MESSAGE FROM THE PRESIDENT

This past year, Austin experienced tremendous growth in the travel, tourism and hospitality industry. From the development in hotel and attractions, to airport and airline route expansions, our industry is thriving. In our fiscal year '18-'19 marketing plan, we will recap Visit Austin's accomplishments and involvement in our industry's progress, in addition to outlining our provisional goals and objectives.

Austin is a city built on cultivating big ideas, with a community that continues to welcome visitors from all over the world. We consistently see a record number of visitors, both business and leisure, creating a need for new inventory as well as developing innovative ways to promote our city.

Conventions, big and small, help grow our economy in ways that will allow us to expand our industry. Last year, we increased our hotel rooms by an additional 2,600. By 2020, there will be more than 42,000 citywide hotel rooms. And as of 2018, hospitality was the third largest employer in our city, employing more than 122,000 Austinites.

At Visit Austin, our top priority each and every year is to ensure that Austin's reputation remains positive among convention, business and leisure travelers so that they continue to return to our city and contribute economically to our community. Last year, Visit Austin booked a record number of meetings with 726,899 room nights, which translated to \$685,458,240 in economic impact.

Austin Bergstrom International Airport (ABIA) also welcomed a record breaking 13,405,766 passengers, up 9% from 2016. There are now 70+ nonstop flights to ABIA including several international destinations. We are also looking forward to the additional nine gates opening in early 2019.

Visit Austin's departments, employees and marketing campaigns have also been recognized by industry associations for their excellence. Destinations International awarded Visit Austin with the globally recognized Destination Marketing Accreditation Program (DMAP). Achieving DMAP accreditation positions Visit Austin as a valued and respected organization in our community and increases our credibility among clientele.

In 2018, The Watkins Research Group conducted their Meeting and Convention Planners Survey. This survey is a biennial study of perceptions about cities, bureaus and important meeting industry topics as perceived by meeting planners and consultants. Based on industry "buzz," Austin ranked number one among cities in the U.S. and Canada, providing the most positive overall experience for major conventions. And when asked which CVBs/DMOs stand out relative to all, Austin, again ranked number one.

To ensure that Austin is an inclusive and welcoming destination for all visitors, Visit Austin continues to promote our city's rich heritage and diversity through a multi-channel campaign that includes digital advertising, experiential marketing and custom content. Working with members of the local community, and with the input of Council, Visit Austin set out to complete a four-part series of travel brochures for visitors interested in the influence of various cultures and communities on the Austin experience. This series is designed to inspire travel to the city by promoting culturally relevant events, attractions and local businesses. We're proud to complete this series in 2018 and plan to expand it with online content and additional distribution channels in the coming year.

If the University of Texas Convention Center study is favorable to expansion, and City Council considers expansion opportunities, Visit Austin stands ready to market and sell the space for prospective meeting groups and those that may not have been able to choose Austin in the past due to lack of center space or availability.

Today, Austin is stronger and more diverse because of the smart investments we have made. Our city's tourism community will continue to serve as advisors to the City Council as we continue marketing our great city as a premier travel destination.

ABOUT VISIT AUSTIN

MISSION

The Austin Convention and Visitors Bureau (Visit Austin) is the official destination marketing organization for the city of Austin. An accredited member of Destinations International, Visit Austin is contracted by the city to market Austin nationally and internationally as a premiere convention and leisure destination. In addition, Visit Austin houses the Austin Film Commission, Music Office and Sports Commission. The organization is a private, nonprofit 501 (c)(6) corporation in its 22nd year of operation as an independent agency.

Visit Austin is funded primarily through a portion of the 15 percent hotel occupancy tax. The nine percent city portion of the occupancy tax is distributed to Visit Austin, the Austin Convention Center and for the arts and heritage preservation grant programs. Visit Austin operates on a fiscal calendar that runs from October 1 through September 30. To accomplish its mission and objectives, the organization also seeks partnerships with hotels, the Austin Convention Center, local tourist attractions, private sector businesses, publishing and media companies, airlines, car rental companies and many other local partners.

ABOUT VISIT AUSTIN

OBJECTIVES

Visit Austin presents the 2018-2019 Marketing Plan to be implemented as the approved budget allows. In pursuit of its mission, Visit Austin seeks to:

- Serve as an economic engine for the City of Austin.
- Increase demand in the Austin MSA for hotel rooms, attraction visits, package tours, retail sales, restaurant receipts, local transportation and other events and activities that positively affect the economic impact of the local tourism industry.
- Serve as the primary booking entity for the Austin Convention Center for all future groups and special events that, in turn, draw attendees to stay overnight in Austin hotels.
- Support the economic viability of Austin's growing film industry through activities of the Austin Film Commission, while maintaining a strong relationship with the local film community.
- Support the efforts of the Austin-Bergstrom International Airport (ABIA) in maintaining and expanding air service to the city.
- Gain national and international media exposure for Austin's diverse attractions, natural environment, rich history, culture and unique personality to further education and understanding of the Austin product.
- Utilize the Austin Sports Commission to recruit, grow and retain sporting events in the Austin area and continue to expand visibility of Austin as a premier athletic destination, especially in the amateur sports market.
- Promote Austin's multicultural, performing and visual arts, historic, recreation, education, sports, business and entertainment communities.
- Market and promote tourism and conventions among heritage, cultural and minority markets.
- Solidify Austin's reputation as the Live Music Capital of the World® by identifying and recommending live music acts for conventions and corporate meetings, and by encouraging patronage of Austin music venues.
- Actively participate in and contribute to the overall strategic planning for the growth and sustainability of the visitor industry in Austin through strong community outreach and with recognized expertise in the tourism industry.
- Provide a welcoming environment to all visitors. Visit Austin continues to scrutinize all programs and pay careful attention to those that do not directly impact hotel occupancy. Visit Austin's Board of Directors carefully monitors our efficient and accountable fiscal controls to ensure resources are invested carefully and efficiently. To allow for adjustments to changing market conditions, select marketing plan objectives and/or tactics may change throughout the year.

TOURISM IMPACT & FORECAST

TOURISM IMPACT & FORECAST

FY 18/19 Austin Outlook

With the recent opening of the 1,048-room Fairmont Austin and many more scheduled openings in 2018 and 2019, the Austin market will have more than 40,000 hotel rooms by the end of 2019, with more than 11,000 downtown. 2017 year-end hotel occupancy was flat at 76.5% for downtown and 71.8% for the market – a very slight decline.

As new supply continues to enter the market, Visit Austin will be closely monitoring the effects on hotel performance.

IN FY 16/17, VISIT AUSTIN CONFIRMED

The trend of capacity and date availability continue to be the biggest challenges, with 46% of lost business at the Austin Convention Center falling into these categories. Visit Austin will continue to support the marketing and pre-sale of the new hotels. We will also continue the strategy of encouraging groups to book further out for better availability and rebooking the groups that have programs which can still fit in the building.

Without the travel and tourism industry, residents in Travis County would have to pay an additional \$1,250 per household in state and local taxes to maintain current levels of service.

DESTINATION & INDUSTRY OBJECTIVES

DESTINATION & INDUSTRY OBJECTIVES

Austin is a creative, collaborative and innovative city that is constantly evolving. As we look to the future, Visit Austin will continue to adapt its approach to solidify our position as a premier leisure, convention and meeting destination.

Adapt to Growing Market Needs

Since 2015, Austin has seen a 24% increase in hotel inventory downtown and +15% citywide. New hotel openings also contribute to more tourism and hospitality jobs, making the tourism industry the third largest employer in the city and putting 125,900 Austinites to work.

The most recent additions to the Austin hotel market, the 1,048-room Fairmont and the dual branded, 414-room Aloft/Element are already having an impact on convention business. A robust sales pipeline and well-supported marketing strategies are more important than ever.

Hotel demand has increased, but not quite at the pace of the supply growth; new businesses and groups also require larger amounts of contiguous space for meetings, trade shows and breakout rooms. For the seventh year in a row, the number one reason for losing city-wide groups remains the size and lack of availability of the Austin Convention Center. In the past year, 46% of new business for the convention center was lost due to lack of availability or insufficient space. This represents approximately \$500,000,000 in potential economic impact. In addition to securing new and larger convention business, the expansion of the Austin Convention Center would increase economic activity and support local jobs for our community.

Protect and Evolve the Austin Brand, “Live Music Capital of the World®”

Austin has been officially recognized as the **Live Music Capital of the World®** since the Austin City Council adopted this slogan in 1991. Research has shown the brand has gained significant traction among visitors.

In 2014, the economic impact of Austin’s music industry grew to \$1.8 billion.

Although Austin’s destination appeal goes well beyond live music, the Live Music Capital of the World® brand has managed to successfully keep Austin top-of-mind among potential visitors and meeting professionals. Visit Austin reinforces this brand positioning through a variety of strategic sales and marketing tactics* including:

- Creating marketing and advertising materials that strongly reflect the Live Music brand, while appealing to many of the other facets of Austin.
- Hiring Austin music talent for in-market events, conventions and various out-of-market event and media opportunities providing valuable exposure for our Austin musicians.
- Promoting music attractions including festivals, venues and entertainment districts.
- Partnering with local, national and international music brands.

**Activities will be scaled based on the budget approved by Council.*

Visit Austin continues to work closely with the City of Austin and various stakeholders, event organizers and music community leaders to address the needs that directly impact the local music ecosystem and keep visitor experience top of mind.

In FY 2017-2018, the new Visit Austin advertising campaign continued to amplify our positioning while also expanding our messaging with a focus on Austin’s green spaces, local businesses, culinary scene, creative culture and diverse community. These efforts will continue in 2018-2019.

DESTINATION & INDUSTRY OBJECTIVES

Continue to Expand Airlift to AUS

The Austin-Bergstrom International Airport (ABIA) has experienced tremendous growth in passenger traffic and cargo, as well as in newly announced service. The new gates in the main terminal are scheduled to open in early 2019 to accommodate future domestic and international service to the city. International service increased in 2018 with the launch of Norwegian Airlines from London Gatwick Airport, our third transatlantic flight to Austin.

Visit Austin will coordinate efforts with ABIA on global marketing priorities, including participation in airline meetings and World Routes. We also continue to serve on the Air Services Task Force, and to collaborate with the Greater Austin Chamber and the Austin corporate community to attract new service to the city.

**Activities will be scaled based on the budget approved by Council. Budget reductions will limit our efforts in marketing new airline routes and partnering with airlines in the international markets.*

Continue to Expand Diversity Marketing Efforts

Visit Austin works to ensure that all advertising media and campaigns are inclusive of a multicultural and diverse audience. Where possible, budget is allocated specifically to custom diversity marketing programs. In 2017, such programs included:

- Austin promotion at New York Pride
- Meeting planner activations at the Congressional Black Caucus
- Membership and trade show participation with the International Gay and Lesbian Travel Association (IGLTA)
- Diversity digital media buys garnering more than 12 million targeted impressions

By the end of FY 2017/2018, Visit Austin will finalize the Field Guide to Austin diversity travel brochure series including brochures targeting travelers interested in the African American, Hispanic and Latin American, LGBTQ and Asian Pacific Islander American influence on the Austin experience. In FY 2018/2019 we will develop additional distribution strategies and enhance the online experience.

PLAN OBJECTIVES, FY 2018-2019

Objective 1: Increase in-house bookings for all hotels.

Given the new hotel inventory into the market, there is more availability within the hotels to increase group business. Visit Austin will focus on targeting groups that fill need times like summer, holidays and December/January. Expand the growing markets that book short term such as medical, tech, financial and insurance incentives to drive new business.

Objective 2: Maximize business for the Austin Convention Center.

Continue to solicit our citywide convention prospects through sales calls, tradeshow and customer events. Maximize opportunities for groups that provide the most hotel guest room demand across the city. Encourage citywide clients to book more than three years out due to building availability. Identify high food, beverage and exhibit sales for prime future dates. Target groups with a Sunday arrival to maximize hotel and ACC availability. Due to current lack of convention center availability, provide overflow hotel options to supplement meeting space needs for groups who will consider.

Objective 3: Showcase Austin to clients through hosting industry events in market

Continue bringing clients to Austin to experience all that our destination has to offer for conventions and meetings. In 2019, Austin will serve as host to the US Chamber of Commerce Executive's Top 100 Associations, Association Management Companies Institute's (AMC) Annual Meeting, American Society of Association Executives and Financial & Insurance Conference Planners. These opportunities will gain exposure for our hotels, convention center and local businesses. Continue to expedite the decision process through individual client site visits.

PLAN OBJECTIVES, FY 2018-2019

Objective 1: Increase national awareness and strengthen the brand of the Austin Sports Commission within the local community.

Identify new local and regional industry partners to elevate the perception of the Austin Sports Commission and Austin as a sports tourism destination. Attend new tradeshow and make additional sales calls in the sports marketplace. Become more involved with the University of Texas, local sports clubs and organizations, etc. by attending local meetings and supporting local boards.

Objective 2: Target new events that fit within Austin's core sports facilities.

Solicit events that take place during slower times (Summer, December/January, holidays) - i.e. Olympic Trials. University Interscholastic League (UIL) was once a staple event of the community; with new hotel inventory and UT Athletic Department support, position Austin as able to host these events again and look to bring this event back to Austin for 2020 and beyond. Goal is to increase UIL events by 10% year over year. Additionally, focus on the sports meeting market nationally to target meetings that will fit in the Austin Convention Center as well as multiple hotels.

Convention Services

The role of Convention Services is to provide destination support, guidance and resources for booked meetings and conventions to ensure the highest level of success.

PLAN OBJECTIVES, FY 2018-2019

Objective 1: Raise client awareness of services available to ensure successful conventions and repeat business.

Continue to evaluate services and collateral offerings to assist groups in achieving goals to host successful events. Develop the customer relationship through continuous outreach, by attending sales missions, pre-promotes and by maintaining regularly scheduled contact throughout the planning process. Continue current method for collecting surveys and responding to customer suggestions to result in improved services. Establish strategies to equip booked groups with the marketing tools and content to promote the destination. Promote resources available through the Austin Visitor Center.

Objective 2: Ensure community awareness of conventions and their economic impact.

Educate industry partners on the benefit of collaborating with Visit Austin to connect with convention clients through the utilization of convention alerts and responding to service leads. Encourage partnership with Visit Austin through varied advertising opportunities and attendance at our hosted events. Continue community outreach efforts to develop relationships/partnerships with new and existing local businesses. Connect customers to local businesses through our referral process to enhance the group attendee experience. Promote local values to convention clients by connecting customers with community resources for sustainability, innovation and expanded corporate social responsibility.

Objective 3: Provide a resource for online housing services and on-site staffing support.

Promote preferred housing provider to all multi-hotel conventions during the booking/selection process. Educate customers and our hotel partners on the benefits of utilizing housing to maximize room pick-up performance. Proactively monitor group history and pick-up to ensure successful housing outcome. Promote our preferred staffing provider and monitor feedback to ensure client satisfaction.

Continually evaluate new opportunities to improve diversity offerings to visitors and meeting professionals. Work closely with local organizations to identify areas of potential synergy.

Objective 3: Expand upon the creation of publicity opportunities for community partners, local businesses and public relations teams to feature their clients in press coverage.

Continue to work closely with hotel public relations teams to increase positive media exposure through sharing media leads, hosting press and collaboration with other community outreach programs. Coordinate site visits to both established and new businesses.

Objective 4: Further develop awareness and exposure for Austin's arts, culture, multicultural and LGBTQ products.

Host writers/media on assignment from niche outlets and publications during relevant city festivals and events. Ensure editorial photography and general content (events, attractions, points of interest) reflect arts, culture and diversity. Promote Austin's diverse attractions, rich history, culture and unique personality. Maintain Visit Austin's association, outreach, collaboration and support of numerous local and national multicultural groups and events.

Objective 5: Public Affairs: Work with city and state elected officials on matters related to the tourism industry.

Monitor legislative bills that impact the tourism industry and Austin's ability to be a welcoming destination for visitors. Remain a resource for Austin City Council and other elected officials in matters related to the tourism industry.

Tourism

The Tourism Department promotes the Austin travel product to domestic and international travel markets through strategic activities, attending trade shows, sales missions, familiarization tours (FAMs), educational seminars and cooperative marketing campaigns. In addition, the department coordinates with the Austin-Bergstrom International Airport in maintaining and increasing air service to Austin.

DEPARTMENT GOALS, FY 2018-2019
