This action will provide the required resolution needed by the Criminal Justice Division to complete the award process related to \$74,181.53 in grant funding. The project period is October 1, 2018 - September 30, 2019. State Juvenile Justice and Delinquency Prevention Act funding will allow the City to:

- Contract for professional services (\$22,500)
- Allow officers to work on an overtime basis to provide instruction and guidance (\$43,364)
- Send six key personnel (cross sector group) to a 3-day training (\$1,950)
- Purchase project supplies (\$4,268)
- Lease a 15-passenger van for the summer months (\$2,100)

This is the first year of a 3-year program. The goal is to provide a comprehensive juvenile justice and delinquency prevention program that meets the needs of participants through cross-sector partnerships. Project objectives are to develop and sustain positive assets (strengths) in youth, to build trust between police and Austin's youth population, to provide instruction and guidance, to contract with subject matter experts for materials and curriculum development, to provide training for key personnel, and to purchase technology in support of project activities.
