RE: Case: C-14-2018-0090 – Denizen Two
District 3
1001 Cumberland Road

Dear David,

The Galindo Elementary Neighborhood Association (GENA) held its general membership meeting on January 28, 2019. We discussed the details and terms of the agreement GENA reached on January 27, 2019 with Momark and the Salvation Army concerning development at 1001 Cumberland Road. The membership was in unanimous support of the agreement. We look forward to trail and park improvements in South Austin Neighborhood Park which will benefit the entire community.

We are grateful for Council Member Renteria's leadership on this issue and for your valuable assistance in facilitating a successful outcome.

Sincerely,

Bob Price - GENA President
Susan Littleton - GENA Zoning Chair
Patty Sprinkle - GENA Secretary
