

Kitchen MOTION SHEET

Council Direction:

City Staff is directed to include on the CodeNext timeline for Council consideration on May 8th the following:

1. Include a time period of at least 6 months before any new Code taking effect;
2. An explanation of the process for testing the code, with an overview of the testing that has been going on and how that will continue;
3. An explanation of the process for implementation of the code, with an emphasis on timing; and
4. A clear process for amending the code as we go into the future.
