order to increase awareness of the role/work of the office and identify potential topics for audit.
