Budget Scenarios

Scenario 1:

- Adopt the budget as proposed at a 4.9% tax rate increase

Smallest property tax increase of the three scenarios

Significant investments across outcome indicators prioritized by Council

Scenario 2:

- Increase property tax rate
- Allocate any additional funds from increase to one-time needs or reserves

Best position if Legislature enacts lower tax rate cap

Funding in reserves available to address pending Council resolutions and audit recommendations

One-time funding commitment maintains more flexibility in future years

Scenario 3:

- Increase property tax rate
- Increase senior exemption from \$85,500
- Ongoing funding for EMCOT & homelessness
- Allocate any remaining funds to one-time needs, reserves, or other priorities

Softens property tax impact on senior and disabled homeowners

Ongoing funding available for highest-priority new Council initiatives

Government That Works

Property Tax Rate

- Increase tax rate from proposed amount of 4.9%
 - Increase to 5.0% generates an additional \$590,000
 - Increase to 5.5% generates an additional \$2.9 million
 - Increase to 5.9% generates an additional \$4.7 million
 - Increase to 6.0% generates an additional \$5.2 million
 - Reserves will need to increase to maintain 12% level
