4.4.2. Parking Requirements

A. Minimum Parking Requirement:
60 percent of that prescribed by the LDC Section 25-6 Appendix A (Tables of Off-Street Parking and Loading Requirements)

B. Maximum Parking Requirement:
1. 100 percent of that prescribed by Appendix A; or
2. 110 percent of that prescribed by Appendix A if the following qualifications are met:
   a. Any parking spaces provided over 100 percent of the calculated LDC rate in Appendix A are made available for public use; and
   b. Signage is provided indicating where public parking is available

3. Development in the CMU-Gateway zone is not subject to a maximum parking requirement.

4.4.3. Reduction of Minimum Off-Street Parking Requirements

This section provides for reductions in the minimum off-street parking requirements in Subsection 4.4.2. The minimum off-street parking requirement shall be reduced as follows:

A. By one space for each on-street parking space located adjacent to the site.

B. By up to 10 percent to preserve significant stands of trees or protected trees in addition to those required to be preserved by the Code, pursuant to protection measures specified in the Environmental Criteria Manual. If the applicant provides more parking spaces than the minimum required, the additional parking spaces may not result in the removal of significant stands of trees or protected trees.

Article 4: Site Development Standards
Section 4.8. Sign Regulations
Subsection 4.8.1. Applicability

B. Loading docks, truck parking, outdoor storage, trash collection, trash compaction, and other service functions shall be incorporated into the overall design of the building and landscape so that the visual and acoustic impacts of these functions are fully contained and out of view from adjacent properties and streets. Screening materials for solid waste collection and loading areas shall be the same as, or of equal quality to, the materials used for the principal building. Loading docks, truck parking, outdoor storage, trash collection, trash compaction, and other service functions may be placed alongside public alleys without the necessity of screening.
