#### Additional Backup Information:

On April 13, 2000, Austin Housing Finance Corporation (AHFC) approved Resolution No. AHFC

2000-0413-57, which authorized and approved the issuance, sale, and delivery of multifamily housing revenue bonds and taxable multifamily housing revenue bonds for the property located 8071 N. Lamar (currently known as Santa Maria Village). As part of the bond process, the property owner, Chase Bank of Texas, National Association, and AHFC entered into a Regulatory and Land Use Restriction Agreement. The bonds have been paid off and the only remaining obligation under the Regulatory and Land Use Restriction Agreement is the affordability period.

If approved, the affordability restrictions currently in place on the property, according to the regulatory and land use restriction agreement, would be assumed by THF Oaks on Lamar, LP, or an affiliated entity, and would enable the rehabilitation of the multi-family affordable housing community. The proposed activity will be located in Council District 4.

The development, to be known as the Oaks on Lamar Apartments, is proposed to be partially funded with 4% Low Income Housing Tax Credits and Private Activity Bonds issued by Texas Department of Housing and Community Affairs (TDHCA).
