

Government that Works for All
November 13, 2018 Work Session Discussion
“Items from Council”

1. How might we improve the items from council (IFC) process to accomplish your goals and objectives?
 - a. Ex: Develop a work plan/policy agenda similar to the City Auditor’s annual work plan
 - b. Ex. Create an adequate timeframe for collaboration between Council and staff on drafting the IFC before it is launched
2. Some IFCs require considerably more staff time and resources (i.e. consulting services) than others to complete. How might we improve the IFC process and deadlines so Council has adequate resource impact information before taking action?
3. During our one-on-one meetings with you, we received significant Council feedback regarding what you would want to help track the status of IFCs following approval. If we redesign the IFC status report, what elements are most important to you?
 - a. Accessible online
 - b. Searchable by keyword
 - c. More frequent status updates
 - d. Means of tracking memos to Council reporting status
 - e. Other
