MEMORANDUM

TO: Mayor and City Council

FROM: Stephanie Hayden, Director 

DATE: October 25, 2018

SUBJECT: Resolution No. 20180426-030 – Updates on Austin’s Action Plan to End Homelessness

On April 26, 2018, Council passed Resolution No. 20180426-030, endorsing “Austin’s Action Plan to End Homelessness” and directing the City Manager to provide regular updates regarding community needs related to homelessness.

Staff from Austin Public Health, Neighborhood Housing and Community Development, Austin Police Department, and Office of Performance Management have coordinated with the Ending Community Homelessness Coalition (ECHO) and other community partners to track progress of proposed actions and strategies contained in the Action Plan. ECHO has engaged with community workgroups and other organizations throughout August and September to document progress in a summary report. City staff have been compiling data on homeless initiatives and efforts to date, which will be communicated through the forthcoming update.

Due to the complexity of this issue, the ongoing process of capturing updates and efforts from multiple stakeholders, the workgroup intends to provide the response by November 15, 2018.
