RE: Item No. 69, 6-14-18 City Council Agenda

Dear Honorable Mayor Adler, Mayor Pro Tem Kathie Tovo, and Council Members Ora Houston, Delia Garza, Sabino "Pio" Renteria, Greg Casar, Ann Kitchen, Jimmy Flannigan, Leslie Pool, Ellen Troxclair, and Alison Alter,

The Southeast Combined Neighborhood Plan Contact Team (SCNPCT) met on Monday, June 11, 2018, to discuss the following item listed in the June 14, 2018 City Council agenda:

Item #69. Approve a resolution directing the City Manager to explore the feasibility of an agreement with Austin Youth & Community Farm, Inc. d/b/a Urban Roots, for the long-term use of City-owned land at 4711 Winnebago Lane, to provide workforce development and youth programming through urban agriculture.

Our Contact Team has been involved and supportive of this initiative from the very beginning and continues to support it in light of the multiple benefits it brings to our community. After discussion, the motion passed to support Item No. 69 with no objections and no abstentions. Your support would be greatly appreciated. Thank you for your consideration.

Respectfully submitted,

Ana Aguirre, Chair
Southeast Combined Neighborhood Plan Contact Team (SCNPCT)
