Additional Backup Information:

On October 1, 2015, the Consolidated Rental Car Facility (“CONRAC”) was built and completed. This project was financed by Rental Car Special Facility Revenue Bonds, Taxable Series 2013 (the “Bond”). The Bond documents require rental car operations to take place at the CONRAC facilities, including operations by off-airport rental car operators, in addition to the imposition of applicable fees and charges.

This amendment to Section 13-1-163 (Off-Airport Rental Car Business) is intended to modify language to reflect operational changes for off-airport rental car operators.
