Additional Backup Information:

On November 9, 2017, the City Council passed Resolution No. 20171109-046 which directed the City Manager to identify and assess City-owned sites that might be appropriate for a soccer stadium. In December 2017, City staff identified seven City-owned sites, including 10414 McKalla Place, for additional exploration, analysis and engagement.

On March 22, 2018, the City Council passed Resolution No. 20180322-099 which directed the City Manager to initiate and complete a community engagement process and provide a detailed analysis of 10414 McKalla Place as a potential site for a Major League Soccer stadium. The City conducted a process of community engagement, analysis of the site, examination of potential community and economic benefits, and exploration of potential alternative uses and opportunity costs. On June 1, 2018, the City issued a report concluding that that 10414 McKalla Place is a suitable site for a Major League Soccer stadium.

On June 28, City Council adopted Resolution No. 20180628-130, directing the City Manager to analyze the Precourt Sports Ventures (“PSV”) stadium proposal and negotiate terms and conditions in the City’s best interest related to development of a major league soccer stadium on approximately 24 acres of City-owned property at 10414 McKalla Place. The resolution further directed the City Manager to return to City Council on August 9, 2018, for a status update or contract approval. The term sheet attached to this Request for Council Action is the result of the negotiations and contains the basic terms to be included in definitive agreements to be drafted by the City and PSV.
