7.1 SPECIFYING AUTHORITY OVER PUBLIC PARKLAND

Late Backup

Amend the Term Sheet on Page 5 as follows:

The parties shall mutually agree upon a designated set of design and related documents ("Base Stadium Plan") that shall guide the planning, development, and construction of the Stadium and the publicly accessible green space, parkland, open space and performance areas and which will include milestones appropriate to the delivery method. The City shall have the right to comprehensively review design documents at major milestones mutually determined by the parties. Additionally, the City will have reasonable and timely approval rights of the Base Stadium Plan.
