

## ENVIRONMENTAL COMMISSION MOTION 20181107 008a

**Date:** November 7, 2018

**Subject:** Proposed Amendments to Chapter 15-5 of the City Code regarding regulation of On-Site Sewage Facilities located within the City of Austin full purpose boundaries and areas annexed for the implementation of the Health and Safety Code.

**Motion by:** Hank Smith

**Seconded by:** Mary Ann Neely

### **RATIONALE:**

**WHEREAS,** the proposed amendments clarify requirements for property owners and add registration requirements for Texas Commission on Environmental Quality licensed maintenance providers; and

**WHEREAS,** the Environmental Commission Urban Growth and Water Quality Protection Committee met on October 31, 2018 to review these proposed changes, and generally supported staff's recommendations.

**THEREFORE,** the Environmental Commission recommends support of the request to amend Chapter 15-5 in accordance with the draft ordinance.
